

Prescription Order Form

Make sure to sign and date the order form. For assistance call 608-241-1900 or toll-free 800-422-4661. Have your order form and 12-digit TASC ID ready. Please print.

1. This form replaces the Letter of Medical Necessity. Use this form to be reimbursed for products and services that require physician authorization such as Over-the-Counter (OTC) medicines or drugs and other non-OTC medicine products and services.
2. Complete Section I (including your signature and the date) and Section II (Patient Name, Treatment Prescribed, and Reason for Treatment) prior to visiting your Medical Practitioner.
3. Bring this form with you to your next medical appointment and request that the attending Medical Practitioner complete Section II (Instructions/Restrictions) and Section III.
4. Instruct them to follow the specific pharmacy/prescription laws in their respective state when completing the Instructions/Restrictions portion (Section II).
5. You may use the same form for each individual in your household for whom you purchase healthcare expenses, as long as the same Medical Practitioner is completing the form
6. TASC Card purchases of OTC medicines or drugs require a prescription from your medical practitioner. Do not use this Prescription Order Form when using your TASC Card to purchase OTC medicines or drugs. The Prescription Order Form may be used in place of a prescription for all other methods of Requests for Reimbursement (online, faxed, or mailed).
7. FlexSystem and DirectPay Participants must submit a copy of this completed form to TASC with each Request for Reimbursement (if submitting online, include a copy with your receipts). Prescription Order Forms received without a Request for Reimbursement will not be processed. AgriPlanNOW and BizPlanNOW Participants should retain the completed form for their own records.
