ADDITIONAL INFORMATION

Referral Requirements	Medical services received within your chosen Care System do not require a referral. Services outside of your Care System may be payable as in-Care System benefits with an approved physician referral. The referral will be specific to an illness/condition and will remain active for the specified time. You should not make an appointment until the request for referral has been reviewed and approved. Notification of the decision will be sent to you and your requesting Care System provider. No retroactive referrals are allowed.
Prior Authorization Requirements	To ensure that services are covered WPS recommends that members or treating providers request prior authorizations for the following types of services: <ul style="list-style-type: none"> • New medical or biomedical technology • Methods of treatment by diet or exercise • New surgical methods or techniques • Acupuncture or similar methods • Organ transplants Written notification of the decision will be sent to you and the requesting provider.
Participant Cost for Using Non-Care System Providers	Medical services received outside your chosen Care System without an approved referral are payable as follows: 30% coinsurance after \$1,000 individual/\$2,000 family deductible.
Medicare Claims Procedure	If Medicare is the primary carrier, claims must be submitted to Medicare first. After Medicare processes the claim, Medicare, in most cases, will electronically forward the claim to WPS. Your explanation of Medicare Benefits (EOMB) will indicate that the claim was sent to WPS. You do not have to send your paper EOMB to WPS. There are a few cases where Medicare does not send the claim to WPS. In these cases, please forward your paper EOMB to WPS.
OnLine Services	The WPS State of Wisconsin web pages (www.wpsic.com/state) provide access to plan documents and materials. Once you're enrolled in the plan, you can register to gain access to our Members area which provides comprehensive plan and health care information as well as time-saving account management tools.
Outpatient Behavioral Health Network/Policy	With an approved referral, you may receive out-of-Care System services payable as in-Care System benefits. Your referral will be specific to an illness/condition and will remain active for a specific time frame.
Care System Restrictions	You must select a Care System within the Plan 2 network for each family member. Each family member can select a different Care System within the network. You may change your Care System within the network by notifying WPS in advance.
Dental Benefits Provided	Individual Annual Maximum.....\$500 Deductible.....\$25 single/\$75 family Individual Lifetime Orthodontic Maximum..... \$1,200 Diagnostic & Preventive Services (subject to deductible).....100% Basic Restorative Services (subject to deductible).....50% Orthodontics coverage for dependents to age 19 (subject to deductible)....50% Your out-of-pocket expense will be less if you use a Delta Preferred Dentist. Call Delta Dental at 1-800-236-3712 with coverage questions. Visit www.deltadentalwi.com to find a network dentist.
