## **I. OBJECTIVES**

---

The State of Wisconsin Group Insurance Board intends these "Terms for Comprehensive Medical Plan Uniform Benefits and Contract with Group Insurance Board to Participate under the State of Wisconsin Group Health Benefit Program" (hereinafter referred to as "Guidelines") to accomplish the goals and objectives stated below. Use of the term "Guidelines" is an historical anachronism and does not imply that the benefits and agreements stated herein are advisory rather than binding terms. Further, all parties contracting with the Group Insurance Board (BOARD) agree that these terms shall always be interpreted consistent with the objectives stated herein.

The BOARD's objective with alternate health care programming is: to encourage the growth of alternate health plans which are able to deliver health care benefits in an efficient and economical fashion and to limit and discourage the growth of plans which do not; to provide employees the opportunity to choose from more than one comprehensive health benefit plan.

By statute, the Group Insurance Board has the authority to negotiate the scope and content of the group health insurance program(s) for employees and retired employees of the State of Wisconsin, as well as local units of government.

The BOARD is committed to the concept of providing employees with comprehensive health benefit programs and ensuring that such benefits are delivered in an efficient and economical manner. The intent is to provide employees with the opportunity to be covered by health benefit program(s), which will provide benefits, and services, which are substantially similar to those provided under the standard, fee-for-service, group health insurance program. Therefore, the BOARD has developed these Guidelines by which alternate health plans may be evaluated for possible inclusion under the State of Wisconsin's Group Health Benefit Program on a "dual-choice" basis.

EMPLOYEES also have the option to opt-out of Group Health Insurance coverage. An EMPLOYEE who opts out of State Group Health Insurance, and is also not a covered DEPENDENT of the State Group Health Insurance Program, is eligible for a \$2,000 opt-out payment from their EMPLOYER if they become enrolled in other group health insurance coverage. Graduate Assistants are not eligible for the opt-out incentive and nor are EMPLOYEES who opted out in 2015.

"DUAL-CHOICE" refers to a program where eligible employees, ANNUITANTS under Wis. Stat. § 40.51 (16), and currently insured other retirees and CONTINUANTS have the opportunity to choose between at least two competing health benefit plans, the Standard Plan and one or more alternate health plans. The mechanics of "DUAL-CHOICE" are relatively simple. Once an alternate health plan receives approval from the BOARD on the benefit structure, its proposed premium rate is submitted as a sealed bid. The bid will be reviewed for reasonableness, considering plan utilization, experience and other relevant factors. Bids are subject to negotiation by the BOARD. The BOARD reserves the right to reject any proposal, which fails to include adequate documentation on the development of premium rates. These Guidelines provide a detailed explanation of the required documentation.

The current program requires alternate health plans to submit their premium rate quotations for the following calendar year. The BOARD reserves the right to change to a fiscal year or to some other schedule that it deems appropriate.

The BOARD determines the premium rate for its self-insured Standard Plan (fee-for-service, group health benefit). This premium is established after review of claims experience, secular trends, etc., and after consultation with the BOARD's actuary. The State of Wisconsin's current contribution toward the total premium for active employees (non-retired) for both single and family contracts is based on a tiered structure. Under the tiered structure, the Division of Personnel Management in the Department of Administration has determined the Standard Plan to be placed in Tier 2 for purpose of determining premium contribution share for those subscribers who are active employees assigned to work out of state.

The tiered premium structure is based on recommendations from the BOARD's appointed actuary whereby each alternate health plan's claims experience will be reviewed to determine which of the three premium contribution tiers each plan will be placed. This placement will be based on a risk-adjusted assessment of the plan's efficiency as determined by the BOARD's actuary. The most efficient plans will be placed in Tier 1, which will have the lowest employee premium contribution level. The moderately efficient plans will be placed in Tier 2. The least efficient plans will be placed in Tier 3, which will have the greatest employee premium contribution level. The employee premium contribution will be a fixed amount per tier, as determined by the non-represented compensation plan or collective bargaining agreement. The employer shall contribute the balance of the total premium. Plans are determined to be qualified on a county by county basis. Plans become "qualified" by meeting the requirements in Addendum 2; number of providers and years of operation. The BOARD reserves the right to make enrollment and eligibility decisions as necessary to implement this program, including whether to make a Tier 1 plan available in those counties in which otherwise no qualified health plan in Tier 1 exists and/or a Tier 2 plan available in any county. The DEPARTMENT may take such action as necessary to implement this intent.

Effective January 1, 2009, local governments seeking to participate in the health insurance program are subject to group underwriting and may be assessed a surcharge based on their risk, which is passed on to the health plan and prescription drug plan. Administration of the underwriting process is done by the Standard Plan administrator and actual assessment of the surcharge is determined by the BOARD's actuary.

Local governments must meet a 65% level of participation unless they are a small employer as defined under Wis. Stat. § 635.02 (7). Local governments that are small employers must meet a participation level in accordance with Wis. Adm. Code § INS 8.46 (2) to participate wherein eligible employees who have other qualifying health insurance coverage are excluded when calculating the participation level. The BOARD also may offer an optional deductible benefit and/or copayment and coinsurance benefit structure that mirrors the State program for local governments.

Local employers must pay at least 50% but not more than 105% of the lowest cost / 88% of the average cost "qualified" plan in the employer's area or may contribute under a tiered structure in accordance with Wis. Adm. Code § ETF 40.10. If there is no "qualified" alternate health plan, the BOARD reserves the right to designate the State Maintenance Plan (SMP) as the lowest / average cost "qualified" plan in those counties where it meets the minimum standards defined in Addendum 2.

In the event that the contribution is based on a percentage of the lowest / average cost qualified plan, if an alternate health plan submits a premium rate, which is less than the employer contribution rate, the employer contribution (dollar amount) could represent 100% of the total

alternate health plan premium and the employee will pay no out-of-pocket premium contribution. Conversely, if a plan submits a premium rate, which is substantially higher than the employer contribution rate, the employee contribution will be the difference between the total premium rate and the employer contribution rate in the plan's area.

The BOARD is convinced that the development of "constructive competition" among providers of health care services will have a positive impact on improving the health care delivery system. A health care plan with efficient, highly qualified providers, who effectively practices peer-review and utilization review, will draw patients away from inefficient providers by offering better service and/or lower premium costs. The eventual goal is to have comprehensive, alternate health plans available to all public employees within the geographic confines of the State of Wisconsin.

The following Guidelines describe the requirements, which an organization must satisfy in order to secure approval from the BOARD to participate under the State of Wisconsin's Group Health Benefit Program. They have been developed to explain and clarify the general requirements set forth under Wis. Stats. Subchapter IV of Chapter 40, and Chapters ETF 10 and 40, Wisconsin Administrative Code, Rules of the Department of Employee Trust Funds. Further, they set forth requirements, which are complementary to the statutory provisions contained in Wis. Stats. Chapters 150, 185 (185.981-.985), 600-646, and Public Laws 93-222 (the HMO Assistance Act of 1973) and 94-460 (Health Maintenance Organization Amendments of 1976) and other applicable state/federal health benefit law provisions.

Participation in the program is not limited exclusively to organizations, which are considered "qualified" by the federal government as a health maintenance organization (HMO). The BOARD is interested in providing public employees with the opportunity to enroll in any comprehensive health benefit program, which is able to demonstrate financial responsibility, a successful operating experience, and meets the requirements outlined in these Guidelines.

## **II. GENERAL REQUIREMENTS**

---

### **A. Statutory Authority to Contract**

Wis. Stats. Subsection 40.03 (6) (a), provides:

"(6) GROUP INSURANCE BOARD. The group insurance board:

(a) 1. Shall, on behalf of the state, enter into a contract or contracts with one or more insurers authorized to transact insurance business in this state for the purpose of providing the group insurance plans provided for by this chapter; or

2. May, wholly or partially in lieu of sub. 1, on behalf of the state, provide any group insurance plan on a self-insured basis in which case the group insurance board shall approve a written description setting forth the terms and conditions of the plan, and may contract directly with providers of hospital, medical or ancillary services to provide insured employees with the benefits provided under this chapter."

To be harmonious with the rest of the Guidelines and the requirement under section II below, that plans have broad-based community support, the BOARD will contract with only those plans which have received Commissioner of Insurance approval. CONTRACTS once approved, must be renegotiated annually if the plan is to be offered in succeeding years.

An organization interested in participating under the State of Wisconsin Group Health Benefit Program must meet the requirements of Wis. Stat. § 40.03 (6) (a) and these Guidelines before the BOARD will consider the plan.

### **B. Operating Experience**

Any organization which is eligible to contract with the Group Insurance BOARD, must have at least one (1) year of operating experience and must be able to demonstrate that the organization has broad-based community support. In determining the operating experience requirements, the BOARD shall consider the period of time elapsing from the date the organization first opens its door to the general public to render health care services to the date that such coverage would be effective for public employees.

To document the community support requirement, the plan must submit to the BOARD information on current enrollments, projected growth and historical data that would support the fact that the plan has experienced steady growth since its inception. The plan must provide a current listing of employer/employee groups participating under the program or actively sponsoring participation in the plan. If the plan is so large that providing a listing of each and every participating employer/employee group would be an inconvenience, the BOARD will accept a representative listing of 20 such organizations.

The BOARD may waive the one year operating experience and community support requirement(s) in those health service areas where the BOARD has determined there is a need for the promotion of innovative approaches to the delivery of health care such as the concept of direct provider contracting.

### **C. Financial Requirements**

Any organization determined to be eligible to contract with the Group Insurance BOARD must be able to demonstrate that the plan has the financial resources necessary to carry out its obligations to public employees and dependents who choose to be covered under the program.

The BOARD prefers to approve only those plans, which have reached the "break even point" and are now operating at a level where program income equals expenses. However, the BOARD will consider plans, which are not yet self-sufficient, if the plan provides evidence that it can meet its short and long-term financial obligations.

In determining financial stability, the BOARD will consider:

1. Financial soundness of arrangements for health care services.
2. Adequate working capital (both current and projected).
3. Insolvency protection for subscribers. Consisting of, for example: financial bonds, third party guarantees, reinsurance, deposits, automatic conversion rights, or other arrangements which are adequate to the satisfaction of the BOARD to provide for continuation of benefits until the end of the month in which insolvency is declared; for those persons hospitalized on or before the date of insolvency, benefits must continue until 12 months from the date of insolvency, the attending physician determines confinement is no longer medically necessary, discharge, or the contract maximum has been reached, whichever occurs first.

Such documentation of financial stability may include one or more of the following:

1. Federal qualification under Public Law 93-222 (Health Maintenance Assistance Act of 1973), or subsequent amendments.
2. Incorporation and regulation under the provisions of Chapter 185 and/or 600 through 646 of the Wisconsin Statutes pertaining to insurance plans.
3. Posting financial bond guaranteeing benefit payments in the event the plan fails to meet the continuing requirements for inclusion under the state program and is terminated, or the plan ceases operation. The size of the performance bond required will be based on the number of enrollees and premium income involved.
4. The plan has sponsors who are incorporated under Chapter 613 of the Wisconsin Statutes or otherwise possess an appropriate certificate of authorization to transact insurance business under Wis. Stat. § 601.04, and will guarantee future benefit payments.
5. Other documentation such as reinsurance as provided by Chapter 627 of the Wisconsin Statutes and as authorized by the Commissioner of Insurance. Terminations will be handled in a manner consistent with the intent of Wis. Adm. Code § INS 6.51 (6) and (7), Rules of the Commissioner of Insurance (register date December 1984).

6. The BOARD reserves the right on a case by case basis to request additional documentation of financial stability of a kind and in a form as appropriate.

Each plan must submit to the BOARD on an annual basis, information on its current financial condition including a balance sheet, statement of operations, financial audit reports (i.e., an annual audited financial statement by a certified public accountant in accordance with generally accepted accounting principles), and utilization statistics. (This information shall remain confidential insofar as permitted by Wisconsin Law.) Failure to file annual financial statements (prior to July 1 following the end of the preceding contract period) shall constitute sufficient grounds for the BOARD to deny future renewals, or consider the plan to be non-qualifying.

**D. Comprehensive Health Benefit Plans Eligible for Consideration**

1. The BOARD will only consider those plans, which provide benefit payments, or services which are, in whole or substantial part, delivered on a prepaid basis or which meet the requirement for preferred provider plans. The BOARD reserves the right not to contract with any plan whose premium is not satisfactory to the BOARD.
2. Plans that will be considered under these program Guidelines to be allowed in any service area include any of the following types of Organizations defined in Wis. Stats. § 609.01 (2) and (4):
  - a. Independent practice association HMO (IPA's).
  - b. Prepaid group practice HMO.
  - c. Staff model HMO.

Plans that will be considered under these Guidelines to be offered in any county also include:

- d. Point of service HMO (POS-HMO).
- e. Preferred Provider Plan (PPP).

Plans that embrace the characteristics of one or more of the type of organization models described above may be considered by the BOARD as meeting the definition of a comprehensive health benefit plan. Insuring organizations may not offer more than one of the above listed plan types in any geographic location. This allows organizations sufficient flexibility to develop innovative alternative plans while recognizing the BOARD'S need for administrative efficiency and protection of the competitive environment.

3. Each plan will offer health care coverage through a High Deductible Health Plan (HDHP) to all eligible PARTICIPANTS who have enrolled in a State sponsored Health Savings Account that meets all applicable state or federal requirements.
4. Plans must provide for the Wisconsin State Employees' and Wisconsin Public Employers' Program benefits and services listed in Section 4 – Uniform Benefits.

5. The BOARD strongly encourages HEALTH PLANS to adopt a system by which upon enrollment in the State of Wisconsin Group Health Benefit Program, SUBSCRIBERS and DEPENDENTS shall be required to select a primary care physician (PCP). Under such a system, the PCP furnishes primary care-related services, arranges for and coordinates referrals for all medically necessary specialty services, and is available for urgent or emergency care, directly or through on-call arrangements, 24 hours a day, 7 days a week. Primary care includes ongoing responsibility for preventive health care, treatment of illness and injuries, and the coordination of access to needed specialist providers or other services. The PCP shall either furnish or arrange for most of the PARTICIPANT'S health care needs, including well check-ups, office visits, referrals, outpatient surgeries, hospitalizations, and health-related services. The BOARD will reward plans that establish a well-documented and efficient PCP process that effectively leads to better care and lower cost by providing credit to a plan's composite score during annual negotiation at a level determined by the BOARD.
6. HEALTH PLANS must receive written approval from the DEPARTMENT prior to offering any financial incentive or discount programs to PARTICIPANTS. HEALTH PLANS must participate in collaboration efforts between the DEPARTMENT, its wellness and disease management vendor and the HEALTH PLANS. HEALTH PLANS must accept PARTICIPANT level data transfers from the DEPARTMENT'S wellness and disease management vendor. HEALTH PLAN must demonstrate, upon request by the DEPARTMENT, their efforts in utilizing the PARTICIPANT level data from DEPARTMENT'S wellness and disease management vendor to identify PARTICIPANTS appropriate for complex/chronic case management and enroll PARTICIPANTS in such HEALTH PLAN programs.

HEALTH PLANS must provide incentive payment information as specified by the DEPARTMENT for payroll tax purposes. Provider obtained biometric screenings as required by the DEPARTMENT'S wellness program shall be provided by the HEALTH PLAN at the PARTICIPANT'S request, for no cost to the PARTICIPANT, and at a minimum test: 1) glucose level; 2) body mass index (BMI); 3) cholesterol level; 4) blood pressure. Glucose and cholesterol screenings may be administered as non-fasting and in accordance with current U.S. Preventive Services Task Force (USPSTF) guidelines.

7. Plans must demonstrate, upon request by the DEPARTMENT, their efforts in encouraging and/or requiring network hospitals, providers, large multi-specialty groups, small group practices and systems of care to participate in quality standards and initiatives, including those as identified by the DEPARTMENT.
8. Plans must demonstrate, upon request by the DEPARTMENT, their support for the DEPARTMENT'S initiatives in monitoring and improving quality of care, such as collecting Healthcare Effectiveness Data and Information Set (HEDIS) measures and submitting quality improvement plans as directed by the DEPARTMENT. This may include providing actual contract language that specifies provider agreement or terms to participate in or report on quality improvement initiatives/patient safety measures and a description of their link, if any, to provider reimbursement.
9. Plans must provide the results of their annual Consumer Assessment of Healthcare Providers and Systems (CAHPS) survey to the DEPARTMENT as follows:

- a. Results must be based on responses from commercially insured adult plan members in Wisconsin;
  - b. Survey must be conducted by a certified CAHPS survey vendor;
  - c. Results must utilize the current version of the CAHPS Health Plan survey as specified by the National Committee for Quality Assurance (NCQA) guidelines at the time the survey is administered;
  - d. Results must be for each standard NCQA composite;
  - e. Plans must submit timely results in a file format as specified by the DEPARTMENT;
  - f. Plans must submit separate results for each of its service areas, if available.
10. Plans are expected to fully incorporate available pharmacy claims data into data reporting, including, but not limited to, HEDIS data, Wisconsin Health Information Organization (WHIO) claims data, information requested on the disease management survey and catastrophic claims data, and information received from health risk assessments. Where appropriate, such as for the catastrophic claims data report, plans are expected to separate out pharmacy claims from the DEPARTMENT'S pharmacy benefit manager from any pharmacy claims that are paid by the plan.
11. HEALTH PLANS must submit claims data for all PARTICIPANTS, for all claims processed for dates of service from January 1, 2014 through December 31, 2017, to the DEPARTMENT'S data warehouse in the file format and frequency specified by the DEPARTMENT in the Claims Data Specifications document (Addendum 3). HEALTH PLANS must also submit provider data for providers under contract anytime from January, 2014 through December, 2017, to the DEPARTMENT'S data warehouse in the file format and frequency specified by the DEPARTMENT in the Provider Data Specifications document (Addendum 4). HEALTH PLANS that submit incomplete data maybe subject to sanction by the BOARD, as described in Section 2.4 (5) of the State Contract.
12. Plans must demonstrate effective and appropriate means of monitoring and directing PARTICIPANT'S care by participating physicians, such as Utilization Review (UR), chronic care/disease management, prior authorizations for high-tech radiology and low back surgery, and wellness/prevention. Each plan shall report annually to the BOARD its utilization and disease management capabilities and effectiveness in improving the health of PARTICIPANTS and encouraging healthy behaviors, demonstrating support for technology and automation (e.g., automated diabetic registry, electronic medical records, etc.) in the format as determined by the DEPARTMENT. Plans shall also include a report detailing the State of Wisconsin group experience by disease and risk categories, place of services along with comparisons to aggregate benchmarks and any other measures the plan believes will be useful to DEPARTMENT staff and the BOARD in understanding the source of cost and utilization trends in a format as determined by each plan.

Examples of the minimum UR procedures that participating alternate health plans should have in place include the following:

- Written guidelines that physicians must follow to comply with the plan's UR program for IPA model HMOs.
- Formal UR program consisting of preadmission review, concurrent review, discharge planning and individual case management.
- Established procedures for review determinations, including qualified staff (e.g., primary reviewer is licensed nurse), physician reviews all program denials and patient appeals procedure.
- Authorization procedure for referral to non-plan providers and monitoring of physician referral patterns.
- Procedure to monitor emergency admissions to non-plan hospitals.
- Retrospective UR procedures to review the appropriateness of care provided, utilization trends and physician practice patterns.
- If PARTICIPANTS are required to select a primary care provider or primary care clinic, have a process to allow a PARTICIPANT to change providers in a reasonable time and to communicate to the participant how to make this change. Plans will assist in location of a provider and facilitate timely access, as necessary.
- If PARTICIPANTS are identified as having a disease and/or condition that would place them into a moderate or high risk category as determined by the HEALTH PLAN, have a process to enroll the PARTICIPANTS into the appropriate wellness, disease management, or chronic care management programs. The HEALTH PLAN must coordinate this effort with the program(s) offered by the DEPARTMENT'S wellness and disease management vendor.
- Prior authorization procedures for referrals to orthopedists and neurosurgeons associated directly or indirectly with the plan for PARTICIPANTS with a history of low back pain who have not completed an optimal regimen of conservative care. Such prior authorizations are not required for PARTICIPANTS who present clinical diagnoses that require immediate or expedited orthopedic, neurosurgical or other specialty referral.
- Prior authorization procedures for high-tech radiology tests, including MRI, CT scan, and PET scans.

In its report, the plan must certify that these (or equivalent) procedures are in place. Failure to provide effective UR may be grounds for non-qualification or non-participation.

13. Plans must provide a credible Shared Decision Making (SDM) program for low back pain surgery consistent with the prior authorization requirement to all PARTICIPANTS and may collaborate with providers or a vendor to do so. Plans must utilize Patient Decision Aids (PDA) according to International Patient Decision Aids Standards (IPDAS). The SDM process must also include an opportunity for members to discuss a particular intervention with their primary care provider, care manager, health educator or a vendor who is trained to have a discussion after the member has reviewed the PDA. Upon

request by the DEPARTMENT, plans must report annual patient utilization rates and program impacts in accordance with DEPARTMENT guidance. Plans are required to administer a patient satisfaction survey to all SDM participants, based on requirements provided by the DEPARTMENT. Upon request by the DEPARTMENT, plans must report the number of surveys administered as well as the results of the survey, including verbatim comments/feedback as applicable.

14. HEALTH PLANS and their contracting providers must provide a credible ADVANCE CARE PLANNING program that includes hospice care and a palliative care consultation in a manner that is consistent with the Disease Management initiatives of the DEPARTMENT. HEALTH PLANS must offer ADVANCE CARE PLANNING and/or a palliative care consultation to members with a serious disease and/or a likely survival of less than twelve months.
15. With the intent of reducing hospital admissions, plans must demonstrate, upon request by the DEPARTMENT, their efforts at contacting PARTICIPANTS who have been discharged from an in-patient hospital stay greater than twenty-four (24) hours and who have been diagnosed with heart failure, myocardial infarction, pneumonia, or any other high-risk health condition as specified by current Disease Management Guidance as issued by the DEPARTMENT, within 3-5 business days after the PARTICIPANT is initially discharged from the hospital. Plans may coordinate with a hospital or provider group in order to contact these PARTICIPANT.
16. Plans must cover emergency and urgent care and related catastrophic medical care received from plan or non-plan providers at the in-plan level of benefits. The emergency room copayment is applicable if the PARTICIPANT is not admitted to the hospital. This out-of-service area care may be subject to usual and customary charges while holding the PARTICIPANT harmless as described in Section II., E., 5. unless the PARTICIPANT accepted financial responsibility, in writing, for the specific treatment or services (i.e., diagnosis and/or procedure code(s) and related charges) prior to receiving services. Plans shall make every effort to settle claim disputes in a reasonable time frame. Plans affiliated with larger nationwide networks may offer coverage through affiliated plan networks as long as there is no additional cost to the plan or PARTICIPANT for doing so.
17. Plans must provide SUBSCRIBER written notification of how to enroll in a conversion policy set forth in Wis. Stat. §632.897 and/or Marketplace plan in the event of termination of employment.
18. Plans must agree to participate in the regular "DUAL-CHOICE" enrollment offering. A regular DUAL-CHOICE enrollment offering is scheduled approximately 90 days prior to the end of each contract period. During such DUAL-CHOICE enrollments the plan will accept any individual (active employee, CONTINUANT or retiree) who transfers from one health plan to another without requiring evidence of insurability, or waiting periods, or exclusions for pre-existing conditions as defined in Wis. Adm. Code § INS 3.31 (3) and any eligible employee or state retiree under Wis. Stat. § 40.51 (16) who enrolls. In certain situations, for example, when the Centers for Medicare and Medicaid Services does not allow an enrollment due to an individual's residence in a given area, a plan is not required to accept the individual. Any individual who is confined as an inpatient at the time of such transfer shall become the liability of the succeeding plan unless the facility in which the PARTICIPANT is confined is not part of the succeeding plan's network. In

this instance, the liability will remain with the previous insurer. The new plan shall assume liability for any subsequent services as provided for in 3.18 (3) of the Contract.

However, if a plan becomes insolvent, experiences a significant loss of primary physicians and/or hospitals or no longer meets the minimum criteria for qualification in that county, or if the BOARD so directs due to an unapproved change of ownership, merger or acquisition, the DEPARTMENT may close the plan to new enrollments, authorize a special enrollment period so that SUBSCRIBERS in that service area may change to another plan without waiting periods for pre-existing conditions, or both. The special enrollment period authorized by the BOARD may either require all employees insured by the plan to elect coverage under another plan or allow all employees insured by the plan the option to continue to be insured by the plan or to elect coverage under another plan.

19. Each plan will offer the uniform benefit level provided public employees under the standard health benefit coverage. Each plan must meet any and all applicable state or federal requirements concerning benefits and cost-sharing which may be imposed on the State of Wisconsin as an employer, the plan as an insurer, or a federally qualified health benefit program. Rate adjustments, if any, required for such mandated benefit payments will occur on January 1 after the next contract period begins unless otherwise mutually agreed to in writing.

Each plan will offer the uniform benefit level to ANNUITANTS. With respect to ANNUITANTS eligible for Medicare, each plan will offer the uniform benefit and carve-out the benefits paid by Medicare so that ANNUITANTS on Medicare receive the same uniform benefit level as provided active employees except that premium for ANNUITANTS on Medicare is reduced.

20. Contracting organizations must participate in both the state group and the local public employer group.
21. The BOARD may allow plans that have substantially but not completely met the requirements of these Guidelines to participate as a health care plan provider, but not be considered "qualifying" for purposes of establishing the employer contribution toward premium when the contribution is based on a percentage of the lowest / average cost qualified plan. The reasons a plan may be considered "non-qualifying" shall include, but not be limited to:
  1. Failure to submit required information in the format specified by the department,
  2. Insufficient provider coverage in a service area (determined by the BOARD),
  3. Failure to provide the benefit level as described in Section II. D., 3,
  4. Failure to substantiate premium rate proposals, or
  5. Failure to comply with the contract.
22. Non-qualifying plans. This section applies only to those for whom contributions are based on a percentage of the lowest / average cost qualified plan. Local government employers must pay at least 50% but not more than 105% of the lowest cost / 88% of

the average cost qualified plan in the employer's area (except for eligible employees who work less than half-time for whom the minimum contribution shall be at least 25% of premium). Local government employers who determine the employee premium contribution based on the tiered structure established for state employees must do so in accordance with Wis. Adm. Code § ETF 40.10. The county of the employer is considered the service area for local employers. At the request of a participating employer, the Department will review the service area used to determine the least / average cost qualified plan used for determining the employer's maximum premium contribution. If the Department reviews the service area, the least / average cost plan will either be based on the zip code locations that include at least 80% of the covered employees of the participating employer, or, when an employer has offices in multiple counties, the least / average cost plan is determined by the county office to which the employee reports to work. Once the Department has made such an assessment, that service area will determine the least / average cost plan until it is demonstrated that there has been a significant change in employee residency and the area no longer meets the 80% criteria. A non-qualifying plan approved by the BOARD for participation in the State of Wisconsin Group Health Benefit Program may market its plan in any area. However, only the lowest / average cost qualified plan's premium rate would be used in the above calculations. No plan may qualify for determining employer contributions in its first year of operation under the BOARD's program. Preferred Provider Plans (PPP) are not qualified in areas served by SMP. The service area for PPPs will be considered the subscriber's county of residence.

The Standard Plan premium rates for state employees will be the same statewide. However, premium rates for the Standard Plan for the local government program will depend upon the geographic location of the municipality. The ratio is to be determined annually by the BOARD's actuary.

23. Subscriber premium payments will be arranged through deductions from salary, accumulated sick leave account (state employees only), or annuity. For all other subscribers, premiums will be paid directly to the plan and plans must notify the Department of subscribers terminating or reinstating coverage as described in Section II., J.
24. In order to maintain family coverage that is in effect at the time of a subscriber's death, the Department may split sick leave credits between multiple surviving insured dependents upon request by the surviving spouse or a surviving dependent.
25. Plans will provide and receive all reasonable requests for data and other information as needed in a file format as identified by the Department after seeking input from plans. This includes requests for the pharmacy benefit manager to administer the pharmacy benefit program. Data file requests containing personal health identifiers must be submitted via the Department's secure FTP site, unless otherwise directed by the Department.
26. Each plan must submit all medical and prescription drug claims (except Medicaid) data to the Wisconsin Health Information Organization (WHIO) for the plan's commercial and Medicare lives residing in Wisconsin at a minimum. Claims shall be submitted to WHIO in a manner compliant with WHIO requirements.

27. Plans shall not recoup any payments it has made for prescriptions filled by participants on and after January 1, 2004.
28. PPPs and Point of Service plans (POS) may have different copayment and deductible schedules for out-of-plan providers, except in the case of emergency, urgent care or when the service is not reasonably available from a plan provider. If the PARTICIPANT resides in a plan's qualified county, the PPP and POS must consider the PARTICIPANT'S physical capability to travel the necessary distance to see a specialty plan provider when determining if that plan provider is reasonably available.
29. If the PARTICIPANT receives anesthesiology, radiology or pathology (includes all lab tests) services at a plan clinic or hospital, it will be covered at the in-plan level of benefits even if that care is not provided by a plan provider. The only exception is when the PARTICIPANT knowingly elects to receive such care through a non-plan provider.
30. The plans shall comply with Wis. Stat. § 628.46 with regard to any interest due for late payment of claims submitted by a non-plan provider.
31. The plans shall comply with and abide by the Patient's Rights and Responsibilities as printed in the annual Dual-Choice brochure. Plans that have their own Patient's Rights and Responsibilities may also use them unless there is a conflict. In that case the Patient's Rights and Responsibilities which is more favorable to the PARTICIPANT will apply.
32. The plans shall comply with all state and federal laws regarding patient privacy and shall assist the BOARD in complying with all requirements of the Early Retiree Reinsurance Program as specified in 45 C.F.R. 149.35.

#### **E. Provider Agreements**

Any organization seeking approval under these Guidelines must provide the following information:

1. If professional services are provided through contractual arrangements, such as an Independent Practice Association (IPA), a sample copy of the actual contractual agreement established between the organization and the participating physicians who will be providing professional services. If more than one type of contract is used then include a sample of each.
2. Detailed explanation of any relationship between the plan and hospitals which would be involved under the State of Wisconsin Group Health Benefit Program. Each applicant must specify whether there is a contractual relationship between the plan and the hospital(s) involved or if the relationship is limited only to the extent that physicians providing services under the program have staff privileges with the hospital(s).
3. Detailed explanation of how physicians and hospitals are compensated under the program including a description of any and all incentives involved. If physicians are salaried, a detailed explanation of how salaries are established, reviewed and changed, and who is the authorizing party for such action. The intent is to secure information on how a plan reimburses its providers; the BOARD is not interested in specific fees or salary information.

4. Detailed explanation of medical specialties associated directly or indirectly with the plan. For those plans where medical specialists are used as referral physicians rather than primary care, the plans must submit documentation to demonstrate that the referral physician(s) has, in fact, agreed to accept such referrals. If there is a contractual arrangement where an organization has contracted with a clinic/individual practitioner to provide either primary or referral care, such contractual agreements must be identified and included with the proposal.
5. Except for those benefits which require the enrollee to satisfy a deductible or be subject to copayment, the contract for professional or hospital services must contain a provision whereby the physician and/or hospital and/or health care provider (as defined under Wis. Stat. § 655.001 (8)) agrees to accept the payments provided by the plan as full payment for covered services. Each plan must certify that it will "hold harmless" the enrollee from any effort(s) by third parties to collect payments for medical/hospital services.

This provision shall be considered as satisfied if arrangements have been made which prevent the enrollee from being held liable for hospital or professional charges except for those benefits which require the enrollee to satisfy a deductible; be paid on a copayment basis; or in those instances where the individual failed to comply with published requirements for seeking medical care. Unauthorized referrals or the use of non-participating hospitals or medical personnel in violation of published plan requirements shall not be subject to the "hold-harmless" provision.

6. Provider agreements for transplants are expected to specify that re-transplantation due to immediate rejection that occurs within the first 30 days of a transplant shall be covered and is not subject to the Uniform Benefits exclusion on re-transplantation.
7. Plans are expected to incorporate into hospital and provider agreements the guidelines as described by Medicare that limit reimbursement for adverse events and preventable errors.
8. Plans are expected to incorporate into hospital and provider agreements the hospital readmissions reduction program and the community-based care transitions program as described by Medicare and that are conducted under the authority of Sections 3025 and 3026.

#### **F. Capital Equipment and Expenditures**

Each applicant must provide in its proposal a detailed explanation of how capital equipment and expenditures for the facility are authorized. If your organization is not specifically providing services but rather, functioning as a sponsor, include within your proposal the following statement:

"Item F. of the Guidelines is not applicable to this organization. The purchase of capital equipment, etc., is not subject to review by either the state or federal health agencies."

If the approval of capital equipment and expenditures is subject to review by state and/or federal agencies, the applicant should provide information on all reporting requirements.

## **G. Enrollment and Reporting**

If an organization submits a proposal to participate under the State of Wisconsin Group Health Benefit Program and the proposal receives approval by the BOARD, the plan will be offered to active and retired public employees at a time established by the BOARD (dual-choice enrollment) subject to the following:

1. Any plan, which receives approval from the Group Insurance Board, must:
  - a. Secure a minimum of 100 subscriber contracts (state/local employees enrolled; this number does not include any dependents covered under the plan) or;
  - b. Demonstrate that 10% of the eligible employees within the area to be serviced by the plan have opted to participate in the program.
2. The BOARD may waive the minimum participation requirement set forth under Section II., G., 1. provided the organization submits a marketing plan which demonstrates that this minimum number of contracts will be obtained at some future date. The marketing proposal should include some evidence that the benefit plan has been accepted to a similar extent by employees of other groups and the location is convenient to potential subscribers. This marketing plan will be considered confidential by the BOARD insofar as permitted by Wisconsin Law.

As stated previously, each plan so approved will be required to offer annually, a "dual-choice enrollment" opportunity. The BOARD establishes when such dual-choice enrollment periods will be held. Each plan will be required to prepare informational materials in a form and content acceptable to the BOARD and clearly indicate any changes from the previous year's materials when submitting draft materials to the DEPARTMENT.

3. Each organization must demonstrate to the BOARD's satisfaction its ability to provide the following:
  - a. The specified level of services to enrollees.
  - b. An adequate mechanism for maintaining records on each enrolled employee and covered dependents, including but not limited to, initial determination of eligibility for dependents for disabled and full-time student status.
  - c. Effective methods for containing costs for medical services, hospital confinements or any other benefit to be provided. Particular emphasis should be placed on the presence of an effective peer review mechanism and utilization review mechanism for monitoring health care costs. The BOARD is also particularly interested in COB (Coordination of Benefit) provisions such as third party requests, dual-coverage under different plans, etc.
  - d. An effective mechanism for handling complaints and grievances made by enrollees.
    - 1) This includes a formal grievance procedure, which at a minimum complies with Wis. Adm. Code § INS 18.03, whereby the individual is provided the opportunity to present a complaint to the organization and the organization will consider the

complaint and advise the enrollee of its final decision. Enrollees must be advised of the grievance process when a claim or referral is denied or if the enrollee expresses, in writing, dissatisfaction with the administration or claims practices or provision of services by the plan. In all final grievance decision letters, the HEALTH PLAN shall cite the specific Uniform Benefit contractual provision(s) upon which the HEALTH PLAN bases its decision and relies on to support its decision.

- 2) When necessary, the BOARD intends to take a proactive approach in resolving complaints. The plan will be expected to cooperate fully with the efforts of the DEPARTMENT in resolving complaints. Adverse decisions are subject to review by the BOARD for contractual compliance if the employee is not satisfied with the plan's action on the matter.
  - 3) The plan must retain records of grievances and file an annual summary (see schedule in Section II., J.) with the BOARD of the number, types of grievances received and the resolution or outcome. The annual summary report will contain data and be in a format established by the Department of Employee Trust Funds.
- e. Statistical report(s) showing utilization and claims data on the plan as a whole (if community rated), or specifically the state/local employees and DEPENDENTS covered thereunder if experience rated. If the plan premium is community-rated then the plan should give some indication of the percentage the state and local employee groups represent of the total covered community. The BOARD will require each plan to provide an explanation of rate methodology and the rate calculation developed by the HEALTH PLAN'S actuary or consultant along with supporting documentation deemed necessary by the BOARD's actuary. The BOARD will also require enrollment information on state enrollees by age, sex, single or family coverage of PARTICIPANTS. Such information will be required once each year (per Section II., C.) and shall be treated as confidential by the BOARD in accordance with Wisconsin and federal law.
  - f. An adequate mechanism for handling medical costs and services provided to an enrolled individual in the event of an emergency, which occurs out of the service area.
  - g. Compliance with state and federal regulations pertaining to mandated or minimum benefits which may be applicable to the plan (under insurance statutes or otherwise).
  - h. Unless a benefit is being changed or added to the plan to comply with state or federal law, no benefit changes shall occur during the contract period unless the BOARD initiates the proposed changes.
  - i. A written description which will provide state and local employees with a clear explanation of pre-authorization and referral requirements. Such brochure shall be prepared and set forth in lay language for ease of understanding, and in a form and content acceptable to the BOARD and will be provided to the employee within 30 days of the effective date of coverage or the date the plan receives the employee's application, whichever is later.

- j. Provide at least annually the names of individuals in the organization who are considered "key contacts." Key contacts are the names and telephone numbers of the chief executive officer and the liaison person with the Department of Employee Trust Funds. Also those persons who should be contacted by the various state agencies and local employers regarding claims problems, complaints and grievances and ordering supplies. Further, each plan must identify one person who will be designated as a "key contact" for the Employee Assistance Program Coordinators to ensure proper assessment, coordination and treatment for PARTICIPANTS who request referral to a facility for alcohol, drug and/or mental health problems.
- k. Notification of significant event:
- 1) Each plan shall notify the BOARD in writing of any "Significant Event" within ten (10) calendar days after the plan becomes aware of it. (In the event of insolvency, the BOARD must be notified immediately.) As used in this provision, a "significant event" is any occurrence or anticipated occurrence that might reasonably be expected to have a material effect upon the plan's ability to meet its obligations under the State of Wisconsin Group Health Benefit Program , including, but not limited to, any of the following: disposal of major assets; loss of 15% or more of the plan's membership; termination or modification of any contract or subcontract if such termination or modification will have a material effect on the plan's obligations under the State of Wisconsin Group Health Benefit Program ; the imposition of, or notice of the intent to impose, a receivership, conservatorship or special regulatory monitoring; the withdrawal of, or notice of intent to withdraw, state licensing or certification, United States Department of Health and Human Services (HHS) qualification or any other status under state or federal law; default on a loan or other financial obligations; strikes, slow downs or substantial impairment of the plan's facilities or of other facilities used by the plan in the performance of this CONTRACT.
  - 2) In addition, any change in the ownership of or controlling interest in the plan, any merger with another entity or the plan's acquisition of another plan which participates in the State of Wisconsin Group Health Benefit Program is a "significant event." A change in ownership or controlling interest means any change in ownership that results in a change to or acquisition of majority (51%) interest in the plan or any transfer of 10% or more of the indicia of ownership, including but not limited to shares of stock. The plan agrees to provide to the BOARD at least 60 days advance notice of any such event. The BOARD may accept a shorter period of notice when it determines the circumstances so justify. If the BOARD determines that the change of ownership or control, merger or acquisition is not in the best interests of the State of Wisconsin Group Health Benefit Program and insured employees, the BOARD may do any of the following, including any combination of the following:
    - a) Terminate the plan's participation upon any notice it deems appropriate, including no notice.
    - b) Authorize a special enrollment period and require that each subscriber enrolled in that plan change to another plan. No plan may impose a waiting period for pre-existing conditions with respect to such special enrollment periods.

- c) Authorize a special enrollment period so that a subscriber enrolled in that plan may voluntarily change to another plan. No plan may impose a waiting period for pre-existing conditions with respect to such special enrollment periods.
  - d) Close the plan to any new enrollments for the remainder of the contract period.
  - e) Require that prior to making a selection between plans, prospective subscribers be given a written notice describing the BOARD's concerns.
  - f) Take no action.
- 3) The BOARD requires the information concerning any change in ownership or controlling interest, any merger or any acquisition of another participating plan in order to fulfill the BOARD's responsibility to assess the effects of the pending action upon the best interests of the State of Wisconsin Group Health Benefit Program and insured employees. The BOARD pledges to keep the information disclosed as required under par. (b) temporarily confidential unless the plan waives confidentiality or a court orders the DEPARTMENT or BOARD to disclose the information or the DEPARTMENT or BOARD determines that under the particular circumstances, any harm to the public interest that would result from permitting inspection is outweighed by the public interest in immediate inspection of the records. The BOARD also agrees to notify the plan of a request to disclose the information as a public record prior to making such disclosure, so as to permit the plan to defend the confidentiality of the information. Information disclosed by a plan concerning any change in ownership or controlling interest, any merger or any acquisition of another participating plan will be treated as a public record beginning on the earliest of the following dates:
- a) The date the pending change in ownership or controlling interest, any merger or any acquisition of another participating plan becomes public knowledge, as evidenced by public discussion of the action including but not limited to newspaper accounts.
  - b) The date such action becomes effective.
  - c) 60 days after the BOARD receives the information.
- 4) The BOARD shall reserve the right to institute action as it deems necessary to protect the interests of its employees and dependents, as the result of a "significant event."
- I. Agree to utilize identification numbers (group and subscriber) according to the system established by the Department of Employee Trust Funds. Identification numbers must not correlate to Social Security numbers. Social Security numbers may be incorporated into the subscriber's data file and may be used for identification purposes only and not disclosed or used for any other purpose. Plans must always keep record of Social Security numbers for providing data and other reports to the

DEPARTMENT and track the 8-digit unique member identification number that is assigned by the DEPARTMENT.

- m. The plan's provider network must comply with the access standards set forth in WI Adm. Code § INS 9.32.
- n. Provide coverage for eligible children as required under the National Medical Support Notice, a State and Federal law providing for a special enrollment opportunity for eligible children in certain cases when ordered by a court.

#### **H. Rate-Making Process**

Each plan must include in its proposal to the BOARD a detailed explanation as to how initial premium rates were determined, and how premium rates will be determined for subsequent periods. The organization shall identify whether the rate which will be proposed represents a community rate (factored or not factored for different time periods or for different benefit provisions) or as a projection of claims/benefits based on expected experience of the state/local group or other groups, etc. This information will be treated confidential by the BOARD insofar as permitted by Wisconsin Law. Rates shall be uniform statewide, except that plans may submit different rates which result from mutually exclusive provider networks in separate geographic locations. Plans are encouraged to separate higher cost providers within geographic areas under the tiered structure into separate plans. The state and local groups must be separately rated in accordance with generally accepted actuarial principles. The local group is to be rated as a single entity for each plan. Plans shall provide rates for each of the program options for the local group. Plans shall not provide claims or other rating information to individual local employers participating in the program.

The proposal should also include an explanation of how adverse or favorable experience would be reflected in future rates. The DEPARTMENT reserves the right to audit, at the expense of the plan, the addendum and the other data the plan uses to support its bid. A bid based on data which an audit later determines is unsupported subject to re-opening and re-negotiating downward.

Any health plan approved by the BOARD will be subject to the provisions of Wis. Stats. Chapter 40, and the rules of the Department of Employee Trust Funds. **The BOARD reserves the right to reject any plan's bid when the BOARD believes it is not in the best interests of the State of Wisconsin Group Health Benefit Program.** The BOARD reserves the right to reopen the bid process after final bids are submitted when the BOARD determines that it is in the best interests of the State of Wisconsin Group Health Benefit Program. The BOARD limits plans to the following premium categories, and each plan to be qualified must provide coverage for each premium category:

- Individual (Employee Only)
- Family (Employee Plus Eligible Dependents)
- High Deductible Health Plan (HDHP) Option for eligible non-Medicare individual and family health insurance premium rates.

- Medicare Coordinated
    - Individual
    - Family 2 (all insureds under Medicare)
    - Family 1 (at least 1 under Medicare, at least 1 other not under Medicare)
  - Graduate Assistants<sup>1</sup>:
    - Individual
    - Family
  - Deductible, Coinsurance and HDHP Options for Local Program
    - Individual
    - Family
1. Family rates (regular coverage) must be 2.5 times the individual rate.
  2. Medicare Coordinated Coverage: Individual rate must be justified by experience and may not exceed the calculated rate in Table 7 of Addendum 1 without written justification. It may not exceed 50% of the single rate for regular coverage, unless determined by the BOARD's actuary to be lower; Medicare family 2 eligible rate shall be 2 times the individual Medicare coordinated rate; Medicare family 1 rate (1 under Medicare, 1 or more not eligible), shall be the sum of the individual rate (regular coverage) and individual rate (Medicare eligible).
  3. Graduate Assistants: Individual rate must be within a range of 65% to 75% of the individual regular coverage rate; family rate must be within a range of 65% to 75% of the family regular coverage rate. It may not exceed the calculated rate in Table 7 of Addendum 1 without written justification.
  4. Deductible, Coinsurance and HDHP Options for Local Program: The ratio is to be determined annually by the BOARD's actuary based on the relative value of these plans to the Traditional plan.
  5. Local Program: Rates must be no greater than 1.5 times the rate for the state program unless the local group is sufficiently large that the rate is justified by experience, as determined by the BOARD's actuary.
  6. The BOARD will consider rate proposals outside of these standards if the variation is supported by evidence of genuine demographic differences other than age or sex, or is required by federal or state HMO regulations to be community-rated. Otherwise, aberrations will be adjusted by the BOARD upward or downward to the nearest within range percentage to conform with these Guidelines. Additional data may be required on different subgroups (COBRA participants, for example) throughout the contract year.

### STATE OF WISCONSIN ACTUARIAL DATA REPORT GENERAL TABLE DESCRIPTION

Based upon the membership, experience data, trend assumptions, and assumed administrative costs provided, the data and calculations provided in TABLES 1-15 of the Addendum 1 utilization and experience data request calculate prospective premium rates for calendar year 2017. Any plan for which proposed calendar year 2017 premium rates differ from those developed in Addendum 1 TABLES 1-15 will be required to submit its justification and applicable renewal calculation.

#### TABLE 1 - MONTHLY ENROLLMENT AND PREMIUMS

TABLE 1 will calculate average contract size and contract mix figures based upon data provided. The number of member months and contracts for the period 1/1/2015-3/31/2016 should be input for single coverage in Columns B and C and for family coverage in Columns D and E.

The contractual premium rates by coverage tier should be entered on line 30. Row 31 should be the dental benefit component of the premium applicable to the prior dental benefit. Row 32 should include any other adjustments that may have been made to the contractual premium rates. The net premium is calculated on row 33 as row 30 less rows 31 and 32.

The remainder of the worksheet will auto calculate, including rows 43-44 that calculate average contract size and mix for single and family coverage.

## TABLE 2 - ENROLLMENT AND MEMBER MONTHS BY AGE AND SEX

➤ Report Period

➤ Total Number of Days

For hospital inpatient services, the total number of hospital days rendered for all members during the Report Period.

In other words, the experience should not include any participant/member liabilities such as copayments, coinsurance or deductibles. The experience should also not include any adjustments for incurred but not reported claims; see Incurred Claim Factor below.
- Total Number of Member Months  
The Total Number of Member Months is the number of months each member and dependent is eligible for benefits during the Report Period. Please note that this cell is linked to the total 4/1/2015-3/31/2016 member months from TABLE 1.
- Annual Admissions Per 1,000  
For hospital inpatient services, calculated as the total Number of Admissions divided by the Total Number of Member Months, times 12,000.
- Annual Days Per 1,000

➤ Number of Runout Months

This is the number of months of experience that have been included in Paid Charges beyond the specific incurred Reporting Period of 4/1/2015-3/31/2016. For example, if a plan includes experience for claims that were incurred from 4/1/2015-3/31/2016 and paid through 5/31/2016, the Number of Runout Months would equal two, and the Incurred Claim Factor should be reflective of the Number of Runout Months.

Incurred claims will be calculated as (1 + Incurred Claim Factor) multiplied by the Paid Charges. This represents the total amount of claims that have been incurred in the Reporting Period.

➤ Total Capitation Paid

### 13. Other Services

This line item would include all services that have not been allocated to any of the above line items.

The Total FFS Incurred Claim Factor and the Number of Runout Months should be input at the bottom of this section.

Note that there are a number of calculated fields in this section that are self-explanatory.

## TABLE 4 - PAID CLAIMS AND ENCOUNTER EXPERIENCE BY MONTH

TABLE 4 requests medical fee for service claims, capitation encounter data and capitation payments by month for the period 1/1/2015-3/31/2016.

Claims and encounter data should be entered for the six main service categories consistent with TABLES 3A & 3B: Hospital Inpatient, Hospital Outpatient, Other Facility, Physician, Other Services and Additional Services. There are separate columns for fee-for-service and encounter data. Data entered by month should not include any incurred claim completion factors.

Additional input is required for total actual capitation payment by month for the same period.

## TABLE 5 - MEDICAL TREND ASSUMPTIONS

TABLE 5 requests information regarding the trends used in the rate development. **NOTE: The trend periods used in the calculations are listed at the top of the table.**

**Step I** shows the calculation of the weighted trend for fee-for-service costs. The weighted trend is the trend assumed by the carrier from the midpoint of the experience period to the midpoint of the rating period. Prepare separate tables for each period. Prepare one table for 2015-2016 and another table for 2016-2017 annual trends.

The first column lists the major categories by type of service, which are the same as those shown in the applicable experience table (TABLE 3A or 3B).

The second and third columns represent trend factors for cost and utilization. Estimates of these factors need to be input for both trending periods.

The fourth, fifth, and sixth columns are automatically calculated fields which develop an overall trend factor for both rating periods.

**Step 2** calculates the two year weighted trend for fee-for-service costs. The aggregate trend is calculated by multiplying the sum of one plus the weighted trend for the first period (for only 9 months) times the sum of one plus the weighted trend for the second period.

**Step 3** requests the aggregate trend for capitated services.

The first column lists the major categories by type of service, which are the same as those shown in the applicable experience table (TABLE 3A or 3B).

The second column requests the projected annual trend for 2015-2016.

The third and fourth columns automatically calculate an overall weighted annual trend for 2015-2016 based on the trend input and the distribution of capitated service categories.

The fifth, sixth and seventh columns are similar to columns one, two and three and four as described above. However, plans should enter projected annual trend for 2016-2017 in the fifth column.

The two year weighted trend for capitated services is then calculated. The aggregate trend is calculated by multiplying the sum of one plus the weighted trend for the first period times the sum of one plus the weighted trend for the second period.

**Step 4** is where the carrier should explain any special circumstances which may have caused the trends to be unusually high or low.

#### **TABLE 6 - MEDICAL ADMINISTRATIVE EXPENSES AND OTHER PMPM COSTS**

TABLE 6 requires a breakdown of the administrative expenses and any other miscellaneous costs included in the rate development.

##### **Medical Administrative Expenses:**

The first column lists a detailed description of the different expense categories requested.

The second column is the 2015 PMPM cost for the expense category.

The third column is the PMPM cost that was included in the 2016 rate calculation.

The fourth column is the estimated PMPM cost included in the 2017 rate calculation.

### **TABLE 7 - REQUIRED PREMIUM PMPM**

TABLE 7 uses the information provided on TABLES 1 - 6 to calculate the required premium per member per month for calendar year 2017. Please note that these automatically calculate and plans are not required to input data.

Line 1 - is the grand total amount of fee-for-service claims cost PMPM for the experience period as shown in TABLE 3A. This amount includes the incurred claim factor supplied to bring the claims to an incurred level.

Line 2 - is the aggregate fee-for-service trend factor as shown in TABLE 5.

Line 3 - is the claims cost trended to the rating period, which is calculated by multiplying Line 1 by Line 2.

Line 4 - is the total capitation cost PMPM from TABLES 3A and/or 3B.

Line 5 - is the aggregate capitated services trend factor from TABLE 5.

Line 6 - is the total capitation cost trended to the rating period and is calculated by multiplying Line 4 by Line 5.

Line 7 - is the total estimated 2017 administrative cost PMPM as shown on TABLE 6.

Line 8 - is the required medical premium PMPM and is calculated by adding lines 3, 6 and 7.

### **TABLE 8 - 2017 CALCULATED RATES**

TABLE 8 includes information from TABLES 1 through 7 to automatically calculate the single and family rates.

**Step 1 details the calculation of the conversion factor used to convert the required premium per member per month to single and family rates.**

Line 1, Column B - is the contract mix from TABLE 1, row 44 Column B.

Line 2, Column B - is the contract mix from TABLE 1, row 44 Column C.

Line 3, Column B - is the sum of the contract mix for single and family, which must equal 100%.

Line 1, Column C - is the average contract size for single from TABLE 1, row 43 Column B.

Line 2, Column C - is the average contract size for family from TABLE 1, row 43 Column C.

Line 3, Column C - is the average contract size in total from TABLE 1, row 43 Column D.

Line 1, Column D - is the rate ratio for single of 1.0.

Line 2, Column D - is the rate ratio for family of 2.0 for Medicare, 2.5 for non-Medicare.

Line 3, Column D - is the weighted average rate ratio in total for single and family.

Line 1, Column E - is the conversion factor for single and is derived by dividing the total average contract size by the total rate ratio.

Line 2, Column E - is the conversion factor for family and is derived by multiplying the conversion factor for single by the rate ratio for family.

**Step 2 details the calculation of the 2017 medical rates using the required premium PMPM and the conversion factor.**

Line 4, Column C - is the required premium PMPM from TABLE 7, line 8.

Line 5, Column C - is the conversion factor for single.

Line 6, Column C - is the calculated 2017 rate for single and is derived by multiplying the required premium PMPM by the conversion factor.

Line 4, Column D - is the required premium PMPM from TABLE 7, line 8.

Line 5, Column D - is the conversion factor for family.

Line 6, Column D - is the calculated 2017 rate for family and is derived by multiplying the required premium PMPM by the conversion factor.

Line 7 - The last line pulls the net 2016 inforce medical only rates for single and family coverage from TABLE 1 row 33 columns D & E.

**TABLE 9 - CALCULATED LOSS RATIOS**

TABLE 9 includes information from TABLES 1 through 8 to automatically calculate the loss ratios for each of the periods.

The experience period loss ratios are calculated by first calculating the monthly revenue from TABLE 1 and pulling the monthly claims and capitation experience from TABLE 4.

The projected 2016 and 2017 loss ratios have a number of calculated fields that utilize the reported claims experience and calculated rates.

**TABLE 10 - CLAIMS IN EXCESS OF \$100,000**  
**Incurred Period: April 1, 2015 through March 31, 2016**

Line 1 - is the total amount of paid claims for individuals with paid claims of \$100,000 or greater. Paid claims are defined as medical and pharmacy claims paid by the health plan; do not include pharmacy claims paid by the Department's pharmacy benefit manager in this calculation. For example, if you had five cases with paid claims of \$150,000 each, you would enter the value of  $\$150,000 \times 5 = \$750,000$ .

Line 2 - is the number of individuals with paid claims of \$100,000 or greater.

Line 3 - is the total amount of claims of \$100,000 or greater on an individual basis. For example, if you had five cases with paid claims of \$150,000 each, this cell would calculate as follows:  $\$150,000 \times 5 - \$100,000 \times 5 = \$250,000$ .

Line 4 - is the estimated percentage of paid claims for the specified Reporting Period that have not yet been recorded or paid. Incurred claims will be calculated as (1 + Total Incurred Claim Factor) multiplied by the Paid Charges.

Line 5 - is the number of months of experience that have been included in Paid Charges beyond the specific incurred Reporting Period of 4/1/2015-3/31/2016. For example, if a plan includes experience for claims that were incurred from 4/1/2015-3/31/2016 and paid through 5/31/2016, the Number of Runout Months would equal two.

Line 6 - will be calculated as (1 + Incurred Claim Factor) multiplied by the Paid Charges. This represents the total amount of claims of \$100,000 or greater that have been incurred in the Report Period.

**TABLE 11 - QUESTIONS REGARDING SUBMITTED DATA**

TABLE 11 requests responses to questions regarding the submitted data. We prefer that plans provide responses to the questions in the space provided in TABLE 11. TABLE 11 is considered a part of the required data and must be provided at the same time as all other information.

**TABLE 12 - TOP PROVIDER REPORT**

TABLE 12 requests plans submit a list of top facility and top professional providers based on Plan Paid dollars for the Addendum population and the time period April 1, 2015 through March 31, 2016. The provider information requested includes name, location, National Provider Identifier number and utilization counts.

Table 12 is only included in three of the eight categories:

- i. State of Wisconsin Employee Plan, Non-Medicare

- iii. State of Wisconsin Local Plan, Non-Medicare

### **TABLE 13 - REQUIRED DATA FORMAT**

Data is to be submitted to the Board's Actuary and match the information in the service categories detailed in TABLES 3A & 3B. It is expected that the data will match both the utilization and billed amounts. In later years more financial information will be required in the detail file.

Please send data for all groups. We are requesting 12 months of incurred data covering the period April 1, 2015 Through March 31, 2016 and paid through the most recent and complete month. Both fee-for-service claims and capitation encounter data should be provided with an appropriate code to separate.

The file should be comma delimited and include Control totals for all groups and files sent. The Control totals should include: Total Record Count, Total Billed Amount, Total Allowed Amount and Total Paid Amount.

### **TABLE 14 - SERVICE CATEGORY CODES**

TABLE 14 provides a mapping of the line items in TABLES 3A & 3B. The data should be grouped as described in that section, with the mapping included in the data sets.

### **TABLE 15 - ACTUARIAL CERTIFICATION**

There is a new requirement to have the rate development, supporting reports and detailed data be certified by an actuary who is a Member of the American Academy of Actuaries. There is a box to allow an actuary to enter their certification language.

The actuary should enter his Name, Firm, Phone and Date of the certification.

If vendors are unable to meet the actuarial certification requirement, they should provide acceptable language and justification. The rates should then be certified by their Chief Financial Officer.

## **ADDENDUM 2: PLAN QUALIFICATIONS/PROVIDER GUARANTEE**

### **Providers Under Contract Physically Located in Each Major City/County/Zip Code State and Local Employees**

Using the format provided by ETF, record the number of providers under contract sorted by zip-code who are physically located within each county and major city in the service area. Major cities are those that have over 33% of the county population. Those cities are Antigo, Appleton, Ashland, Eau Claire, Florence, Fond du Lac, Green Bay, Janesville, Kenosha, LaCrosse, Madison, Manitowoc, Menomonie, Merrill, Milwaukee, Monroe, Oshkosh, Prairie du Chien, Racine, Sheboygan, Stevens Point, Sturgeon Bay, and Superior.

#### **Provider Guarantee:**

In addition to the continuity of care provisions under Wis. Stat. § 609.24, the following provider guarantee provision applies. Providers listed here and/or on any of the plan's publications of providers, including subcontracted providers, are either under contract and available as specified in such publications for all of the ensuing calendar year or the plan will pay charges for benefits on a fee-for-service basis. Fee-for-service means the usual and customary charges the plan is able to negotiate with the provider while the subscriber is held harmless and indemnified. The intent of this provision is to allow patients of plan providers to continue appropriate access to any plan provider until the participant is able to change plans through the next dual-choice enrollment. This applies in the event a provider or provider group terminates its contract with the plan, except that loss of physicians due to normal attrition (death, retirement, a move from the service area;) or as a result of a formal disciplinary action relating to quality of care shall not require fee-for-service payment. Providers also agree to accept new patients unless specifically indicated otherwise. When providers terminate their contractual relationship, subscribers must be notified by the plan prior to the Dual-Choice Enrollment period. Plans shall keep a record of this notification mailing and shall provide documentation, by subscriber and indicating the mailing address used, upon the Department's request.

If a plan clinic or hospital closes during the contract year, participants using that facility must be notified, in writing, 30 days in advance of the closing. This notice may be provided by the provider. The notification must indicate the participant's options for other plan clinics or hospitals. If a physician leaves the plan mid-year, his or her patients must be notified, in writing, no less than 14 days prior to that event. In either instance, the subscriber must be advised of the provider guarantee.

This form must be filed annually by all current and new plans with the Department of Employee Trust Funds. The initial listing is due on June 3; the final copy is due on July 22. It is used to determine qualification for the plan's premium rate to be used in calculation of the employer contribution toward premium. Upon request, the Department may review the qualification status of a plan on a county by county basis and make recommendations to the Board. Generally, those qualifications are:

1. The ratio of full time equivalent (FTE) primary physicians accepting new patients to total plan members in a county or major city is at least 1.0/2,000 with a minimum of 5 physicians/county or major city. The primary physicians counted for this qualification requirement must be able to admit patients to a plan hospital in the county where the plan is qualified.

2. There must be at least one general hospital under contract and/or routinely utilized by plan providers per county or major city. If a hospital is not present in the county, plans must sufficiently describe how they provide access to providers.
3. A chiropractor must be available in each county (or major city if applicable).
4. The plan must have a minimum of one year of operation.
5. After being offered to state employees for one year, the plan must have achieved an enrollment of 100 subscribers or 10% of the employees in the service area. Service area means the entire geographic area in which the plan is qualified.

Health plans are responsible for submitting two types of reports to ETF

- (1) A listing that includes all providers of any type. All providers should be listed by name and National Provider Identifier (NPI), as specified by the Department. Under no circumstances, should a clinic be listed in lieu of provider names.
- (2) Health plans must also submit counts of providers and institutions used by ETF to determine plan qualification by county. Summary counts must be provided for every County and Major City in which a health plan has at least one PCP. ETF not only determines qualification status from the provider counts, but also determines whether or not a health plan will be listed in the "It's Your Choice" booklet as a non-qualified plan. Generally, if a health plan has at least one PCP in a county, the health plan will be listed in the "It's Your Choice" booklet although ETF may choose not to list a plan if it is not practical to do so. For example, ETF would not list a health plan that has a low number of providers in a high population county.

Plans that remove providers from their network for the following calendar year for the group health insurance program are prevented from adding those providers back to the network without approval from the Department until the next benefit year for which they submit a final bid based on inclusion of those providers. This provision does not apply to normal attrition.

Please note that all providers that health plans make available to participants or publish in the provider listings sent to members must be reflected in both the provider listing and the provider counts. Specific instructions on how to submit the information detailed above will be provided to the health plans in advance of the due date. ETF reserves the right to modify instructions and data requests as needed and may also request updated reports from health plans as needed.

### ADDENDUM 3: CLAIMS DATA SPECIFICATIONS

HEALTH PLANS must submit claims data for all PARTICIPANTS, for all claims processed, to the DEPARTMENT'S data warehouse in the file format specified in the most recent Data Specifications - Medical document. The file format as of the date of printing this document is shown below. The DEPARTMENT will specify and communicate a schedule of deliverables and due dates once the data warehouse vendor is under contract.

This CONTRACT sets forth the terms and conditions for the HEALTH PLAN to provide group health care BENEFITS for EMPLOYEES, ANNUITANTS, and their DEPENDENTS eligible for coverage offered by the Group Insurance Board as required by Wis. Stat. § 40.51.

## ARTICLE 1 DEFINITIONS

The following terms, when used and capitalized in this CONTRACT are defined and limited to that meaning only:

**1.1 "ANNUITANT"** means any retired EMPLOYEE of the State of Wisconsin: receiving an immediate annuity under the Wisconsin Retirement System, a currently insured recipient of a long-term disability benefit under Wis. Adm. Code § ETF 50.40, a currently insured recipient of a disability benefit under Wis. Stat. § 40.65; or a terminated EMPLOYEE with 20 years of creditable service.

**1.2 "BENEFITS"** means those items and services as listed in Uniform Benefits.

**1.3 "BOARD"** means the Group Insurance Board.

**1.4 "CONTINUANT"** means any SUBSCRIBER enrolled under the federal or state continuation provisions as described in Article 2.9.

**1.5 "CONTRACT"** means this document which includes all attachments, supplements, endorsements or riders.

**1.6 "DEPARTMENT"** means the Department of Employee Trust Funds.

**1.7 "DEPENDENT"** means, as provided herein, the SUBSCRIBER'S:

- Spouse.
- DOMESTIC PARTNER, if elected.
- Child.
- Legal ward who becomes a permanent legal ward of the SUBSCRIBER, SUBSCRIBER'S spouse or insured DOMESTIC PARTNER prior to age 19.
- Adopted child when placed in the custody of the parent as provided by Wis. Stat. § 632.896.
- Stepchild.
- Child of the DOMESTIC PARTNER insured on the policy.
- Grandchild if the parent is a DEPENDENT child.

(1) A grandchild ceases to be a DEPENDENT at the end of the month in which the DEPENDENT child (parent) turns age 18.

(2) A spouse and a stepchild cease to be DEPENDENTS at the end of the month in which a marriage is terminated by divorce or annulment. A DOMESTIC PARTNER and his or her children cease to be DEPENDENTS at the end of the month in which the domestic partnership is no longer in effect.

(3) All other children cease to be DEPENDENTS at the end of the month in which they turn 26 years of age, except that:

(a) An unmarried dependent child who is incapable of self-support because of a physical or mental disability that can be expected to be of long-continued or indefinite duration of at least one year is an eligible DEPENDENT, regardless of age, as long as the child remains so disabled and he or she is dependent on the SUBSCRIBER (or the other parent) for at least 50% of the child's support and maintenance as demonstrated by the support test for federal income tax purposes, whether or not the child is claimed. If the SUBSCRIBER should decease, the disabled adult DEPENDENT must still meet the remaining disabled criteria and be incapable of self-support. The HEALTH PLAN will monitor eligibility annually, notifying the EMPLOYER and DEPARTMENT when terminating coverage prospectively upon determining the DEPENDENT is no longer so disabled and/or meets the support requirement. The HEALTH PLAN will assist the DEPARTMENT in making a final determination if the SUBSCRIBER disagrees with the HEALTH PLAN determination.

(b) After attaining age 26, as required by Wis. ## **ARTICLE 2 ADMINISTRATION**

### **2.1 AMENDMENTS**

This CONTRACT may be amended by written agreement between the HEALTH PLAN and the BOARD at any time.

### **2.2 COMPLIANCE WITH THE CONTRACT AND APPLICABLE LAW**

(1) In the event of a conflict between this CONTRACT and any applicable federal or state statute, administrative rule, or regulation; the statute, rule, or regulation will control.

(2) In connection with the performance of work under this CONTRACT, the HEALTH PLAN agrees not to discriminate against EMPLOYEES or applicants for employment because of age, race, religion, creed, color, handicap, physical condition, developmental disability as defined in Wis. Stat. § 51.01 (5); marital status, sex, sexual orientation, national origin, ancestry, arrest record, conviction record; or membership in the national guard, state defense force, or any reserve component of the military forces of the United States or this state. The HEALTH PLAN agrees to maintain a written affirmative action plan, which shall be available upon request to the DEPARTMENT.

(3) The HEALTH PLAN shall comply with all applicable requirements and provisions of the Americans with Disabilities Act (ADA) of 1990. Evidence of compliance with ADA shall be made available to the DEPARTMENT upon request.

(4) In cases where PREMIUM rate negotiations result in a rate that the BOARD'S actuary determines to be inadequately supported by the data submitted by the HEALTH PLAN, the BOARD may take any action up to and including limiting new enrollment into that HEALTH PLAN.

(5) The HEALTH PLAN shall comply with all state and federal laws regarding patient privacy. The HEALTH PLAN shall notify the DEPARTMENT within one business day of discovering that the protected health information (PHI) and/or personal identifiable information (PII) of one or more PARTICIPANTS may have been breached, or has been breached, as defined by state and federal law, including Wis. Stat. § 134.98 and the federal Health Insurance Portability and Accountability Act of 1996. The HEALTH PLAN is required to report using the form provided by the DEPARTMENT. Even if the full details are not known, the HEALTH PLAN must report the known information to the DEPARTMENT and then follow up to provide additional information as details are known, and as requested by the DEPARTMENT. The following categories of information shall be reported:

- Description of incident
- Root cause
- Actual or estimated number of participants impacted
- Impact list (as soon as known)
- A copy of any correspondence sent to affected participants (this must be approved by the DEPARTMENT prior to disseminating)
- Steps taken to ensure a similar incident will not be repeated

This notification requirement shall apply only to PHI or PII received or maintained by the HEALTH PLAN pursuant to this agreement. The HEALTH PLAN shall make good faith efforts to communicate with the DEPARTMENT about breaches by major provider groups if the HEALTH PLAN knows those breaches affect PARTICIPANTS.

(6) The HEALTH PLAN shall maintain a written contingency plan describing in detail how it will continue operations and administration of benefits in certain events including, but not limited to, strike and disaster, and shall submit it to the DEPARTMENT upon request.

(7) The DEPARTMENT reserves the right to require HEALTH PLANS to assist with drafting and mailing the federally required Summary of Benefits and Coverage (SBC) to PARTICIPANTS in a manner similar to the annual informational mailing process.

### **2.3 CLERICAL AND ADMINISTRATIVE ERROR**

(1) Except for the constructive waiver provision of section 3.6, no clerical error made by the EMPLOYER, the DEPARTMENT or the HEALTH PLAN shall invalidate BENEFITS of a PARTICIPANT otherwise validly in force, nor continue such BENEFITS otherwise validly terminated.

(2) Except for the constructive waiver provision of section 3.6, if an EMPLOYEE or ANNUITANT has made application during a prescribed enrollment period for either individual or family coverage and has authorized the PREMIUM contributions, BENEFITS shall not be invalidated solely because of the failure of the EMPLOYER or the DEPARTMENT, due to clerical error, to give proper notice to the HEALTH PLAN of such EMPLOYEE'S application.

(3) In the event that an EMPLOYER erroneously continues to pay the PREMIUM for an EMPLOYEE who terminates employment, refunds of such PREMIUMS shall be limited to no more than two months of PREMIUMS paid prior to the current month of coverage.

(4) Except in cases of fraud, material misrepresentation, resolution of BOARD appeal, or when required by Medicare, retrospective adjustments to PREMIUM or claims for coverage not validly in force shall be limited to no more than six months of PREMIUMS paid. In cases where Medicare is the primary payer, retroactive adjustments to PREMIUM or claims for coverage not validly in force shall correspond with the shortest retroactive enrollment limit set by Medicare for either medical or prescription drug claims, not to exceed six months and in accordance with § 3.16 (3). No retroactive premium refunds shall be made for coverage resulting from any application due to fraud or material misrepresentation. In situations where coverage is validly in force, the EMPLOYER has not paid PREMIUM, and the EMPLOYEE does not have a required contribution, retroactive PREMIUM will be made for the entire period of coverage, regardless of the discovery date. The HEALTH PLAN is responsible for resolving discrepancies in claims payment for all Medicare data match inquiries.

(5) In the event that an EMPLOYER determines an EFFECTIVE DATE under Wis. Stat. § 40.51 (2) based on information obtained from the DEPARTMENT available at the time the application is filed, such application shall not be invalidated solely as a result of an administrative error in determining the proper effective date of EMPLOYER contribution. No such error will result in providing coverage for which the EMPLOYEE would otherwise not be entitled, except as required by law.

## 2.4 REPORTING

(1) EMPLOYEES, ANNUITANTS and CONTINUANTS shall become or be SUBSCRIBERS if they have filed with the EMPLOYER or DEPARTMENT, if applicable, an application in the form prescribed by the DEPARTMENT, and are eligible in accordance with this CONTRACT, the law, the administrative rules, and regulations of the DEPARTMENT.

(2) On or before the effective date of this CONTRACT, the DEPARTMENT shall furnish electronic eligibility files to the HEALTH PLAN showing the INDIVIDUAL SUBSCRIBERS and FAMILY SUBSCRIBERS entitled to BENEFITS under the CONTRACT during the first month that it is in effect, and such other reasonable data as may be necessary for HEALTH PLAN administration. The DEPARTMENT shall furnish electronic eligibility files while the CONTRACT is in effect.

(3) Monthly or upon request by the DEPARTMENT, the HEALTH PLAN shall submit a data file (or audit listing, if requested by the DEPARTMENT) to establish or update the DEPARTMENT'S membership files in a file format as identified by the DEPARTMENT after seeking input from the HEALTH PLANS. The HEALTH PLAN shall submit these files using the SUBSCRIBER identifiers (currently Social Security Number and unique DEPARTMENT identifier) determined by the DEPARTMENT. The HEALTH PLAN shall create separate files for SUBSCRIBERS and DEPENDENTS, in a format and timeframe specified by the DEPARTMENT, and submit them to the DEPARTMENT or its designated database administrator. When the DEPARTMENT sends HEALTH PLAN error reports showing SUBSCRIBER and DEPENDENT records failing one or more edits, the HEALTH PLAN shall correct and resubmit the failed records with its next update. The HEALTH PLAN shall at least annually collect from SUBSCRIBERS coordination of benefits information necessary to coordinate BENEFITS under the Wisconsin Administrative Code and report this information to the DEPARTMENT at least annually. HEALTH PLANS must follow the DEPARTMENT'S file transfer protocols (FTP), such as using the DEPARTMENT'S secured FTP site to submit and retrieve files.

(4) Unless individually waived by the BOARD, each HEALTH PLAN will submit the current applicable version of the Healthcare Effectiveness Data and Information Set (HEDIS) for its commercial membership by a date specified by the DEPARTMENT for the previous calendar year. The data set will be for both the entire HEALTH PLAN membership and the state group membership where applicable. The HEALTH PLAN will include the state group membership prescription drug data from the pharmacy benefit manager in their reported prescription drug measures consistent with NCQA requirements. The data will be supplied in a format specified by the DEPARTMENT.

(5) HEALTH PLANS shall submit all reports and comply with all material requirements set forth in the GUIDELINES or the BOARD may terminate the CONTRACT between the HEALTH PLAN and the BOARD at the end of the calendar year, restrict new enrollment into the HEALTH PLAN, or the DEPARTMENT may impose other sanctions as deemed appropriate. These sanctions may include, but are not limited to, financial penalties of no more than \$100 per day per occurrence, to begin on the 2<sup>nd</sup> day following the date notice of non-compliance is delivered to the HEALTH PLAN. Such financial penalty will not exceed \$5,000 per occurrence. The penalty may be waived if timely submission is prevented for due cause, as determined by the DEPARTMENT.

(6) HEALTH PLANS must submit claims data for all PARTICIPANTS for all claims processed for dates of service from January 1, 2014 through December 31, 2017, to the DEPARTMENT'S data warehouse in the file format and frequency specified by the DEPARTMENT in the most recent Claims Data Specifications document (Addendum 3). HEALTH PLANS must also submit provider data for providers under contract anytime from January, 2014 through December, 2017, to the DEPARTMENT'S data warehouse in the file format and frequency specified by the DEPARTMENT in the Provider Data Specifications document (Addendum 4). The DEPARTMENT will specify and communicate a schedule of deliverables and due dates once the data warehouse vendor is under contract.

Plans must also submit claims for dates of service in 2017 during a six (6) month run-out period from January 1, 2018 - June 30, 2018. The DEPARTMENT will withhold 25% of the December, 2017 premium, to be paid not later than April 1, 2018, unless there are issues receiving timely run-out claims data in 2018. In the event of issues receiving run-out claims per the DEPARTMENT'S timeline, the DEPARTMENT will withhold the final 25% premium payment until all run-out claims are received.

## **2.5 BROCHURES AND INFORMATIONAL MATERIAL**

(1) The HEALTH PLAN shall provide the SUBSCRIBER with identification cards indicating the EFFECTIVE DATE of coverage, a listing of all available providers and their available locations, information on accessing and completing the Health Risk Assessment tool, and pre-authorization and referral requirements.

(2) All brochures and other informational material as defined by the DEPARTMENT must receive approval by the DEPARTMENT before being distributed by the HEALTH PLAN. Four (4) copies of all informational materials in final form must be provided to the DEPARTMENT. At its discretion, the DEPARTMENT may designate a common vendor who shall provide the annual description of BENEFITS and such other information, or services it deems appropriate, including audit services.

(3) All HEALTH PLANS must comply with Section 1557 of the ACA and Federal civil rights law. (4) If erroneous or misleading information is sent to SUBSCRIBERS by a provider or subcontractor, the DEPARTMENT may require a HEALTH PLAN mailing to correctly inform PARTICIPANTS.

## **2.6 FINANCIAL ADMINISTRATION**

By the end of any calendar month, the DEPARTMENT shall transmit to the HEALTH PLAN that month's estimated PREMIUM for SUBSCRIBERS who are properly enrolled less the pharmacy premium and administration fees required by the BOARD.

## **2.7 INSOLVENCY (OR SOLVENCY)**

(1) The HEALTH PLAN shall maintain appropriate bonding and/or reinsurance and shall submit documentation at the request of the DEPARTMENT. The appropriate bonding and/or reinsurance ensures that, in the event the HEALTH PLAN becomes insolvent or otherwise unable to meet the financial provisions of this CONTRACT, bonding or reinsurance exists to pay those obligations. Such bonding or reinsurance shall continue BENEFITS for all PARTICIPANTS at least until the end of the calendar month in which insolvency is declared. For a PARTICIPANT then confined as an INPATIENT, BENEFITS shall continue until the

confinement ceases, the attending physician determines confinement is no longer medically necessary, the end of 12 months from the date of insolvency, or the CONTRACT maximum is reached, whichever occurs first. The DEPARTMENT will establish enrollment periods during which SUBSCRIBERS may transfer to another HEALTH PLAN.

(2) The HEALTH PLAN shall submit to the DEPARTMENT on an annual basis, information on its financial condition including a balance sheet, statement of operations, financial audit reports, and utilization statistics.

## **2.8 DUE DATES**

(1) Reports and remittances from EMPLOYERS required in the administration of the group health insurance program shall be submitted to the DEPARTMENT no later than the 24<sup>th</sup> day of the calendar month for the current month's coverage. The remittance by the EMPLOYER shall be the amount invoiced by the DEPARTMENT.

(2) The EMPLOYER shall immediately validate and enter into the DEPARTMENT'S myETF Benefits system the completed applications filed by newly eligible EMPLOYEES or require EMPLOYEES to submit their request directly through myETF Benefits. For any requests submitted by a newly eligible EMPLOYEE through myETF Benefits, the EMPLOYER shall immediately validate and approve the completed application.

## **2.9 CONTINUATION OR CONVERSION OF INSURANCE**

(1) Except when coverage is canceled, PREMIUMS are not paid when due, coverage is terminated as permitted by state or federal law, or the EMPLOYER is not notified of the PARTICIPANT'S loss of eligibility as required by law, a PARTICIPANT who ceases to be eligible for BENEFITS may elect to continue group coverage for a maximum of 36 months from the date of the qualifying event or the date of the EMPLOYER notice, whichever is later. Application must be received by the DEPARTMENT postmarked within 60 days of the date the PARTICIPANT is notified by the EMPLOYER of the right to continue or 60 days from the date coverage ceases, whichever is later. The HEALTH PLAN shall bill the continuing PARTICIPANT directly for required PREMIUMS. The HEALTH PLAN may not apply a surcharge to the PREMIUM, even if otherwise permitted under State or federal law.

If the PARTICIPANT does not reside in a county listing a primary physician for the SUBSCRIBER'S HEALTH PLAN at the time continuation coverage is elected, the PARTICIPANT may elect a participating plan in the county where the PARTICIPANT resides.

(2) Such PARTICIPANT may also elect to convert to individual coverage, without underwriting if application is made directly to the HEALTH PLAN within 30 days after termination of group coverage as provided under Wis. Stat. §632.897. The PARTICIPANT shall be eligible, to apply for the direct pay conversion contract then being issued provided coverage is continuous and the PREMIUMS then in effect for the conversion contract are paid without lapse. The HEALTH PLAN must notify a PARTICIPANT at least 60 days prior to loss of eligibility for COBRA coverage and will also notify the PARTICIPANT of other available options, including the availability of conversion coverage. This does not include termination of coverage due to non-payment of PREMIUM. The right to a conversion contract will also be offered when the PARTICIPANT reaches the maximum length of continuation of group coverage.

(3) Children born or adopted while the parent is continuing group coverage may also be covered for the remainder of the parent's period of continuation. A PARTICIPANT who has single coverage must elect family coverage within 60 days of the birth or adoption in order for the child to be covered. The HEALTH PLAN will automatically treat the child as a qualified DEPENDENT as required by COBRA and provide any required notice of COBRA rights.

## **2.10 GRIEVANCE PROCEDURE**

(1) Any dispute about BENEFITS or claims arising under the terms and conditions of the CONTRACT shall first be submitted for resolution through the HEALTH PLAN'S and/or Pharmacy Benefit Manager's (PBM) internal grievance process and may then, if necessary and appropriate, be submitted to the DEPARTMENT. The PARTICIPANT may file a complaint for review with an Ombudsperson at the DEPARTMENT. The PARTICIPANT may also request a departmental determination. The determination of the DEPARTMENT is final and not subject to further review unless a timely appeal of the determination by the DEPARTMENT is submitted to the BOARD, as provided by Wis. Stat. § 40.03 (6) (i) and Wis. Adm. Code § ETF 11.01 (3). The decision of the BOARD is reviewable only as provided in Wis. Stat. § 40.08 (12). However, the DEPARTMENT will not issue a determination regarding denials of coverage by a HEALTH PLAN and/or PBM based on medical necessity, appropriateness, health care setting, level of care, effectiveness of a covered benefit, experimental treatment, pre-existing condition, or the rescission of a policy or certificate that can be resolved through the independent review process under Wis. Stat. § 632.835 and Wis. Adm. Code § INS 18.11.

(2) The PARTICIPANT may also request an independent review as provided under Wis. Stat. § 632.835 and Wis. Adm. Code § INS 18.11. In this event, the DEPARTMENT must be notified by the HEALTH PLAN of the PARTICIPANT'S request at the same time the Office of the Commissioner of Insurance is notified in a manner that is defined by the DEPARTMENT. In accordance with Wis. Stat. § 632.835 and Wis. Adm. Code § INS 18.11 any decision by an Independent Review Organization is final and binding except for any decision regarding the rescission of a policy or certificate. Apart from these two exceptions, PARTICIPANTS have no further right to administrative review by the DEPARTMENT or BOARD once the Independent Review Organization decision is rendered. Within 14 days of the Independent Review Organization rendering its determination, the HEALTH PLAN must notify the DEPARTMENT of the outcome and the Independent Review Organization's fee for the review.

(3) The HEALTH PLAN'S grievance procedure must be included as Attachment B. At a minimum, the grievance process must comply with Wis. Adm. Code § INS 18.03 or any other statutes or administrative codes that relate to managed care grievances. This extends to any "carve-out" services (e.g., chiropractic, mental health).

(4) The PARTICIPANT must be provided with notice of the right to grieve and a minimum period of 60 days to file a grievance after written denial of a BENEFIT or other occurrence of the cause of the grievance along with the Uniform Benefit contractual provision(s) upon which the denial is based.

(5) Investigation and resolution of any grievance will be initiated within 5 days of the date the grievance is filed by the complainant in an effort to effect early resolution of the problem. Grievances related to an urgent health concern will be handled within four business days of the HEALTH PLAN'S receipt of the grievance.

(6) Notification of DEPARTMENT Administrative Review Rights

In the final grievance decision letters, the HEALTH PLAN shall inform PARTICIPANTS of their right to request a DEPARTMENT review of the grievance committee's final decision and their right to request a review by an Independent Review Organization in accordance with Wis. Adm. Code § INS 18.11, using the language approved by the DEPARTMENT. In all final grievance decision letters, the HEALTH PLAN shall cite the specific Uniform Benefits contractual provision(s) upon which the HEALTH PLAN bases its decision and relies on to support its decision. In the event they disagree with the grievance committee's final decision, PARTICIPANTS may submit a written request to the DEPARTMENT within 60 days of the date of the final grievance decision letter. The DEPARTMENT will review, investigate, and attempt to resolve complaints on behalf of the PARTICIPANTS. Upon completion of the DEPARTMENT review and in the event that PARTICIPANTS disagree with the outcome, PARTICIPANTS may file a written request for determination from the DEPARTMENT. The request must be received by the DEPARTMENT within 60 days of the date of the DEPARTMENT final review letter.

(7) Provision of Complaint Information

All information and documentation pertinent to any decisions or actions taken regarding any PARTICIPANT complaint or grievance by a HEALTH PLAN shall be made available to the DEPARTMENT upon request. If an authorization from the PARTICIPANT is necessary, the HEALTH PLAN shall cooperate in obtaining the authorization and shall accept the DEPARTMENT'S form that complies with all applicable laws regarding patient privacy, when signed by the PARTICIPANT or PARTICIPANT'S representative, to give written authorization for release of information to the DEPARTMENT. Information may include complete copies of grievance files, medical records, consultant reports, customer service contact worksheets or any other documentation the DEPARTMENT deems necessary to review a PARTICIPANT complaint, resolve disputes or to formulate determinations. Such information must be provided at no charge within fifteen working days, or by an earlier date as requested by the DEPARTMENT.

(8) Notification of Legal Action

If a PARTICIPANT files a lawsuit naming the HEALTH PLAN as a defendant, the HEALTH PLAN must notify the DEPARTMENT'S chief legal counsel within ten working days of notification of the legal action. This requirement does not extend to cases of subrogation.

(9) If a departmental determination overturns a HEALTH PLAN'S decision on a PARTICIPANT'S grievance, the HEALTH PLAN must comply with the determination within 90 days of the date of the determination or a \$500 penalty will be assessed for each day in excess of 90 days. As used in this section, "comply" means to take action as directed in the departmental determination or to appeal the determination to the BOARD within 90 days.

## ARTICLE 3 COVERAGE

### 3.3 SELECTION OF COVERAGE

(1) If coverage is not elected under this section, it shall be subject to the deferred coverage provision of section 3.10. Except as otherwise provided in this section, coverage shall be effective on the first day of the month, which begins on or after the date the application is received by the EMPLOYER. No application for coverage may be rescinded on or after the EFFECTIVE DATE of coverage.

(2) (a) An EMPLOYEE shall be insured if a completed DEPARTMENT application form is received by the EMPLOYER within 30 days following the date of hire, coverage to be effective as of the first day of the month that first occurs during the 30-day period, or by electing coverage, or prior to becoming eligible for the EMPLOYER contribution toward the PREMIUM, coverage to be effective upon becoming eligible for EMPLOYER contribution. In accordance with Wis. Stat. § 40.51 (2), an EMPLOYEE who enrolls for single coverage within 30 days following the date of hire, may change to family coverage during the enrollment period offered as a result of becoming eligible for EMPLOYER contribution toward PREMIUM. The EMPLOYEE and his or her DEPENDENTS shall not be subject to any waiting periods or evidence of insurability requirements. However, when the EMPLOYEE terminates employment prior to the EFFECTIVE DATE of coverage, the application is void and any premiums paid or deducted will be refunded.

(b) Notwithstanding paragraph (2) (a) above, an EMPLOYEE who is not insured but who is eligible for an EMPLOYER contribution under Wis. Stat. § 40.05 (4) (ag)1 may elect coverage prior to becoming eligible for an EMPLOYER contribution under Wis. Stat. § 40.05 (4) (ag) 2 to be effective upon the date of the increase in the EMPLOYER contribution. An EMPLOYEE who does not file an application at this time but who files within 30 days after the date of hire which resulted in the increase in EMPLOYER contribution shall have coverage effective on the first day of the month following the date in which the EMPLOYEE becomes eligible for the increase in EMPLOYER contribution.

(3) (a) An EMPLOYEE eligible and enrolled for individual coverage only may change to family coverage effective on the date of change to family status including transfer of custody of eligible DEPENDENTS if an application is received by the EMPLOYER within 30 days after the date of the change to family status. The difference in PREMIUM between individual and family coverage for that month shall be due only if the change is effective before the 16th of the month. ANNUITANTS and CONTINUANTS shall submit the application to the DEPARTMENT.

(b) Notwithstanding paragraph 3 (a) above, the birth or adoption of a child to a SUBSCRIBER under a single plan, who was previously eligible for family coverage, will allow the SUBSCRIBER to change to family coverage if an application is received by the EMPLOYER within 60 days of the birth, adoption or placement for adoption.

(4) In addition to any enrollment period required under Wis. Stat. § 40.05 (4g), an EMPLOYEE enrolled for coverage at the time of being called into active military service whose coverage lapses shall be entitled to again enroll upon resumption of eligible employment with the same EMPLOYER subject to the following:

(a) Employment is resumed within 180 days after release from active military service, and

(b) The application for coverage is received by the EMPLOYER within 30 days after return to employment.

(c) An EMPLOYEE who is enrolled for individual coverage and becomes eligible for family coverage between the time of being called into active military service and the return to employment may elect family coverage within 30 days upon re-employment without penalty.

(d) Coverage is effective upon the date of re-employment. A full month's PREMIUM is due for that month if coverage is effective before the 16th of that month. Otherwise, the entire PREMIUM for that month is waived.

(5) If a person is erroneously omitted from participation under the Wisconsin Retirement System and the omission is corrected retroactively, including payment of all WRS required contributions for the retroactive period, the DEPARTMENT is empowered to fix a deadline for submitting an application for prospective group health care coverage if the person would have been eligible for the coverage had the error never occurred.

(6) As required by state and federal law, a SUBSCRIBER enrolled with single coverage although eligible for family coverage, or an EMPLOYEE who deferred the selection of coverage, has a special enrollment opportunity to add eligible children as required by a National Medical Support Notice.

(7) (a) An eligible EMPLOYEE may defer the selection of coverage under this section 3.3 if he/she is covered under another health insurance plan, or is a member of the US Armed Forces, or is a citizen of a country with national health care coverage comparable to the STANDARD PLAN as determined by the DEPARTMENT. If the EMPLOYEE or a DEPENDENT loses eligibility for that other coverage or the EMPLOYER'S contribution towards the other coverage ceases, the EMPLOYEE may elect coverage under any plan by filing an application with the EMPLOYER within 30 days of the loss of eligibility and by providing evidence satisfactory to the DEPARTMENT of the loss of eligibility. An EMPLOYEE enrolled for single coverage, though eligible for family coverage, may change to family coverage if any eligible DEPENDENTS covered under the other plan lose eligibility for that coverage or the EMPLOYER'S contribution towards the other coverage ceases. The unrestricted enrollment opportunity is not available if a person remains eligible for coverage under a plan that replaces it without interruption of that person's coverage.

(b) If permitted by state or Federal law, as determined by the DEPARTMENT, an eligible EMPLOYEE may defer or dis-enroll from coverage for themselves or a DEPENDENT if he/she is covered under medical assistance (Medicaid), the Children's Health Insurance Program (CHIP), or Tri-Care. Termination may be retroactive to the effective date of the other coverage upon request by the subscriber. Family status changes under this provision remain subject to Section 125 of the Internal Revenue Code. If the EMPLOYEE or DEPENDENT loses eligibility for that coverage or becomes eligible for a premium assistance subsidy for this program, the EMPLOYEE may elect coverage under this section by filing an application with the EMPLOYER within 60 days of the loss of eligibility or the date it is determined the EMPLOYEE or DEPENDENT is eligible for premium assistance and by providing evidence satisfactory to the DEPARTMENT.

(c) An EMPLOYEE who deferred coverage may enroll if he or she has a new DEPENDENT as a result of birth, adoption, placement for adoption, marriage or domestic partnership, provided he or she submits an application within 60 days of the birth, adoption or placement for adoption, or within 30 days of the marriage or effective date of the domestic partnership.

(d) Coverage under this provision shall be effective on the date of termination of the prior plan or the date of the event described in (b) or (c) above. A full month's PREMIUM is due for that month if coverage is effective before the 16th of the month. Otherwise the entire PREMIUM for that month is waived.

(8) In the event a SUBSCRIBER files an application during a prescribed enrollment period listing a plan and a primary physician, clinic or care system that is not available in the plan selected, the HEALTH PLAN shall immediately notify the EMPLOYER. The SUBSCRIBER shall be allowed to correct the plan selected to one which has that physician, clinic or care system available, upon notice to the EMPLOYER that the error occurred. The application shall be effective the later of first of the month following receipt of the application or the EFFECTIVE DATE of the original application. The HEALTH PLAN may not simply reassign a primary physician, clinic or care system.

(9) PARTICIPANTS who have escrowed their sick leave or have their sick leave preserved as provided for in statute may reenroll in any HEALTH PLAN without underwriting restrictions as follows:

(a) Coverage for those who have escrowed under Wis. Stat. § 40.05 (4) (b) and (be) may enroll during the DUAL-CHOICE enrollment period and be effective the first day of the month selected by the PARTICIPANT of the following year as provided in section 3.4 (1).

(b) For the PARTICIPANTS defined in Wis. Stat. § 40.02 (25) (b) (6e) and (6g) whose sick leave has been preserved under Wis. Stat. § 40.05 (4) (bc), coverage will begin on the first of the month following the DEPARTMENT'S receipt of the health insurance application, unless otherwise specified on the application.

(c) PARTICIPANTS losing eligibility for other coverage or the EMPLOYER'S contribution towards the other coverage ceases, may elect coverage under any plan by filing an application with the DEPARTMENT within 30 days of the loss of eligibility, or notice of loss of eligibility, and by providing evidence satisfactory to the DEPARTMENT of the loss of eligibility. A PARTICIPANT enrolled for single coverage, though eligible for family coverage, may change to family coverage if any eligible DEPENDENTS are covered under the other plan and lose eligibility for that coverage or the EMPLOYER'S contribution towards the other coverage ceases. The unrestricted enrollment opportunity is not available if a person remains eligible for coverage under a plan that replaces it without interruption of that person's coverage. Coverage shall be effective on the date of termination of the prior plan or the date of the event. A full month's PREMIUM is due for that month if coverage is effective before the 16th of the month. Otherwise the entire PREMIUM for that month is waived.

(10) Eligible retired EMPLOYEES or former EMPLOYEES of the State who have reenrolled under section 3.10 (4) may select any offered plan.

(11) A SUBSCRIBER who does not request coverage for a DOMESTIC PARTNER, or an adult child when first eligible under Wis. Stat. § 632.885, will thereafter be limited to enrolling

the DOMESTIC PARTNER or child when the DOMESTIC PARTNER or child become newly eligible due to the loss of eligibility for other coverage or the loss of EMPLOYER contribution for the other coverage. The SUBSCRIBER can add the DEPENDENT by filing an application with the EMPLOYER within 30 days after the event and coverage for the DEPENDENT will be effective on the event date. This paragraph does not prevent a SUBSCRIBER from adding the eligible DEPENDENT during the DUAL-CHOICE enrollment period for coverage effective the following January 1.

Coverage for the DEPENDENT eligible under this section remains in effect until the DEPENDENT is no longer eligible, the family coverage is terminated, the SUBSCRIBER requests to terminate coverage for the adult DEPENDENT within 30 days of the DEPENDENT'S eligibility and enrollment in other health insurance coverage, or the SUBSCRIBER requests to terminate the coverage for the DEPENDENT during the annual DUAL-CHOICE enrollment effective the following January 1, whichever occurs first.

(12) An eligible EMPLOYEE who is insured as a DEPENDENT child on another policy in this program can enroll for coverage by submitting an application during the annual DUAL-CHOICE enrollment period for coverage effective the following January 1.

(13) For the purposes of selecting a HIGH DEDUCTIBLE HEALTH PLAN, a completed application requires the submission and acceptance of a Health Savings Account application to the third party administrator. The Health Savings Account application must be submitted concurrently with the HIGH DEDUCTIBLE HEALTH PLAN application.

### **3.4 DUAL-CHOICE ENROLLMENT PERIODS**

(1) The BOARD shall establish enrollment periods, which shall permit eligible EMPLOYEES, ANNUITANTS and currently insured CONTINUANTS to enroll for or transfer coverage to any plan offered by the BOARD as required by Wis. Stat. § 40.51. Unless otherwise provided by the BOARD, the DUAL-CHOICE enrollment period shall be held once annually in the fall of each year with coverage effective the following January 1.

(2) If a SUBSCRIBER has not received a DUAL-CHOICE enrollment opportunity as determined by the DEPARTMENT, an enrollment opportunity may be offered prospectively.

(3) An EMPLOYEE who returns from leave of absence during which coverage lapsed and which encompassed the entire previous DUAL-CHOICE enrollment period will be allowed a DUAL-CHOICE enrollment provided an application is filed during the 30-day period which begins on the date the EMPLOYEE returns from leave of absence.

(4) An EMPLOYEE, ANNUITANT or CONTINUANT may also change plans if the SUBSCRIBER moves from his/her residence across county lines for a minimum of three months. A move from a medical facility to another facility by the SUBSCRIBER is not considered a residential move. An application must be filed during the 30 day period, which begins on the date the SUBSCRIBER moves.

(5) A SUBSCRIBER under (3) and (4) above who does not file an application to change plans within this 30 day enrollment period may change plans at the next DUAL-CHOICE enrollment period.

(6) As required by Federal law, an insured EMPLOYEE or CONTINUANT who is adding one or more DEPENDENTS to the policy due to marriage, domestic partnership, birth, adoption, placement for adoption, loss of other coverage or loss of EMPLOYER contribution for the other coverage may change HEALTH PLANS after the event if an application is submitted within 30 days of the event. This enrollment opportunity also applies when adding a dependent due to a National Medical Support Notice or establishment of paternity. This also applies to ANNUITANTS as if Federal law required it. Coverage with the new HEALTH PLAN will be effective the first day of the calendar month, which begins on or after the date the EMPLOYER receives the application selecting the new HEALTH PLAN.

(7) The HEALTH PLAN shall accept any individual who transfers from one plan to another or from individual to family coverage without requiring evidence of insurability, waiting periods, or exclusions for pre-existing conditions as defined in Wis. Adm. Code § INS 3.31 (3).

(8) If the HEALTH PLAN offers more than one network to PARTICIPANTS and the service areas of those networks change on January 1st, a SUBSCRIBER who failed to make a DUAL-CHOICE election to change networks in order to maintain access to his or her current providers may still change to the appropriate network within that same HEALTH PLAN. The effective date of the change in networks is effective on January 1st or the first day of the month after the EMPLOYER receives the SUBSCRIBER'S request to change networks, whichever is later.

(9) Applications from ANNUITANTS and CONTINUANTS changing plans during the DUAL-CHOICE enrollment period must be received by the DEPARTMENT postmarked no later than the last day of the DUAL-CHOICE enrollment period, unless otherwise authorized by the DEPARTMENT.

### **3.5 INITIAL PREMIUMS**

When coverage becomes effective, multiple PREMIUM payments may be required initially to make PREMIUM payments current.

### **3.6 CONSTRUCTIVE WAIVER OF COVERAGE**

Any enrolled EMPLOYEE in active pay status for whom the EMPLOYEE portion of PREMIUMS has not been deducted from salary by the EMPLOYER for a period of 12 consecutive months, shall be deemed to have prospectively waived coverage upon a 30-day notice to the EMPLOYEE, unless all required PREMIUMS are paid. Coverage then may be obtained only under the deferred coverage provisions of section 3.10.

### **3.7 BENEFITS NON-TRANSFERABLE**

No person other than a PARTICIPANT, as recorded in the office of the HEALTH PLAN, is entitled to BENEFITS under this CONTRACT. The SUBSCRIBER or any of his or her DEPENDENTS who assigns or transfers their rights under the CONTRACT, aids any other person in obtaining BENEFITS or knowingly presents or causes to be presented a false or fraudulent claim shall be guilty of a Class A misdemeanor as prescribed under Wis. Stat. § 943.395, and subject to the penalties set forth under Wis. Stat. § 939.51 (3) (a).

### **3.8 NON-DUPLICATION OF BENEFITS**

The HEALTH PLAN'S administration of BENEFITS provisions must conform to Wis. Adm. Code § INS 3.40.

### **3.9 REHIRED OR TRANSFERRED EMPLOYEE COVERAGE**

(1) Any insured EMPLOYEE who terminates employment with the state and is re-employed by the state in a position eligible for health insurance within 30 days or who terminates employment for a period of more than 30 days that does not comply with Wis. Adm. Code § ETF 10.08 (2) and (3) shall be deemed to have been on leave of absence for that time and is limited to previous coverage.

(2) Rehired ANNUITANTS who terminate their annuity and participate in the Wisconsin Retirement System may continue the same health insurance coverage by filing an application with the EMPLOYER within 30 days following the Wisconsin Retirement System participation begin date.

Rehired ANNUITANTS at the UW System are not eligible for the health insurance program under Wis. Stat. § 40.52 (3) for graduate assistants regardless of whether they are eligible to participate in the Wisconsin Retirement System.

(3) If an insured EMPLOYEE transfers from one state agency to another, an application must be filed within 30 days to maintain continuous coverage. If no application is filed within the 30 day enrollment period, continuous coverage may be reinstated by filing an application and paying back PREMIUM. The constructive waiver of coverage under section 3.6 will apply.

### **3.10 DEFERRED COVERAGE ENROLLMENT**

(1) Any EMPLOYEE actively employed with the state who does not elect coverage during the enrollment period provided under section 3.3, 3.12 (3), or who constructively waives coverage under section 3.6 or who subsequently cancels coverage elected under sections 3.3 or 3.4, may be insured only by electing coverage during the DUAL-CHOICE enrollment period as provided in section 3.4 (1).

(2) An EMPLOYEE or ANNUITANT enrolled for individual coverage, though eligible for family coverage may only elect family coverage during the DUAL-CHOICE enrollment period, except as provided in section 3.3.

(3) This section does not preclude an insured EMPLOYEE or ANNUITANT from changing to an alternate HEALTH PLAN during a DUAL-CHOICE enrollment period offered under section 3.4.

(4) A retired EMPLOYEE of the state who is receiving a retirement annuity or has received a lump sum payment under Wis. Stat. § 40.25 (1); or an EMPLOYEE of the state who terminates creditable service after attaining 20 years of creditable service, remains a participant in the Wisconsin Retirement System and is not eligible for an immediate annuity may enroll for coverage during the DUAL-CHOICE enrollment period.

(5) An eligible EMPLOYEE or EMPLOYEE on leave of absence under Wis. Stat. § 40.02 (40) who is not enrolled for coverage, may enroll in the STANDARD PLAN 30 days prior to retirement for the purpose of delaying initiation of post-retirement EMPLOYER premium contribution per Wis. Stat. § 40.05 (4) (b). An EMPLOYEE is not allowed to enroll in the High Deductible Health Plan option as part of this provision.

### **3.11 COVERAGE OF SPOUSE, DOMESTIC PARTNER, OR DEPENDENT**

(1) If both spouses or both DOMESTIC PARTNERS are ANNUITANTS or employed through the State of Wisconsin and both are eligible for coverage, each may elect individual coverage, but if one spouse elects family coverage, the other eligible spouse may be covered as a DEPENDENT but may not have any other coverage. PARTICIPANTS can only be covered under one State Group Health Insurance Program (including Wisconsin Public Employers State Group Health Insurance Program) contract. As permitted by Section 125 of the Internal Revenue Code, two single contracts may be combined to one family contract, a family contract may be converted to two single contracts, or the family coverage may be changed from one spouse or one DOMESTIC PARTNER to the other without penalty effective the first day of the calendar month which begins on or after the date the EMPLOYER receives the application, or a later date as specified on the application. If the spouses or DOMESTIC PARTNERS have coverage with different HEALTH PLANS at the time of marriage or the effective date of the domestic partnership or when two single contracts are combined to one family contract, they may elect family coverage with either HEALTH PLAN effective the first day of the calendar month which begins on or after the date the EMPLOYER receives the application. Should the spouses become divorced or the domestic partnership terminated while carrying family coverage, the divorced spouse or former DOMESTIC PARTNER may elect coverage with any HEALTH PLAN without lapse if the EMPLOYER received the application within 30 days of the divorce or termination of the domestic partnership.

(2) If both DOMESTIC PARTNERS are ANNUITANTS or employed through the State of Wisconsin and both are eligible for coverage, each may elect individual coverage, but if one DOMESTIC PARTNER elects family coverage, the other eligible DOMESTIC PARTNER may be covered as a DEPENDENT but may not have any other coverage except if necessary to avoid imputed income. If both DOMESTIC PARTNERS are ANNUITANTS or employed through the State of Wisconsin and a participating Wisconsin Public EMPLOYER and both are eligible for coverage, each may elect individual or family coverage. As permitted by Section 125 of the Internal Revenue Code, two single contracts may be combined to one family contract, a family contract may be converted to two single contracts, or the family coverage may be changed from one DOMESTIC PARTNER to the other without penalty effective the first day of the calendar month which begins on or after the date the EMPLOYER receives the application, or a later date as specified on the application. If the DOMESTIC PARTNERS have coverage with different HEALTH PLANS at the time of the effective date of the domestic partnership or when two single contracts are combined to one family contract, they may elect family coverage with either HEALTH PLAN effective the first day of the calendar month which begins on or after the date the EMPLOYER receives the application. Should the domestic partnership terminate while carrying family coverage, the former DOMESTIC PARTNER may elect coverage with any HEALTH PLAN without lapse if the EMPLOYER received the application within 30 days of the termination of domestic partnership.

(3) A DEPENDENT or SUBSCRIBER cannot be covered at the same time by two separate SUBSCRIBERS of the State Group Health Insurance Program (including the Wisconsin Public Employers State Group Health Insurance Program). In the event it is

determined that a DEPENDENT is covered by two separate SUBSCRIBERS, the SUBSCRIBERS will be notified and will have 30 days to determine which SUBSCRIBER will remove coverage of the DEPENDENT and submit an application to remove the DEPENDENT. If the DEPENDENT(S) is to be newly covered by a SUBSCRIBER that has single coverage, the contract may be converted to a family contract. The effective date will be the first of the month following receipt of the application. The health plan(s) will be notified.

### **3.12 COVERAGE DURING AN UNPAID LEAVE OF ABSENCE**

(1) Any insured EMPLOYEE may continue coverage during any EMPLOYER approved leave of absence or LAYOFF for up to 36 months. Insurance coverage may be continued beyond 36 months if the approved leave is a union service leave as provided for under Wis. Stats. § 40.02 (56) and 40.03 (6) (g). A return from a leave of absence under Wis. Stat. § 40.02 (40) is deemed to be the first day the EMPLOYEE returns to work if the EMPLOYEE resumes active performance of duty for 30 consecutive days for at least 50% of the EMPLOYEE'S normal work time. If the EMPLOYEE does not complete 30 days of duty, the EMPLOYEE is not deemed to have returned from leave and coverage will continue as an EMPLOYEE on leave of absence.

(2) The EMPLOYER contribution toward PREMIUM continues for the first three months of the LAYOFF or leave of absence for which PREMIUMS have not already been deducted, after which the insured EMPLOYEE is responsible for payment of the full PREMIUM that must be paid in advance. Each payment must be received by the EMPLOYER at least 30 days prior to the end of the coverage period for which PREMIUMS had previously been paid. Retroactive EMPLOYER refunds resulting from termination for non-payment of PREMIUM by the EMPLOYEE are not allowed.

(3) Any insured EMPLOYEE for whom coverage lapses, or who allows family coverage to lapse during the leave of absence but continues individual coverage, as a result of non-payment of PREMIUM may reinstate coverage by filing an application with the EMPLOYER within 30 days after the return to work. Coverage is effective the 1st day of the month on or after the date the EMPLOYER receives the application. The EMPLOYEE becomes eligible for the EMPLOYER contribution toward PREMIUM for the coverage month the leave of absence ends.

(4) If such an EMPLOYEE was on a leave under the Family Medical Leave Act (FMLA) coverage is effective upon the date of re-employment in accordance with federal law. EMPLOYEES shall also have the enrollment opportunities as described in section 3.3 (7) (a) while on leave of absence. A full month's PREMIUM is due for that month if coverage is effective before the 16th of that month. Otherwise, the entire PREMIUM for that month is waived.

(5) For the purpose of this provision and in accordance with Wis. Stat. §40.05 (4g), an eligible EMPLOYEE includes National Guard and Military Reserve personnel on an unpaid military leave of absence for active duty for reasons other than for training. The EMPLOYEE must be receiving EMPLOYER contributions for health insurance on the date he or she is activated for duty. The thirty-six month limitation for continuing coverage, described in (1) above, does not apply.

The EMPLOYEE may elect to:

- (a) Continue health insurance coverage and establish prepayment of PREMIUMS while on active duty; or
- (b) Within 60 days of being activated for coverage, let his or her coverage lapse for nonpayment of PREMIUM after being activated for duty and reinstate coverage while on leave by filing a health insurance application; or
- (c) Allow his or her coverage to lapse and reapply for coverage within 30 days of return to employment, provided the EMPLOYEE applies for re-employment within 90 days after release from active duty, and resumes employment within 180 days.

### **3.13 COVERAGE DURING APPEAL FROM REMOVAL OR DISCHARGE**

(1) An insured EMPLOYEE who has exercised a statutory or contractual right of appeal from removal or discharge from his or her position, or who within 30 days of discharge becomes a party to arbitration or to legal proceedings to obtain judicial review of the legality of the discharge, may continue to be insured from the date of the contested discharge until a final decision has been reached. Within 30 days of the date of discharge the EMPLOYEE must submit to the EMPLOYER the initial PREMIUM payment to keep the coverage in force. Additional payments may be made until a determination has been reached, but shall be submitted to the EMPLOYER at least 30 days prior to the end of the coverage period for which PREMIUMS were previously paid.

(2) If the final decision is adverse to the EMPLOYEE, the date of termination of employment shall, for purposes of health care coverage, be the end of the month in which the decision becomes final by expiration without appeal of the time within which an appeal might have been perfected, or by final affirmation on appeal.

(3) The PREMIUMS referred to in this section shall be the gross amount paid to the HEALTH PLAN for the particular coverage, including the pharmacy and administrative fees. The EMPLOYEE shall be required to pay any amounts normally considered the EMPLOYER contribution. If the right of the EMPLOYEE to the position is sustained, the EMPLOYER shall refund to the EMPLOYEE any amounts paid in excess of the normal EMPLOYEE contribution.

### **3.14 CONTINUED COVERAGE OF SURVIVING DEPENDENTS**

(1) As required by Wis. Adm. Code § ETF 40.01, the surviving insured DEPENDENT of an insured EMPLOYEE or ANNUITANT shall have the right to continue coverage, either individual or family. A DEPENDENT that regains eligibility and was previously insured under a contract of a deceased EMPLOYEE or ANNUITANT or a child of the EMPLOYEE or ANNUITANT who is in the process of being adopted by the deceased EMPLOYEE or ANNUITANT or born within nine months after the death of the EMPLOYEE or ANNUITANT will be eligible for coverage under the survivor's contract until such time that they are no longer eligible.

(2) Coverage under this section shall be effective on the first day of the calendar month following the date of death of the insured EMPLOYEE or ANNUITANT, and shall remain in effect until such time as the DEPENDENT coverage would normally cease had the death not occurred.

(3) PREMIUMS shall be paid:

(a) From accumulated leave credits until exhausted, then

(b) By deductions from an annuity that the surviving DEPENDENT is receiving from the Wisconsin Retirement System. If the annuity is insufficient to allow PREMIUM deductions, then

(c) Directly to the HEALTH PLAN.

### **3.15 COVERAGE OF EMPLOYEES AFTER RETIREMENT**

(1) Coverage for an insured EMPLOYEE shall be continued if the EMPLOYEE:

(a) Retires on an immediate annuity as defined under Wis. Stat. § 40.02 (38),

(b) EMPLOYEES who receive a disability annuity and remain continuously covered under the group shall be considered to have met the requirements for an immediate annuity for health insurance purposes. If the disability annuity terminates and the PARTICIPANT continues to meet the definition of eligible EMPLOYEE under Wis. Stat. § 40.02 (25), the individual is eligible to continue using accumulated leave credits until exhausted under Wis. Stat. § 40.05 (4) (b).

(c) Terminates employment after attaining 20 years of creditable service. An application for continued coverage must be filed with the DEPARTMENT within 90 days of the termination of employment if the terminated EMPLOYEE is not eligible for an immediate annuity.

(d) Receives a long-term disability benefit as provided for under Wis. Adm. Code § ETF 50.40.

(2) Coverage for a person otherwise eligible who is entitled to:

(a) and applies for an immediate annuity under Wis. Stat. § 40.02 (38), may be reinstated even if during any period preceding retirement, insurance has not been in effect while no earnings were received, or insurance has been continued under COBRA continuation through the State's health insurance program. An application for health insurance must be received by the DEPARTMENT within 30 days after the date of the DEPARTMENT'S notification of eligibility for health insurance. Coverage shall be effective the first day of the calendar month which occurs on or after the date the application for health insurance has been received.

(b) and applies for an LTDI benefit under Wis. Adm. Code § ETF 50.40, or a duty disability benefit under Wis. Stat. § 40.65, may be reinstated even if, during the period preceding the benefit approval, no insurance was in effect while no earnings were received, or insurance has been continued under COBRA continuation through the State's health insurance program. An application for health insurance must be received by the DEPARTMENT within 30 days after the date of the DEPARTMENT'S notification of eligibility for health insurance. Coverage shall be effective the first day of the calendar month which occurs on or after the date the application for health insurance has been received.

(3) The DEPARTMENT may authorize PREMIUM payments to be made directly to the HEALTH PLAN where circumstances require such. Failure to make required PREMIUM payments by the due dates established by the HEALTH PLAN and approved by the DEPARTMENT shall cause the health care coverage to be cancelled.

### **3.16 COVERAGE OF EMPLOYEES, ANNUITANTS, SURVIVING DEPENDENTS AND CONTINUANTS ELIGIBLE FOR MEDICARE**

(1) Each insured ANNUITANT, their DEPENDENTS or surviving DEPENDENTS, who becomes insured under federal plans for hospital and medical care for the aged (Medicare) may continue to be insured, but at reduced PREMIUM rates as specified by the BOARD.

(2) The reduction in PREMIUM shall be effective on the first day of the calendar month, which begins on or after the date the PARTICIPANT is eligible for the Medicare hospital and medical insurance benefits (Parts A and B) as the primary payor and coverage is provided under an annuitant group number.

(3) Except in cases of fraud which shall be subject to section 3.18 (5), coverage for any PARTICIPANT enrolled in Medicare coordinated coverage who does not enroll in Medicare Part B when it is first available as the primary payor or who subsequently cancels Medicare coverage shall be limited in accordance with Uniform Benefits IV., A., 11., b. However, retrospective adjustments to PREMIUM or claims for coverage not validly in force shall be limited to the shortest retroactive enrollment limit set by Medicare for either medical or prescription drug claims, not to exceed six months. This may limit the amount of PREMIUM refund for the SUBSCRIBER. In such a case, the PARTICIPANT must enroll in Medicare Part B at the next available opportunity.

In the event that a PARTICIPANT is enrolled in regular coverage, the DEPARTMENT will direct the HEALTH PLAN to refund any PREMIUM paid in excess of the Medicare reduced PREMIUM for any months for which BENEFITS are reduced in accordance with Uniform Benefits IV., A., 11., b. In such cases, the HEALTH PLAN will make claims adjustments prospectively. However, PREMIUM refunds for retroactive enrollment on a Medicare reduced contract will correspond with the retroactive enrollment limits and requirements established by Medicare for medical and/or prescription drug coverage. This may limit the amount of PREMIUM refund for the SUBSCRIBER.

(4) Enrollment under the federal plans for hospital and medical care for the aged (Medicare) by SUBSCRIBERS and their DEPENDENTS who are eligible for those programs is waived if the SUBSCRIBER remains covered as an active EMPLOYEE of the state. Enrollment in Medicare Part B is required for the EMPLOYEE or DEPENDENTS at the first Medicare enrollment period after active employment ceases. If an ANNUITANT, or an ANNUITANT'S spouse is covered under an active employee's group health insurance policy with another employer and that policy is the primary payor for Part A and Part B charges, the ANNUITANT or the ANNUITANT'S spouse covered under that policy may also defer enrollment in Medicare Part B (to the extent allowed by federal law) under this provision and shall pay the Medicare reduced PREMIUM for coverage under this program.

(5) Enrollment under the federal plans for hospital care for the aged (Medicare) by EMPLOYEES, ANNUITANTS and their DEPENDENTS who are eligible for those programs is waived if the insured EMPLOYEE, ANNUITANT or DEPENDENT is required to pay a premium

to enroll in the hospital portion of Medicare (Part A). However, if Part A is not elected, the reduced PREMIUM rate is not available.

(6) If a Medicare coordinated family PREMIUM category has been established for a family, and one or more family members enrolled in both parts of Medicare dies, the family PREMIUM category in effect shall not change solely as a result of the death.

(7) If the EMPLOYEE, ANNUITANT, CONTINUANT or DEPENDENT is eligible for Medicare due to permanent kidney failure or end-stage renal disease, this plan shall pay as the primary payor for the first thirty months after he or she becomes eligible for Medicare due to the kidney disease, whether or not the EMPLOYEE, ANNUITANT, CONTINUANT or DEPENDENT is enrolled in Medicare. The PREMIUM rate will be the non-Medicare rate during this period. Medicare becomes the primary payor after this thirty-month period upon enrollment in Medicare Parts A and B. If the EMPLOYEE, ANNUITANT, CONTINUANT or DEPENDENT has more than one period of Medicare enrollment based on kidney disease, there is a separate thirty-month period during which this plan will again be the primary payor. No reduction in PREMIUM is available for active EMPLOYEES under this section.

(8) As required by Medicare rules, Medicare is the primary payor for DOMESTIC PARTNERS age 65 and older who are enrolled in Medicare, regardless of the work status of the SUBSCRIBER. The reduction in PREMIUM is available only when the coverage is provided under a non-employer group number.

### **3.17 CONTRACT TERMINATION**

(1) The CONTRACT terminates on the date specified on the signatory page. The BOARD, by September 1, or the HEALTH PLAN, by the date specified in the Guidelines, section II., J., shall provide notice of its intent not to contract for the following contract year by providing notice to the other party. The HEALTH PLAN must provide written notification to its SUBSCRIBERS that it will not be offered during the next calendar year. This notification must be sent prior to the DUAL-CHOICE enrollment period.

(2) If the HEALTH PLAN terminates this CONTRACT as required by sub. (1), any PARTICIPANT who is receiving BENEFITS as an INPATIENT on the date of termination shall continue to receive all BENEFITS otherwise available to INPATIENTS until the earliest of the following dates:

- (a) The CONTRACT maximum is reached.
- (b) The attending physician determines that confinement is no longer medically necessary.
- (c) The end of 12 months after the date of termination.
- (d) Confinement ceases.

(3) If the HEALTH PLAN ceases to be offered after a PARTICIPANT has fully satisfied a deductible, which is required initially, but not in subsequent time periods, but prior to the completion of the treatment program, liability for such services remains the responsibility of the HEALTH PLAN without requiring further PREMIUM payments. However, an acceptable

alternative would be for the HEALTH PLAN to refund the deductible amount to the SUBSCRIBER.

(4) If the BOARD terminates this CONTRACT as required by sub. (1), then all rights to BENEFITS shall cease as of the date of termination. The HEALTH PLAN will cooperate with the BOARD in attempting to make equitable arrangements for continuing care of PARTICIPANTS who are INPATIENTS on the termination date. Such arrangements may include but are not limited to: transferring the patient to another institution; billing the BOARD a fee for service rendered; or permitting non-plan physicians to assume responsibility for rendering care. The overall intent is to be in the best interest of the PARTICIPANT.

(5) If the HEALTH PLAN terminates this CONTRACT, the HEALTH PLAN shall not again be considered for participation in the program under Wis. Stat. § 40.03 (6) (a) for a period of three contract years.

### **3.18 INDIVIDUAL TERMINATION OF COVERAGE**

(1) A PARTICIPANT'S coverage shall terminate at the end of the month on the earliest of the following dates:

(a) The effective date of change to another HEALTH PLAN through the BOARD approved enrollment process.

(b) The expiration of the period for which PREMIUMS are paid when PREMIUMS are not paid when due. As required by federal law, if timely payment is made in an amount that is not significantly less than amount due, that amount is deemed to satisfy the HEALTH PLAN'S requirement for the amount that must be paid. However, the HEALTH PLAN may notify the PARTICIPANT of the amount of the deficiency and grant a reasonable time period for payment of that amount. Thirty days after the notice is given is considered a reasonable time period. HEALTH PLANS must notify the DEPARTMENT within one month of the effective date of termination due to non-payment of PREMIUM. PREMIUM refunds to the HEALTH PLAN are limited to one month following the termination date.

(c) The expiration of the 36 months for which the SUBSCRIBER is allowed to continue coverage while on a leave of absence or LAYOFF, as provided in section 3.12.

(d) The end of the month in which a notice of cancellation of coverage or sick leave escrow application is received by the EMPLOYER or by the DEPARTMENT in the case of an ANNUITANT or CONTINUANT, or a later date as specified on the cancellation of coverage notice or sick leave escrow application. If the ANNUITANT or CONTINUANT contacts the HEALTH PLAN directly to cancel coverage, the HEALTH PLAN is to reject the cancellation and immediately notify the ANNUITANT or CONTINUANT to submit a written cancellation notice to the DEPARTMENT.

(e) The definition of PARTICIPANT no longer applies (such as a DEPENDENT child's marriage, divorced spouse, end of a domestic partnership, etc.). As required by Wis. Stat. §632.897, if family coverage remains in effect and the EMPLOYEE fails to notify the EMPLOYER of divorce, coverage for the ex-spouse ends the last day of the month in which notification of continuation of coverage rights occurs. The EMPLOYER may collect PREMIUM retroactively from the SUBSCRIBER if the divorce was not reported in a timely manner and there were no other eligible DEPENDENTS for family coverage to remain in effect.

(f) The expiration of the continuation period for which the PARTICIPANT is allowed to continue under paragraph (4) below, as required by state and federal law.

(g) The effective date of coverage obtained with another employer group health plan of PARTICIPANT who continues under paragraph (4) below. Terminations due to enrollment in medical assistance (Medicaid), the Children's Health Insurance Program (CHIP), or Tri-Care may be retroactive to the effective date of coverage upon request by the subscriber and determination by the DEPARTMENT.

(h) The earliest date federal or state continuation provisions permit termination of coverage for any reason.

(i) The end of the month in which the SUBSCRIBER terminates employment.

(j) Upon date of death. No refund of PREMIUM may be granted for the month in which the coverage ends. If deceased subscriber has covered dependents, see 3.14 CONTINUED COVERAGE OF SURVIVING DEPENDENTS.

(2) No refund of any PREMIUM under sub. (e) may be made unless the EMPLOYER, or DEPARTMENT if applicable, receives a written request from the SUBSCRIBER by the last day of the month preceding the month for which PREMIUM has been collected or deducted. Except that when coverage ends by reason of termination of employment, refunds shall be made back to the end of the month in which employment terminates.

(3) Except when a PARTICIPANT'S coverage terminates because of voluntary cancellation or non-payment of PREMIUM, BENEFITS shall continue to the PARTICIPANT if confined as an INPATIENT, but only until the attending physician determines that confinement is no longer medically necessary, the CONTRACT maximum is reached, the end of 12 months after the date of termination, or confinement ceases, whichever occurs first.

(4) A PARTICIPANT who ceases to meet the definition of EMPLOYEE, ANNUITANT, or DEPENDENT may elect to continue group coverage as required by state and federal law. Application must be postmarked within 60 days of the date the PARTICIPANT is notified of the right to continue or 60 days from the date coverage ceases, whichever is later. The HEALTH PLAN shall bill the continuing PARTICIPANT directly for the required PREMIUM.

(5) No person other than a PARTICIPANT is eligible for health insurance BENEFITS. The SUBSCRIBER'S rights to group health insurance coverage is forfeited if a PARTICIPANT assigns or transfers such rights, or aids any other person in obtaining BENEFITS to which they are not entitled, or otherwise fraudulently attempts to obtain BENEFITS. Coverage terminates the beginning of the month following action of the BOARD. Re-enrollment is possible only if the person is employed by an EMPLOYER where coverage is available and is limited to the STANDARD PLAN.

Change to an alternate HEALTH PLAN is available during a regular DUAL-CHOICE enrollment period, which begins a minimum of 12 months after the disenrollment date.

The DEPARTMENT may at any time request such documentation as it deems necessary to substantiate SUBSCRIBER or DEPENDENT eligibility. Failure to provide such documentation upon request shall result in the suspension of BENEFITS.

(6) In situations where a PARTICIPANT has committed acts of physical or verbal abuse, or is unable to establish/maintain a satisfactory physician-patient relationship with the current or alternate primary care physician, disenrollment efforts may be initiated by the HEALTH PLAN or the BOARD. The SUBSCRIBER'S disenrollment is effective the first of the month following completion of the grievance process and approval of the BOARD. Coverage may be transferred to the STANDARD PLAN only, with options to enroll in alternate HEALTH PLANS during subsequent DUAL-CHOICE enrollment periods. Re-enrollment in the HEALTH PLAN is available during a regular DUAL-CHOICE enrollment period, which begins a minimum of 12 months after the disenrollment date.

(7) Except in cases of fraud or where an individual makes an intentional misrepresentation of material fact, under federal law, an EMPLOYER must not retroactively cancel or rescind coverage, except to the extent attributable to a failure to pay timely premiums towards coverage. It is not considered a rescission where due to administrative delay in record-keeping the EMPLOYER retroactively cancels coverage back to the date of termination of employment.

(8) Upon determination that a SUBSCRIBER is ineligible for the HIGH DEDUCTIBLE HEALTH PLAN (HDHP), coverage shall revert to the coinsurance Uniform Benefit with the same HEALTH PLAN retroactive to either January 1 of the plan year in which the eligibility error was discovered, or the HDHP effective date if after January 1 of the current plan year. PREMIUMS and claims shall be retroactively adjusted.

### **3.19 COVERAGE CERTIFICATION**

The HEALTH PLAN certifies that providers listed on Addendum #2 or on any of the HEALTH PLAN'S publications of providers are either under contract for all of the ensuing calendar year or the HEALTH PLAN will pay charges for BENEFITS on a fee-for-service basis. Those providers have agreed to accept new patients unless specifically indicated otherwise.

### **3.20 ADMINISTRATION OF BENEFIT MAXIMUMS, DEDUCTIBLES, AND OUT-OF-POCKET LIMITS UNDER UNIFORM BENEFITS**

(1) If a PARTICIPANT changes HEALTH PLANS during a CONTRACT year (e.g., due to a change in residence), any annual BENEFIT maximums, deductibles, or out-of-pocket limits under Uniform Benefits will start over at \$0 with the new HEALTH PLAN as of the EFFECTIVE DATE of coverage with the new HEALTH PLAN with the exception of the prescription drug BENEFIT annual out-of-pocket maximum for the IYC Health Plan. The deductibles and out-of-pocket limits are combined for the HDHP, therefore, the prescription drug BENEFIT annual out-of-pocket accumulation will start over if the PARTICIPANT changes insurers.

(2) If a PARTICIPANT changes the level of coverage (e.g., single to family), transfers to another State agency, or has a spouse-to-spouse or DOMESTIC PARTNER to DOMESTIC PARTNER transfer resulting in a change of SUBSCRIBER, but does not change HEALTH PLANS, the annual BENEFIT maximums, deductibles, and out-of-pocket limits will continue to accumulate for that year. NOTE: No accumulations transfer if an employee moves from state to local (or vice versa) coverage, regardless if they remain covered by the same insurer.

(3) The HEALTH PLAN shall provide the PARTICIPANT with medical BENEFIT accumulations upon request. This requirement can be satisfied through the mailing of a plan explanation of benefits.

(4) The HEALTH PLAN shall apply any and all Maximum Out-of-Pocket limits as required by state and federal law.

This CONTRACT sets forth the terms and conditions for the HEALTH PLAN to provide group health care BENEFITS for EMPLOYEES, ANNUITANTS, and their DEPENDENTS eligible for coverage offered to EMPLOYERS as provided by Wis. Stat. § 40.51 (7).

#### ARTICLE 1 DEFINITIONS

The following terms, when used and capitalized in this CONTRACT are defined and limited to that meaning only:

**1.1 "ANNUITANT"** means any currently insured retired EMPLOYEE of a participating EMPLOYER: receiving an immediate annuity under the Wisconsin Retirement System, or a long-term disability benefit under Wis. Adm. Code § ETF 50.40, or a disability benefit under Wis. Stat § 40.65, or a person with 20 years of creditable service who is eligible for an immediate annuity but defers application, or a person receiving an annuity through a program administered by the DEPARTMENT under Wis. Stat. § 40.19 (4) (a).

**1.2 "BENEFITS"** means those items and services as listed in Uniform Benefits.

**1.3 "BOARD"** means the Group Insurance Board.

**1.4 "CONTINUANT"** means any SUBSCRIBER enrolled under the federal or state continuation provisions as described in Article 2.9.

**1.5 "CONTRACT"** means this document which includes all attachments, supplements, endorsements or riders.

**1.6 "DEPARTMENT"** means the Department of Employee Trust Funds.

**1.7 "DEPENDENT"** means, as provided herein, the SUBSCRIBER'S:

- Spouse.
- DOMESTIC PARTNER, if elected.
- Child.
- Legal ward who becomes a permanent legal ward of the SUBSCRIBER, SUBSCRIBER'S spouse or insured DOMESTIC PARTNER prior to age 19.
- Adopted child when placed in the custody of the parent as provided by Wis. Stat. § 632.896.
- Stepchild.
- Child of the DOMESTIC PARTNER insured on the policy.
- Grandchild if the parent is a DEPENDENT child.

(1) A grandchild ceases to be a DEPENDENT at the end of the month in which the DEPENDENT child (parent) turns age 18.

(2) A spouse and a stepchild cease to be DEPENDENTS at the end of the month in which a marriage is terminated by divorce or annulment. A DOMESTIC PARTNER and his or her children cease to be DEPENDENTS at the end of the month in which the domestic partnership is no longer in effect.

(3) All other children cease to be DEPENDENTS at the end of the month in which they turn 26 years of age, whichever occurs first, except that:

(a) An unmarried dependent child who is incapable of self-support because of a physical or mental disability that can be expected to be of long-continued or indefinite duration of at least one year is an eligible DEPENDENT, regardless of age, as long as the child remains so disabled and he or she is dependent on the SUBSCRIBER (or the other parent) for at least 50% of the child's support and maintenance as demonstrated by the support test for federal income tax purposes, whether or not the child is claimed. If the SUBSCRIBER should decease, the disabled adult DEPENDENT must still meet the remaining disabled criteria and be incapable of self-support. The HEALTH PLAN will monitor eligibility annually, notifying the EMPLOYER and DEPARTMENT when terminating coverage prospectively upon determining the DEPENDENT is no longer so disabled and/or meets the support requirement. The HEALTH PLAN will assist the DEPARTMENT in making a final determination if the SUBSCRIBER disagrees with the HEALTH PLAN determination.

(b) After attaining age 26, as required by Wis. Stat. § 632.885, a DEPENDENT includes a child that is a full-time student, regardless of age, who was called to federal active duty when the child was under the age of 27 years and while the child was attending, on a full-time basis, an institution of higher education.

(4) A child born outside of marriage becomes a DEPENDENT of the father on the date of the court order declaring paternity or on the date the acknowledgement of paternity is filed with the Department of Health Services (or equivalent if the birth was outside of Wisconsin) or the date of birth with a birth certificate listing the father's name. The EFFECTIVE DATE of coverage will be the date of birth if a statement or court order of paternity is filed within 60 days of the birth.

(5) A child who is considered a DEPENDENT ceases to be a DEPENDENT on the date the child becomes insured as an eligible EMPLOYEE.

(6) Any DEPENDENT eligible for BENEFITS who is not listed on an application for coverage will be provided BENEFITS based on the date of notification with coverage effective the first of the month following receipt of the subsequent application by the EMPLOYER, except as required under Wis. Stat. § 632.895 (5) and 632.896 and as specified in Article 3.3 (11).

**1.8 "DOMESTIC PARTNER"** means an individual that certifies in an affidavit along with his or her partner that they are in a domestic partnership as provided under Wis. Stat. § 40.02 (21d), which is a relationship between two individuals that meets all of the following conditions:

- Each individual is at least 18 years old and otherwise competent to enter into a contract.
- Neither individual is married to, or in a domestic partnership with, another individual.
- The two individuals are not related by blood in any way that would prohibit marriage under Wisconsin law.
- The two individuals consider themselves to be members of each other's immediate family.

- The two individuals agree to be responsible for each other's basic living expenses.
- The two individuals share a common residence. Two individuals may share a common residence even if any of the following applies:
  - Only one of the individuals has legal ownership of the residence.
  - One or both of the individuals have one or more additional residences not shared with the other individual.
  - One of the individuals leaves the common residence with the intent to return.

**1.9 "DUAL-CHOICE"** means the enrollment period referred to in DEPARTMENT materials as the It's Your Choice enrollment period that is available at least annually to insured SUBSCRIBERS allowing them the opportunity to change HEALTH PLANS and/or coverage and also to eligible EMPLOYEES to enroll for coverage in any HEALTH PLAN offered by the BOARD.

**1.10 "EFFECTIVE DATE"** means the date, as certified by the DEPARTMENT and shown on the records of the HEALTH PLAN in which the PARTICIPANT becomes enrolled and entitled to the BENEFITS specified in this CONTRACT.

**1.11 "EMPLOYEE"** means an eligible EMPLOYEE as defined under Wis. Stats. § 40.02 (46) or 40.19 (4) (a), of an EMPLOYER as defined under Wis. Stat. § 40.02 (28), other than the state, which has acted under Wis. Stat. § 40.51 (7), to make health care coverage available to its EMPLOYEES.

**1.12 "EMPLOYER"** means an employer who has acted under Wis. Stat. § 40.51 (7), to make health care coverage available to its EMPLOYEES.

**1.13 "FAMILY SUBSCRIBER"** means a SUBSCRIBER who is enrolled for family coverage and whose DEPENDENTS are thus eligible for BENEFITS.

**1.14 "HEALTH PLAN"** means the alternate health care plan signatory to this agreement.

**1.15 "INDIVIDUAL SUBSCRIBER"** means a SUBSCRIBER who is enrolled for personal coverage only and whose DEPENDENTS, if any, are thus not eligible for BENEFITS.

**1.16 "INPATIENT"** means a PARTICIPANT admitted as a bed patient to a health care facility or in 24-hour home care.

**1.17 "LAYOFF"** means the same as "leave of absence" as defined under Wis. Stat. § 40.02 (40).

**1.18 "PARTICIPANT"** means the SUBSCRIBER or any of the SUBSCRIBER'S DEPENDENTS who have been specified by the DEPARTMENT to the HEALTH PLAN for enrollment and are entitled to BENEFITS.

**1.19 "PREMIUM"** means the rates shown on Attachment A plus the pharmacy rate and administration fees required by the BOARD. Those rates may be revised by the HEALTH PLAN annually, effective on each succeeding January 1 following the effective date of this

CONTRACT. The PREMIUM includes the amount paid by the EMPLOYER when the EMPLOYER contributes toward the PREMIUM.

**1.20 "STANDARD PLAN"** means the fee-for-service health care plan offered by the BOARD as provided by § 40.52 (1).

**1.21 "SUBSCRIBER"** means an EMPLOYEE, ANNUITANT, or his or her surviving DEPENDENTS, who have been specified by the DEPARTMENT to the HEALTH PLAN for enrollment and who is entitled to BENEFITS.

## ARTICLE 2 ADMINISTRATION

### 2.1 AMENDMENTS

This CONTRACT may be amended by written agreement between the HEALTH PLAN and the BOARD at any time.

### 2.2 COMPLIANCE WITH THE CONTRACT AND APPLICABLE LAW

(1) In the event of a conflict between this CONTRACT and any applicable federal or state statute, administrative rule, or regulation; the statute, rule, or regulation will control.

(2) In connection with the performance of work under this CONTRACT, the HEALTH PLAN agrees not to discriminate against EMPLOYEES or applicants for employment because of age, race, religion, creed, color, handicap, physical condition, developmental disability as defined in Wis. Stat. § 51.01 (5); marital status, sex, sexual orientation, national origin, ancestry, arrest record, conviction record; or membership in the national guard, state defense force, or any reserve component of the military forces of the United States or this state. The HEALTH PLAN agrees to maintain a written affirmative action plan, which shall be available upon request to the DEPARTMENT.

(3) The HEALTH PLAN shall comply with all applicable requirements and provisions of the Americans with Disabilities Act (ADA) of 1990. Evidence of compliance with ADA shall be made available to the DEPARTMENT upon request.

(4) In cases where PREMIUM rate negotiations result in a rate that the BOARD'S actuary determines to be inadequately supported by data submitted by the HEALTH PLAN, the BOARD may take any action up to and including limiting new enrollment into that HEALTH PLAN.

(5) The HEALTH PLAN shall comply with all state and federal laws regarding patient privacy. The HEALTH PLAN shall notify the DEPARTMENT within one business day of discovering that the protected health information (PHI) and/or personal identifiable information (PII) of one or more PARTICIPANTS may have been breached, or has been breached, as defined by state and federal law, including Wis. Stat. § 134.98 and the federal Health Insurance Portability and Accountability Act of 1996. The HEALTH PLAN is required to report using the form provided by DEPARTMENT. Even if the full details are not known, the HEALTH PLAN must report the known information to the DEPARTMENT and then follow up to provide additional information as details are known, and as requested by the DEPARTMENT. The following categories of information shall be reported:

- Description of incident
- Root cause
- Actual or estimated number of participants impacted
- Impact list (as soon as known)
- A copy of any correspondence sent to affected participants (this must be approved by the DEPARTMENT prior to disseminating)
- Steps taken to ensure a similar incident will not be repeated

This notification requirement shall apply only to PHI or PII received or maintained by the HEALTH PLAN pursuant to this agreement. The HEALTH PLAN shall make good faith efforts to

communicate with the DEPARTMENT about breaches by major provider groups if the HEALTH PLAN knows those breaches affect PARTICIPANTS.

(6) The HEALTH PLAN shall maintain a written contingency plan describing in detail how it will continue operations and administration of benefits in certain events including, but not limited to, strike and disaster, and shall submit it to the DEPARTMENT upon request.

(7) The DEPARTMENT reserves the right to require HEALTH PLANS to assist with drafting and mailing the federally required Summary of Benefits and Coverage (SBC) to PARTICIPANTS in a manner similar to the annual informational mailing process.

### **2.3 CLERICAL AND ADMINISTRATIVE ERROR**

(1) Except for the constructive waiver provision of section 3.6, no clerical error made by the EMPLOYER, the DEPARTMENT or the HEALTH PLAN shall invalidate BENEFITS of a PARTICIPANT otherwise validly in force, nor continue such BENEFITS otherwise validly terminated.

(2) Except for the constructive waiver provision of section 3.6, if an EMPLOYEE or ANNUITANT has made application during a prescribed enrollment period for either individual or family coverage and has authorized the PREMIUM contributions, BENEFITS shall not be invalidated solely because of the failure of the EMPLOYER or the DEPARTMENT, due to clerical error, to give proper notice to the HEALTH PLAN of such EMPLOYEE'S application.

(3) In the event that an EMPLOYER erroneously continues to pay the PREMIUM for an EMPLOYEE who terminates employment, refunds of such PREMIUMS shall be limited to no more than two months of PREMIUMS paid prior to the current month of coverage.

(4) Except in cases of fraud, material misrepresentation, resolution of BOARD appeal, or when required by Medicare, retrospective adjustments to PREMIUM or claims for coverage not validly in force shall be limited to no more than six months of PREMIUMS paid. In cases where Medicare is the primary payer, retroactive adjustments to PREMIUM or claims for coverage not validly in force shall correspond with the shortest retroactive enrollment limit set by Medicare for either medical or prescription drug claims, not to exceed six months and in accordance with § 3.16 (3). No retroactive premium refunds shall be made for coverage resulting from any application due to fraud or material misrepresentation. In situations where coverage is validly in force, the EMPLOYER has not paid PREMIUM, and the EMPLOYEE does not have a required contribution, retroactive PREMIUM will be made for the entire period of coverage, regardless of the discovery date. The HEALTH PLAN is responsible for resolving discrepancies in claims payments for all Medicare data match inquiries.

(5) In the event that an EMPLOYER determines an EFFECTIVE DATE under Wis. Stat. § 40.51 (7) based on information obtained from the DEPARTMENT available at the time the application is filed, such application shall not be invalidated solely as a result of an administrative error in determining the proper effective date of EMPLOYER contribution. No such error will result in providing coverage for which the EMPLOYEE would otherwise not be entitled, except as required by law.

## 2.4 REPORTING

(1) EMPLOYEES, ANNUITANTS and CONTINUANTS shall become or be SUBSCRIBERS if they have filed with the EMPLOYER or DEPARTMENT, if applicable, an application in the form prescribed by the DEPARTMENT, and are eligible in accordance with this CONTRACT, the law, the administrative rules, and regulations of the DEPARTMENT.

(2) On or before the effective date of this CONTRACT, the DEPARTMENT shall furnish electronic eligibility files to the HEALTH PLAN showing the INDIVIDUAL SUBSCRIBERS and FAMILY SUBSCRIBERS entitled to BENEFITS under the CONTRACT during the first month that it is in effect, and such other reasonable data as may be necessary for HEALTH PLAN administration. The DEPARTMENT shall furnish electronic eligibility files while the CONTRACT is in effect.

(3) Monthly or upon request by the DEPARTMENT, the HEALTH PLAN shall submit a data file (or audit listing, if requested by the DEPARTMENT) to establish or update the DEPARTMENT'S membership files in a file format as identified by the DEPARTMENT after seeking input from the HEALTH PLANS. The HEALTH PLAN shall submit these files using the SUBSCRIBER identifiers (currently Social Security Number and unique DEPARTMENT identifier) determined by the DEPARTMENT. The HEALTH PLAN shall create separate files for SUBSCRIBERS and DEPENDENTS, in a format and timeframe specified by the DEPARTMENT, and submit them to the DEPARTMENT or its designated database administrator. When the DEPARTMENT sends HEALTH PLAN error reports showing SUBSCRIBER and DEPENDENT records failing one or more edits, the HEALTH PLAN shall correct and resubmit the failed records with its next update. The HEALTH PLAN shall at least annually collect from SUBSCRIBERS coordination of benefits information necessary to coordinate BENEFITS under the Wisconsin Administrative Code and report this information to the DEPARTMENT at least annually. HEALTH PLANS must follow the DEPARTMENT'S file transfer protocols (FTP), such as using the DEPARTMENT'S secured FTP site to submit and retrieve files.

(4) Unless individually waived by the BOARD, each HEALTH PLAN will submit the current applicable version of the Healthcare Effectiveness Data and Information Set (HEDIS) for its commercial membership by a date specified by the DEPARTMENT for the previous calendar year. The data set will be for both the entire HEALTH PLAN membership and the state group membership where applicable. The HEALTH PLAN will include the state group membership prescription drug data from the pharmacy benefit manager in their reported prescription drug measures consistent with NCQA requirements. The data will be supplied in a format specified by the DEPARTMENT.

(5) HEALTH PLANS shall submit all reports and comply with all material requirements set forth in the GUIDELINES or the BOARD may terminate the CONTRACT between the HEALTH PLAN and the BOARD at the end of the calendar year, restrict new enrollment into the HEALTH PLAN, or the DEPARTMENT may impose other sanctions as deemed appropriate. These sanctions may include, but are not limited to, financial penalties of no more than \$100 per day per occurrence, to begin on the 2<sup>nd</sup> day following the date notice of non-compliance is delivered to the HEALTH PLAN. Such financial penalty will not exceed \$5,000 per occurrence. The penalty may be waived if timely submission is prevented for due cause, as determined by the DEPARTMENT.

(6) HEALTH PLANS must submit claims data for all PARTICIPANTS for all claims processed for dates of service from January 1, 2014 through December 31, 2017, to the DEPARTMENT'S data warehouse in the file format and frequency specified by the DEPARTMENT in the most recent Claims Data Specifications document (Addendum 3). HEALTH PLANS must also submit provider data for providers under contract anytime from January, 2014 through December, 2017, to the DEPARTMENT'S data warehouse in the file format and frequency specified by the DEPARTMENT in the Provider Data Specifications document (Addendum 4). The DEPARTMENT will specify and communicate a schedule of deliverables and due dates once the data warehouse vendor is under contract.

Plans must also submit claims for dates of service in 2017 during a six (6) month run-out period from January 1, 2018 - June 30, 2018. The DEPARTMENT will withhold 25% of the December, 2017 premium, to be paid not later than April 1, 2018, unless there are issues receiving timely run-out claims data in 2018. In the event of issues receiving run-out claims per the DEPARTMENT'S timeline, the DEPARTMENT will withhold the final 25% premium payment until all run-out claims are received.

(4) If erroneous or misleading information is sent to SUBSCRIBERS by a provider or subcontractor, the DEPARTMENT may require a HEALTH PLAN mailing to correctly inform PARTICIPANTS.

## **2.6 FINANCIAL ADMINISTRATION**

By the end of any calendar month, the DEPARTMENT shall transmit to the HEALTH PLAN that month's estimated PREMIUM for SUBSCRIBERS who are properly enrolled less the pharmacy premium and administration fees required by the BOARD.

## **2.7 INSOLVENCY (OR SOLVENCY)**

(1) The HEALTH PLAN shall maintain appropriate bonding and/or reinsurance and shall submit documentation at the request of the DEPARTMENT. The appropriate bonding and/or reinsurance ensures that, in the event the HEALTH PLAN becomes insolvent or otherwise unable to meet the financial provisions of this CONTRACT, bonding or reinsurance exists to pay those obligations. Such bonding or reinsurance shall continue BENEFITS for all PARTICIPANTS at least until the end of the calendar month in which insolvency is declared. For

a PARTICIPANT then confined as an INPATIENT, BENEFITS shall continue until the confinement ceases, the attending physician determines confinement is no longer medically necessary, the end of 12 months from the date of insolvency, or the CONTRACT maximum is reached, whichever occurs first. The DEPARTMENT will establish enrollment periods during which SUBSCRIBERS may transfer to another HEALTH PLAN.

(2) The HEALTH PLAN shall submit to the DEPARTMENT on an annual basis, information on its financial condition including a balance sheet, statement of operations, financial audit reports, and utilization statistics.

## **2.8 DUE DATES**

(1) Reports and remittances from EMPLOYERS required in the administration of the group health insurance program shall be submitted to the DEPARTMENT no later than the 24<sup>th</sup> day of the calendar month for the current month's coverage. The remittance by the EMPLOYER shall be the amount invoiced by the DEPARTMENT.

(2) The EMPLOYER shall immediately validate and enter into the DEPARTMENT'S myETF Benefits system the completed applications filed by newly eligible EMPLOYEES or require EMPLOYEES to submit their request directly through myETF Benefits. For any requests submitted by a newly eligible EMPLOYEE through myETF Benefits, the EMPLOYER shall immediately validate and approve the completed application.

## **2.9 CONTINUATION OR CONVERSION OF INSURANCE**

(1) Except when coverage is canceled, PREMIUMS are not paid when due, coverage is terminated as permitted by state or federal law, or the EMPLOYER is not notified of the PARTICIPANT'S loss of eligibility as required by law, a PARTICIPANT who ceases to be eligible for BENEFITS may elect to continue group coverage for a maximum of 36 months from the date of the qualifying event or the date of the EMPLOYER notice, whichever is later. Application must be received by the DEPARTMENT postmarked within 60 days of the date the PARTICIPANT is notified by the EMPLOYER of the right to continue or 60 days from the date coverage ceases, whichever is later. The HEALTH PLAN shall bill the continuing PARTICIPANT directly for required PREMIUMS. The HEALTH PLAN may not apply a surcharge to the PREMIUM, even if otherwise permitted under State or federal law.

If the PARTICIPANT does not reside in a county listing a primary physician for the SUBSCRIBER'S HEALTH PLAN at the time continuation coverage is elected, the PARTICIPANT may elect a participating plan in the county where the PARTICIPANT resides.

(2) Such PARTICIPANT may also elect to convert to individual coverage without underwriting if application is made directly to the HEALTH PLAN within 30 days after termination of group coverage as provided under Wis. Stat. §632.897. The PARTICIPANT shall be eligible to apply for the direct pay conversion contract then being issued provided coverage is continuous and the PREMIUMS then in effect for the conversion contract are paid without lapse. The HEALTH PLAN must notify a PARTICIPANT at least 60 days prior to loss of eligibility for COBRA coverage and will also notify the PARTICIPANT of other available options, including the availability of conversion coverage. This does not include termination of coverage due to non-payment of PREMIUM. The right to a conversion contract will also be offered when the PARTICIPANT reaches the maximum length of continuation of group coverage.

(3) Children born or adopted while the parent is continuing group coverage may also be covered for the remainder of the parent's period of continuation. A PARTICIPANT who has single coverage must elect family coverage within 60 days of the birth or adoption in order for the child to be covered. The HEALTH PLAN will automatically treat the child as a qualified DEPENDENT, as required by COBRA and provide any required notice of COBRA rights.

## **2.10 GRIEVANCE PROCEDURE**

(1) Any dispute about health insurance BENEFITS or claims arising under the terms and conditions of the CONTRACT shall first be submitted for resolution through the HEALTH PLAN'S and/or Pharmacy Benefit Manager's (PBM) internal grievance process and may then, if necessary and appropriate, be submitted to the DEPARTMENT. The PARTICIPANT may file a complaint for review with an Ombudsperson at the DEPARTMENT. The PARTICIPANT may also request a departmental determination. The determination of the DEPARTMENT is final and not subject to further review unless a timely appeal of the determination by the DEPARTMENT is submitted to the BOARD, as provided by Wis. Stat. § 40.03 (6) (i) and Wis. Adm. Code § ETF 11.01 (3). The decision of the BOARD is reviewable only as provided in Wis. Stat. § 40.08 (12). However, the DEPARTMENT will not issue a determination regarding denials of coverage by a HEALTH PLAN and/or PBM based on medical necessity, appropriateness, health care setting, level of care, effectiveness of a covered benefit, experimental treatment, pre-existing condition, or the rescission of a policy or certificate that can be resolved through the independent review process under Wis. Stat. § 632.835 and Wis. Adm. Code § INS 18.11.

(2) The PARTICIPANT may also request an independent review as provided under Wis. Stat. § 632.835 and Wis. Adm. Code § INS 18.11. In this event, the DEPARTMENT must be notified by the HEALTH PLAN of the PARTICIPANT'S request at the same time the Office of the Commissioner of Insurance is notified in a manner that is defined by the DEPARTMENT. In accordance with Wis. Stat. § 632.835 and Wis. Adm. Code § INS 18.11 any decision by an Independent Review Organization is final and binding except for any decision regarding the rescission of a policy or certificate. Apart from these two exceptions, PARTICIPANTS have no further right to administrative review by the DEPARTMENT or BOARD once the Independent Review Organization decision is rendered. Within 14 days of the Independent Review Organization rendering its determination, the HEALTH PLAN must notify the DEPARTMENT of the outcome and the Independent Review Organization's fee for the review.

(3) The HEALTH PLAN'S grievance procedure must be included as Attachment B. At a minimum, the grievance process must comply with Wis. Adm. Code § INS 18.03 or any other statutes or administrative codes that relate to managed care grievances. This extends to any "carve-out" services (e.g., chiropractic, mental health).

(4) The PARTICIPANT must be provided with notice of the right to grieve and a minimum period of 60 days to file a grievance after written denial of a BENEFIT or other occurrence of the cause of the grievance along with the Uniform Benefit contractual provision(s) upon which the denial is based.

(5) Investigation and resolution of any grievance will be initiated within 5 days of the date the grievance is filed by the complainant in an effort to effect early resolution of the problem. Grievances related to an urgent health concern will be handled within four business days of the HEALTH PLAN'S receipt of the grievance.

(6) Notification of DEPARTMENT Administrative Review Rights

In the final grievance decision letters, the HEALTH PLAN shall inform PARTICIPANTS of their right to request a DEPARTMENT review of the grievance committee's final decision and their right to request a review by an Independent Review Organization in accordance with Wis. Adm. Code § INS 18.11, using the language approved by the DEPARTMENT. In all final grievance decision letters, the HEALTH PLAN shall cite the specific Uniform Benefits contractual provision(s) upon which the HEALTH PLAN bases its decision and relies on to support its decision. In the event they disagree with the grievance committee's final decision, PARTICIPANTS may submit a written request to the DEPARTMENT within 60 days of the date of the final grievance decision letter. The DEPARTMENT will review, investigate, and attempt to resolve complaints on behalf of the PARTICIPANTS. Upon completion of the DEPARTMENT review and in the event that PARTICIPANTS disagree with the outcome, PARTICIPANTS may file a written request for determination from the DEPARTMENT. The request must be received by the DEPARTMENT within 60 days of the date of the DEPARTMENT final review letter.

(7) Provision of Complaint Information

All information and documentation pertinent to any decisions or actions taken regarding any PARTICIPANT complaint or grievance by a HEALTH PLAN shall be made available to the DEPARTMENT upon request. If an authorization from the PARTICIPANT is necessary, the HEALTH PLAN shall cooperate in obtaining the authorization and shall accept the DEPARTMENT'S form that complies with all applicable laws regarding patient privacy, when signed by the PARTICIPANT or PARTICIPANT'S representative, to give written authorization for release of information to the DEPARTMENT. Information may include complete copies of grievance files, medical records, consultant reports, customer service contact worksheets or any other documentation the DEPARTMENT deems necessary to review a PARTICIPANT complaint, resolve disputes or to formulate determinations. Such information must be provided at no charge within fifteen working days, or by an earlier date as requested by the DEPARTMENT.

(8) Notification of Legal Action

If a PARTICIPANT files a lawsuit naming the HEALTH PLAN as a defendant, the HEALTH PLAN must notify the DEPARTMENT'S chief legal counsel within ten working days of notification of the legal action. This requirement does not extend to cases of subrogation.

(9) If a departmental determination overturns a HEALTH PLAN'S decision on a PARTICIPANT'S grievance, the HEALTH PLAN must comply with the determination within 90 days of the date of the determination or a \$500 penalty will be assessed for each day in excess of 90 days. As used in this section, "comply" means to take action as directed in the departmental determination or to appeal the determination to the BOARD within 90 days.

## ARTICLE 3 COVERAGE

### 3.1 EFFECTIVE DATE

(1) The group health insurance program as required by Wis. Stat. § 40.51 (7), and under which the HEALTH PLAN is participating according to the terms of this CONTRACT, shall be available beginning July 1, 1987. As recommended by the DEPARTMENT'S actuary and approved by the BOARD, requirements apply to municipalities joining the program and a surcharge applied when the risk is determined to be detrimental to the existing pool. The surcharge is determined by the BOARD's actuary and cannot be appealed. The DEPARTMENT reserves the right to separately rate underwritten groups larger than 2,000 total members, as recommended by the actuary.

(2) The governing body of an EMPLOYER shall adopt a resolution for regular or other option coverage in a form prescribed by the DEPARTMENT. An EMPLOYER may elect to provide both regular and other options separately to collective bargaining units as approved by the DEPARTMENT. The resolution may provide for underwriting or rate differential as deemed appropriate by the BOARD'S actuary to be passed back to the HEALTH PLANS as determined by the DEPARTMENT in consultation with the BOARD'S actuary. The EFFECTIVE DATE of coverage shall be the beginning of the calendar month, or the beginning of the quarter for EMPLOYERS receiving a rate differential as determined through underwriting, on or after 90 days following receipt by the DEPARTMENT of the resolution, unless the resolution specifies a later month and is approved by the DEPARTMENT. At least 40 days prior to the EFFECTIVE DATE, the DEPARTMENT must receive from the EMPLOYER all EMPLOYEE and ANNUITANT applications for which coverage will begin on the EFFECTIVE DATE. If the number of EMPLOYEE applications received does not represent the minimum participation level of at least 65% of the eligible EMPLOYEES or for small EMPLOYERS as defined under Wis. Stat. § 635.02 (7), the minimum participation level in accordance with Wis. Adm. Code § INS 8.46 (2), the resolution shall become void.

EMPLOYEES who are on a leave of absence and not insured under the EMPLOYER'S plan are eligible to enroll only under section 3.10 if they returned to active employment. For ANNUITANTS and EMPLOYEES on leave of absence to be eligible under this section, they must be insured under the EMPLOYER'S current group health plan. Eligible EMPLOYEES who are not insured under the EMPLOYER'S current group health plan at the time the resolution to participate is filed or evidence of insurability is required, or those insured for single coverage who are enrolling for family coverage, shall be subject to the deferred coverage provisions of section 3.10. This limitation will not apply to PARTICIPANTS insured under another group health insurance plan administered by the DEPARTMENT. Those insured through the employer's group coverage at the time the resolution is filed who do not meet the definition of eligible employee under this program may elect continuation coverage for up to 36 months or the length of time continuation coverage would be available under the previous insurer, whichever is less.

(3) Notwithstanding section 3.2, any EMPLOYER for whom the resolution made under section 3.1 resulted in coverage effective January 1, 1988 or after shall be required to remain in the program for a minimum of 12 months. Any EMPLOYER who files a resolution after December 20, 1990, and who offers a non-participating plan as required by sub. (4) shall be required to remain in the program a minimum of three years. Any EMPLOYER who is assessed a surcharge as determined by the underwriting process shall be required to remain in the program a minimum of three years.

(4) The EMPLOYER may not offer group health insurance coverage to eligible EMPLOYEES from any health insurance carrier not participating in the health insurance program of the BOARD. EMPLOYEES who previously declined coverage for payment have a special enrollment opportunity within 30 days of the ceasing of the opt-out provision. However, the DEPARTMENT may allow any EMPLOYER to offer a non-participating plan to a group of its EMPLOYEES if it can be demonstrated to the satisfaction of the DEPARTMENT that: (1) collective bargaining barriers require such other coverage; and (2) there will be no adverse impact to the program; and (3) that the minimum number of all of the EMPLOYER'S EMPLOYEES who are eligible under Wis. Stat. § 40.51 (7), including those who are in the non-participating health plan, become insured under the program of the BOARD to meet the required participation levels as defined in (2) above. The Plan Stabilization Contribution may be increased for that EMPLOYER if less than 50% of the participating EMPLOYEES elect the STANDARD PLAN coverage. The EMPLOYER cannot later have a bargaining unit drop from this health insurance program and carry other coverage.

(5) A Large EMPLOYER (more than 50 employees who are eligible under Wis. Stat. § 40.51 (7)) may indefinitely retain a second plan, as described in (4) above, or temporarily retain a second plan for up to four years due to timing of collective bargaining or the merger or division of municipalities by executing the appropriate Resolution to Participate provided the EMPLOYER also meets the 65% participation requirement as described in (2) above. The EMPLOYER may later enroll the EMPLOYEES in the collective bargaining unit that did not enroll during the EMPLOYER'S initial enrollment period due to the EMPLOYER retaining a second plan or due to the timing of collective bargaining. The EMPLOYER must notify the DEPARTMENT, in writing, of this enrollment at least 30 days prior to the EFFECTIVE DATE of coverage for these EMPLOYEES. These EMPLOYEES may elect any available plan if they enroll with no lapse of coverage when their coverage under the other plan terminates.

(6) The EMPLOYER electing the deductible option coverage shall not pay the deductible on behalf of the EMPLOYEE/PARTICIPANT unless it is under Section 125 of the Internal Revenue Code. The EMPLOYER electing the high deductible health plan option coverage shall not pay the deductible on behalf of the EMPLOYEE/PARTICIPANT unless it is under Section 125 (health savings account) or under Section 152 and 213(d) (health reimbursement account) of the Internal Revenue Code.

(7) If participation by an EMPLOYER is approved in accordance with Sub. (2) and the subsequent participation falls under the minimum requirement, the BOARD may terminate EMPLOYER participation at the end of the calendar year by notifying the EMPLOYER prior to October 1.

(8) The EMPLOYER is responsible for notifying ANNUITANTS of the availability of coverage.

(9) The EMPLOYER is responsible for notifying any CONTINUANTS of the prior group plan of the EMPLOYER'S change of coverage to or from this health insurance program. Notification and application should be sent to his/her last known address.

### **3.2 EMPLOYER TERMINATION**

(1) The governing body of an EMPLOYER may terminate group health insurance under Wis. Stat. § 40.51 (7), for all PARTICIPANTS for whom rights to coverage were secured by the EMPLOYER'S participation by adopting a resolution in a form prescribed by the BOARD.

(2) A certified copy of the resolution in sub. (1) must be received in the DEPARTMENT by October 15 for termination to be effective at the end of the calendar year.

(3) If the EMPLOYER fails to comply with (1) or (2) above, or if the EMPLOYER fails to maintain the required participation level in the program, the DEPARTMENT may impose enrollment restrictions on the EMPLOYER as it deems appropriate to preserve the integrity of the program. The DEPARTMENT may terminate the EMPLOYER'S participation in the program on the first of the month following notification to the EMPLOYER that it has violated the terms of the CONTRACT. The DEPARTMENT may also restrict the EMPLOYER'S re-enrollment in the program beyond the restrictions set forth in item (4) below.

(4) Any EMPLOYER who terminates participation under this section may again elect to participate with an EFFECTIVE DATE not earlier than three years after the date of termination. The EMPLOYER is responsible for notifying ANNUITANTS and CONTINUANTS of coverage termination.

### **3.3 SELECTION OF COVERAGE**

(1) (a) If coverage is not elected under this section, it shall be subject to the deferred coverage provision of section 3.10. Except as otherwise provided in this section, coverage shall be effective on the first day of the month, which begins on or after the date the application is received by the EMPLOYER. No application for coverage may be rescinded on or after the EFFECTIVE DATE of coverage.

(b) An EMPLOYEE shall be insured if coverage is selected as provided for in section 3.1 (2). If the EMPLOYEE is not eligible for EMPLOYER contribution toward PREMIUM at that time, section 3.3 (3) applies.

(2) (a) An EMPLOYEE shall be insured if a completed DEPARTMENT application form is received by the EMPLOYER within 30 days following the date of hire, coverage to be effective as of the first day of the month that first occurs during the 30-day period, or by electing coverage, or prior to becoming eligible for the EMPLOYER contribution toward the PREMIUM, coverage to be effective upon becoming eligible for EMPLOYER contribution. An EMPLOYEE who enrolls for single coverage within 30 days following the date of hire, may change to family coverage during the enrollment period offered as a result of becoming eligible for EMPLOYER contribution toward PREMIUM. The EMPLOYEE and his or her DEPENDENTS shall not be subject to any waiting periods or evidence of insurability requirements. However, when the EMPLOYEE terminates employment prior to the EFFECTIVE DATE of coverage, the application is void and any premiums paid or deducted will be refunded.

(b) Notwithstanding paragraph (2) (a) above, an EMPLOYEE who is not insured but who is eligible for an EMPLOYER contribution under Wis. Adm. Code § ETF 40.10 (2) (a) may elect coverage prior to becoming eligible for an EMPLOYER contribution under Wis. Adm. Code § ETF 40.10 (2) (b) to be effective upon the date of the increase in the EMPLOYER contribution. The same enrollment opportunity is available to those who change from an appointment of less than, on average, 30 hours per week, to one that meets or exceeds that threshold. An EMPLOYEE who does not file an application at this time but who files within 30 days after the date of hire which resulted in the increase in EMPLOYER contribution shall have coverage effective on the first day of the month following the date in which the EMPLOYEE becomes eligible for the increase in EMPLOYER contribution.

(3) (a) An EMPLOYEE eligible and enrolled for individual coverage only may change to family coverage effective on the date of change to family status including transfer of custody of eligible DEPENDENTS if an application is received by the EMPLOYER within 30 days after the date of the change to family status. The difference in PREMIUM between individual and family coverage for that month shall be due only if the change is effective before the 16th of the month. ANNUITANTS and CONTINUANTS shall be subject to this provision, except that those ANNUITANTS and CONTINUANTS for whom the EMPLOYER makes no contribution toward PREMIUM shall submit the application to the DEPARTMENT.

(b) Notwithstanding paragraph 3 (a) above, the birth or adoption of a child to a SUBSCRIBER under a single plan, who was previously eligible for family coverage, will allow the SUBSCRIBER to change to family coverage if an application is received by the EMPLOYER within 60 days of the birth, adoption or placement for adoption.

(4) An EMPLOYEE enrolled for coverage at the time of being called into active military service whose coverage lapses shall be entitled to again enroll upon resumption of eligible employment with the same EMPLOYER subject to the following:

(a) Employment is resumed within 180 days after release from active military service, and

(b) The application for coverage is received by the EMPLOYER within 30 days after return to employment.

(c) An EMPLOYEE who is enrolled for individual coverage and becomes eligible for family coverage between the time of being called into active military service and the return to employment may elect family coverage within 30 days upon re-employment without penalty.

(d) Coverage is effective upon the date of re-employment. A full month's PREMIUM is due for that month if coverage is effective before the 16th of that month. Otherwise, the entire PREMIUM for that month is waived.

(5) If a person is erroneously omitted from participation under the Wisconsin Retirement System and the omission is corrected retroactively, including payment of all WRS required contributions for the retroactive period, the DEPARTMENT is empowered to fix a deadline for submitting an application for prospective group health care coverage if the person would have been eligible for the coverage had the error never occurred.

(6) As required by state and federal law, a SUBSCRIBER enrolled with single coverage although eligible for family coverage, or an EMPLOYEE who deferred the selection of coverage, has a special enrollment opportunity to add eligible children as required by a National Medical Support Notice.

(7) (a) An eligible EMPLOYEE may defer the selection of coverage under this section 3.3 if he/she is covered under another health insurance plan, or is a member of the US Armed Forces, or is a citizen of a country with national health care coverage comparable to the STANDARD PLAN as determined by the DEPARTMENT. If the EMPLOYEE or a DEPENDENT loses eligibility for that other coverage or the EMPLOYER'S contribution towards the other coverage ceases, the EMPLOYEE may elect coverage under any plan by filing an application with the EMPLOYER within 30 days of the loss of eligibility and by providing evidence

satisfactory to the DEPARTMENT of the loss of eligibility. An EMPLOYEE enrolled for single coverage, though eligible for family coverage, may change to family coverage if any eligible DEPENDENTS covered under the other plan lose eligibility for that coverage or the EMPLOYER'S contribution towards the other coverage ceases. The unrestricted enrollment opportunity is not available if a person remains eligible for coverage under a plan that replaces it without interruption of that person's coverage.

(b) If permitted by state or Federal law, as determined by the DEPARTMENT, an eligible EMPLOYEE may defer or dis-enroll from coverage for themselves or a DEPENDENT if he/she is covered under medical assistance (Medicaid), the Children's Health Insurance Program (CHIP), or Tri-Care. Termination may be retroactive to the effective date of the other coverage upon request by the subscriber. Family status changes under this provision remain subject to Section 125 of the Internal Revenue Code. If the EMPLOYEE or DEPENDENT loses eligibility for that coverage or becomes eligible for a premium assistance subsidy for this program, the EMPLOYEE may elect coverage under this section by filing an application with the EMPLOYER within 60 days of the loss of eligibility or the date it is determined the EMPLOYEE or DEPENDENT is eligible for premium assistance and by providing evidence satisfactory to the DEPARTMENT.

(c) An EMPLOYEE who deferred coverage may enroll if he or she has a new DEPENDENT as a result of birth, adoption, placement for adoption, marriage or domestic partnership, provided he or she submits an application within 60 days of the birth, adoption or placement for adoption, or within 30 days of the marriage or effective date of the domestic partnership.

(d) Coverage under this provision shall be effective on the date of termination of the prior plan or the date of the event described in (b) or (c) above. A full month's PREMIUM is due for that month if coverage is effective before the 16th of the month. Otherwise the entire PREMIUM for that month is waived.

(8) In the event a SUBSCRIBER files an application during a prescribed enrollment period listing a plan and a primary physician, clinic or care system that is not available in the plan selected, the HEALTH PLAN shall immediately notify the EMPLOYER. The SUBSCRIBER shall be allowed to correct the plan selected to one which has that physician, clinic or care system available, upon notice to the EMPLOYER that the error occurred. The application shall be effective the later of first of the month following receipt of the application or the EFFECTIVE DATE of the original application. The HEALTH PLAN may not simply reassign a primary physician, clinic or care system.

(9) An ANNUITANT shall be covered if a completed DEPARTMENT application form is received as specified in section 3.1 (2).

(10) If the DEPARTMENT determines it could effectively monitor it, an ANNUITANT with comparable coverage may escrow sick leave, if available, and reenroll in any HEALTH PLAN without underwriting restrictions with coverage effective on the first of the month following the DEPARTMENT'S receipt of the health insurance application.

(11) A SUBSCRIBER who does not request coverage for a DOMESTIC PARTNER, or an adult child when first eligible under Wis. Stat. § 632.885, will thereafter be limited to enrolling the DOMESTIC PARTNER or child when the DOMESTIC PARTNER or child becomes newly eligible due to the loss of eligibility for other coverage or the loss of EMPLOYER contribution for

the other coverage, increase in EMPLOYEE contribution share that exceeds the cost of coverage as a DEPENDENT under this program. The SUBSCRIBER can add the DEPENDENT by filing an application with the EMPLOYER within 30 days after the event and coverage for the DEPENDENT will be effective on the event date. This paragraph does not prevent a SUBSCRIBER from adding the eligible DEPENDENT during the DUAL-CHOICE enrollment period for coverage effective the following January 1.

Coverage for the DEPENDENT eligible under this section remains in effect until the DEPENDENT is no longer eligible, the family coverage is terminated, the SUBSCRIBER requests to terminate coverage for the adult DEPENDENT within 30 days of the DEPENDENT'S eligibility and enrollment in other health insurance coverage, or the SUBSCRIBER requests to terminate the coverage for the DEPENDENT during the annual DUAL-CHOICE enrollment effective the following January 1, whichever occurs first.

(12) An eligible EMPLOYEE who is insured as a DEPENDENT child on another policy in this program can enroll for coverage by submitting an application during the annual DUAL-CHOICE enrollment period for coverage effective the following January 1.

### **3.4 DUAL-CHOICE ENROLLMENT PERIODS**

(1) The BOARD shall establish enrollment periods, which shall permit eligible EMPLOYEES and currently insured ANNUITANTS and CONTINUANTS to enroll for or transfer coverage to any plan offered by the BOARD as required by Wis. Stat. § 40.51 (7). Unless otherwise provided by the BOARD, the DUAL-CHOICE enrollment period shall be held once annually in the fall of each year with coverage effective the following January 1.

(2) If a SUBSCRIBER has not received a DUAL-CHOICE enrollment opportunity as determined by the DEPARTMENT, an enrollment opportunity may be offered prospectively.

(3) An EMPLOYEE who returns from leave of absence during which coverage lapsed and which encompassed the entire previous DUAL-CHOICE enrollment period will be allowed a DUAL-CHOICE enrollment provided an application is filed during the 30-day period which begins on the date the EMPLOYEE returns from leave of absence.

(4) An EMPLOYEE, ANNUITANT or CONTINUANT may also change plans if the SUBSCRIBER moves from his/her residence across county lines for a minimum of three months. A move from a medical facility to another facility by the SUBSCRIBER is not considered a residential move. An application must be filed during the 30 day period, which begins on the date the SUBSCRIBER moves.

(5) A SUBSCRIBER under (3) and (4) above who does not file an application to change plans within this 30 day enrollment period, may change plans at the next DUAL-CHOICE enrollment period.

(6) As required by Federal law, an insured EMPLOYEE or CONTINUANT who is adding one or more DEPENDENTS to the policy due to marriage, domestic partnership, birth, adoption, placement for adoption, loss of other coverage or loss of EMPLOYER contribution for the other coverage may change HEALTH PLANS after the event if an application is submitted within 30 days of the event. This enrollment opportunity also applies when adding a dependent due to a National Medical Support Notice or establishment of paternity. This also applies to ANNUITANTS as if Federal law required it. Coverage with the new HEALTH PLAN will be

effective the first day of the calendar month, which begins on or after the date the EMPLOYER receives the application selecting the new HEALTH PLAN.

(7) The HEALTH PLAN shall accept any individual who transfers from one plan to another or from individual to family coverage without requiring evidence of insurability, waiting periods, or exclusions for pre-existing conditions as defined in Wis. Adm. Code § INS 3.31 (3).

(8) If the HEALTH PLAN offers more than one network to PARTICIPANTS and the service areas of those networks change on January 1st, a SUBSCRIBER who failed to make a DUAL-CHOICE election to change networks in order to maintain access to his or her current providers may still change to the appropriate network within that same HEALTH PLAN. The effective date of the change in networks is effective on January 1st or the first day of the month after the EMPLOYER receives the SUBSCRIBER'S request to change networks, whichever is later.

(9) Applications from ANNUITANTS and CONTINUANTS changing plans during the DUAL-CHOICE enrollment period must be received by the DEPARTMENT postmarked no later than the last day of the DUAL-CHOICE enrollment period, unless otherwise authorized by the DEPARTMENT.

### **3.5 INITIAL PREMIUMS**

When coverage becomes effective, multiple PREMIUM payments may be required initially to make PREMIUM payments current.

### **3.6 CONSTRUCTIVE WAIVER OF COVERAGE**

Any enrolled EMPLOYEE in active pay status for whom the EMPLOYEE portion of PREMIUMS has not been deducted from salary by the EMPLOYER for a period of 12 consecutive months, shall be deemed to have prospectively waived coverage upon a 30-day notice to the EMPLOYEE, unless all required PREMIUMS are paid. Coverage then may be obtained only under the deferred coverage provisions of section 3.10.

### **3.7 BENEFITS NON-TRANSFERABLE**

No person other than a PARTICIPANT, as recorded in the office of the HEALTH PLAN, is entitled to BENEFITS under this CONTRACT. The SUBSCRIBER or any of his or her DEPENDENTS who assigns or transfers their rights under the CONTRACT, aids any other person in obtaining BENEFITS or knowingly presents or causes to be presented a false or fraudulent claim shall be guilty of a Class A misdemeanor as prescribed under Wis. Stat. § 943.395, and subject to the penalties set forth under Wis. Stat. § 939.51 (3) (a).

### **3.8 NON-DUPLICATION OF BENEFITS**

The HEALTH PLAN'S administration of BENEFITS provisions must conform to Wis. Adm. Code § INS 3.40.

### **3.9 REHIRED EMPLOYEE COVERAGE**

(1) Any insured EMPLOYEE who terminates employment with an EMPLOYER participating under Wis. Stat. § 40.51 and is re-employed by the same EMPLOYER within 30 days in a position eligible for health insurance or who terminates employment for a period of more than 30 days that does not comply with Wis. Adm. Code § ETF 10.08 (2) and (3) shall be deemed to have been on leave of absence for that time and is limited to previous coverage.

(2) Rehired ANNUITANTS who terminate their annuity and participate in the Wisconsin Retirement System may continue the same health insurance coverage by filing an application with the EMPLOYER within 30 days following the Wisconsin Retirement System participation begin date.

### **3.10 DEFERRED COVERAGE ENROLLMENT**

(1) Any EMPLOYEE actively employed with an EMPLOYER participating under Wis. Stat. § 40.51 who does not elect coverage during the enrollment period provided under section 3.3 or who constructively waives coverage under section 3.6 or who subsequently cancels coverage elected under sections 3.3 or 3.4, may be insured only by electing coverage during the DUAL-CHOICE enrollment period as provided in section 3.4 (1).

(2) An EMPLOYEE or ANNUITANT enrolled for individual coverage, though eligible for family coverage may only elect family coverage during the DUAL-CHOICE enrollment period, except as provided in section 3.3.

(3) This section does not preclude an insured EMPLOYEE or ANNUITANT from changing to an alternate HEALTH PLAN during a DUAL-CHOICE enrollment period offered under section 3.4.

(4) An eligible EMPLOYEE or EMPLOYEE on leave of absence under Wis. Stat. § 40.02 (40) who is not enrolled for coverage, may enroll in the STANDARD PLAN 30 days prior to retirement for the purpose of using post-retirement EMPLOYER premium contribution.

### **3.11 COVERAGE OF SPOUSE, DOMESTIC PARTNER, OR DEPENDENT**

(1) If both spouses or both DOMESTIC PARTNERS are ANNUITANTS or employed through the State of Wisconsin or a participating Wisconsin Public EMPLOYER and both are eligible for coverage, each may elect individual or family coverage, but if one spouse elects family coverage, the other eligible spouse may be covered as a DEPENDENT but may not have any other coverage. PARTICIPANTS can only be covered under one State Group Health Insurance Program (including Wisconsin Public Employers State Group Health Insurance Program) contract. As permitted by Section 125 of the Internal Revenue Code, two single contracts may be combined to one family contract, a family contract may be converted to two single contracts, or the family coverage may be changed from one spouse or one DOMESTIC PARTNER to the other without penalty effective the first day of the calendar month which begins on or after the date the EMPLOYER receives the application, or a later date as specified on the application. If the spouses or DOMESTIC PARTNERS have coverage with different HEALTH PLANS at the time of marriage or the effective date of the domestic partnership or when two single contracts are combined to one family contract, they may elect family coverage with either HEALTH PLAN effective the first day of the calendar month which begins on or after the date the EMPLOYER receives the application. Should the spouses become divorced or the domestic

partnership terminated while carrying family coverage, the divorced spouse or former DOMESTIC PARTNER may elect coverage with any HEALTH PLAN without lapse if the EMPLOYER received the application within 30 days of the divorce or termination of domestic partnership. An EMPLOYER may, at its option, allow both spouses or both DOMESTIC PARTNERS to enroll for family coverage or one for single and one for family and coverage can be changed from one spouse or one DOMESTIC PARTNER to the other without restrictions. Upon an EMPLOYER'S request, the DEPARTMENT may approve at its discretion a special enrollment opportunity for affected employees due to a change in policy for coverage of spouses or DOMESTIC PARTNERS.

(2) If both DOMESTIC PARTNERS are ANNUITANTS or employed through the State of Wisconsin and both are eligible for coverage, each may elect individual coverage, but if one DOMESTIC PARTNER elects family coverage, the other eligible DOMESTIC PARTNER may be covered as a DEPENDENT but may not have any other coverage except if necessary to avoid imputed income. If both DOMESTIC PARTNERS are ANNUITANTS or employed through the State of Wisconsin and a participating Wisconsin Public EMPLOYER and both are eligible for coverage, each may elect individual or family coverage. As permitted by Section 125 of the Internal Revenue Code, two single contracts may be combined to one family contract, a family contract may be converted to two single contracts, or the family coverage may be changed from one DOMESTIC PARTNER to the other without penalty effective the first day of the calendar month which begins on or after the date the EMPLOYER receives the application, or a later date as specified on the application. If the DOMESTIC PARTNERS have coverage with different HEALTH PLANS at the time of the effective date of the domestic partnership or when two single contracts are combined to one family contract, they may elect family coverage with either HEALTH PLAN effective the first day of the calendar month which begins on or after the date the EMPLOYER receives the application. Should the domestic partnership terminate while carrying family coverage, the former DOMESTIC PARTNER may elect coverage with any HEALTH PLAN without lapse if the EMPLOYER received the application within 30 days of the termination of domestic partnership.

(3) A DEPENDENT or SUBSCRIBER cannot be covered at the same time by two separate SUBSCRIBERS of the State Group Health Insurance Program (including the Wisconsin Public Employers State Group Health Insurance Program). In the event it is determined that a DEPENDENT is covered by two separate SUBSCRIBERS, the SUBSCRIBERS will be notified and will have 30 days to determine which SUBSCRIBER will remove coverage of the DEPENDENT and submit an application to remove the DEPENDENT. If the DEPENDENT(S) is to be newly covered by a SUBSCRIBER that has single coverage, the contract may be converted to a family contract. The effective date will be the first of the month following receipt of the application. The health plan(s) will be notified.

### **3.12 COVERAGE DURING AN UNPAID LEAVE OF ABSENCE**

(1) Any insured EMPLOYEE may continue coverage during any EMPLOYER approved leave of absence or LAYOFF for up to 36 months. Insurance coverage may be continued beyond 36 months if the approved leave is a union service leave as provided for under Wis. Stats. § 40.02 (56) and 40.03 (6) (g). A return from a leave of absence under Wis. Stat. § 40.02 (40) is deemed to be the first day the EMPLOYEE returns to work if the EMPLOYEE resumes active performance of duty for 30 consecutive days for at least 50% of the EMPLOYEE'S normal work time. If the EMPLOYEE does not complete 30 days of duty, the EMPLOYEE is not deemed to have returned from leave and coverage will continue as an EMPLOYEE on leave of absence.

(2) Except as provided in section 3.21, the insured EMPLOYEE is responsible for payment of the full PREMIUM that must be paid in advance. Each payment must be received by the EMPLOYER at least 30 days prior to the end of the coverage period for which PREMIUMS had previously been paid. Retroactive EMPLOYER refunds resulting from termination for non-payment of PREMIUM by the EMPLOYEE are not allowed.

(3) Any insured EMPLOYEE for whom coverage lapses, or who allows family coverage to lapse during the leave of absence but continues individual coverage, as a result of non-payment of PREMIUM may reinstate coverage by filing an application with the EMPLOYER within 30 days after the return to work. Coverage is effective the 1st day of the month on or after the date the EMPLOYER receives the application. The EMPLOYEE becomes eligible for the EMPLOYER contribution toward PREMIUM for the coverage month the leave of absence ends.

(4) If such an EMPLOYEE was on a leave under the Family Medical Leave Act (FMLA) coverage is effective upon the date of re-employment in accordance with federal law. EMPLOYEES shall also have the enrollment opportunities as described in section 3.3 (7) (a) while on leave of absence. A full month's PREMIUM is due for that month if coverage is effective before the 16th of that month. Otherwise, the entire PREMIUM for that month is waived.

### **3.13 COVERAGE DURING APPEAL FROM REMOVAL OR DISCHARGE**

(1) An insured EMPLOYEE who has exercised a statutory or contractual right of appeal from removal or discharge from his or her position, or who within 30 days of discharge becomes a party to arbitration or to legal proceedings to obtain judicial review of the legality of the discharge, may continue to be insured from the date of the contested discharge until a final decision has been reached. Within 30 days of the date of discharge the EMPLOYEE must submit to the EMPLOYER the initial PREMIUM payment to keep the coverage in force. Additional payments may be made until a determination has been reached, but shall be submitted to the EMPLOYER at least 30 days prior to the end of the coverage period for which PREMIUMS were previously paid.

(2) If the final decision is adverse to the EMPLOYEE, the date of termination of employment shall, for purposes of health care coverage, be the end of the month in which the decision becomes final by expiration without appeal of the time within which an appeal might have been perfected, or by final affirmation on appeal.

(3) The PREMIUMS referred to in this section shall be the gross amount paid to the HEALTH PLAN for the particular coverage, including the pharmacy and administrative fees. The EMPLOYEE shall be required to pay any amounts normally considered the EMPLOYER contribution. If the right of the EMPLOYEE to the position is sustained, the EMPLOYER shall refund to the EMPLOYEE any amounts paid in excess of the normal EMPLOYEE contribution.

### **3.14 CONTINUED COVERAGE OF SURVIVING DEPENDENTS**

(1) As required by Wis. Adm. Code § ETF 40.01, the surviving insured DEPENDENT of an insured EMPLOYEE or ANNUITANT shall have the right to continue coverage, either individual or family. A DEPENDENT that regains eligibility and was previously insured under a contract of a deceased EMPLOYEE or ANNUITANT or a child of the EMPLOYEE or ANNUITANT who is in the process of being adopted by the deceased EMPLOYEE or

ANNUITANT or born within nine months after the death of the EMPLOYEE or ANNUITANT will be eligible for coverage under the survivor's contract until such time that they are no longer eligible.

(2) Coverage under this section shall be effective on the first day of the calendar month following the date of death of the insured EMPLOYEE or ANNUITANT, and shall remain in effect until such time as the DEPENDENT coverage would normally cease had the death not occurred.

(3) PREMIUMS shall be paid:

(a) By deductions from an annuity that the surviving DEPENDENT is receiving from the Wisconsin Retirement System. If the annuity is insufficient to allow PREMIUM deductions, then

(b) Directly to the HEALTH PLAN.

### **3.15 COVERAGE OF EMPLOYEES AFTER RETIREMENT**

(1) Coverage for an insured EMPLOYEE shall be continued if the EMPLOYEE:

(a) Retires on an immediate annuity as defined under Wis. Stat. § 40.02 (38), and the EMPLOYER submits verification of insured status.

(b) EMPLOYEES who receive a disability annuity and remain continuously covered under the group shall be considered to have met the requirements for an immediate annuity for health insurance purposes.

(c) Terminates employment after attaining 20 years of creditable service and is eligible for an immediate annuity but defers application. An application for continued coverage must be filed with the DEPARTMENT within 90 days of the termination of employment.

(d) Receives a long-term disability benefit as provided for under Wis. Adm. Code § ETF 50.40.

(2) Coverage for a person otherwise eligible who is entitled to:

(a) and applies for an immediate annuity under Wis. Stat. § 40.02 (38), may be reinstated even if during any period preceding retirement, insurance has not been in effect while no earnings were received, or insurance has been continued under COBRA continuation through the State's health insurance program. An application for health insurance must be received by the DEPARTMENT within 30 days after the date of the DEPARTMENT'S notification of eligibility for health insurance. Coverage shall be effective the first day of the calendar month which occurs on or after the date the application for health insurance has been received.

(b) and applies for an LTDI benefit under Wis. Adm. Code § ETF 50.40, or a duty disability benefit under Wis. Stat. § 40.65, may be reinstated even if, during the period preceding the benefit approval, no insurance was in effect while no earnings were received, or insurance has been continued under COBRA continuation through the State's health insurance program. An application for health insurance must be received by the DEPARTMENT within 30

days after the date of the DEPARTMENT'S notification of eligibility for health insurance. Coverage shall be effective the first day of the calendar month which occurs on or after the date the application for health insurance has been received.

(3) The DEPARTMENT may authorize PREMIUM payments to be made directly to the HEALTH PLAN where circumstances require such. Failure to make required PREMIUM payments by the due dates established by the HEALTH PLAN and approved by the DEPARTMENT shall cause the health care coverage to be irrevocably canceled.

### **3.16 COVERAGE OF EMPLOYEES, ANNUITANTS, SURVIVING DEPENDENTS AND CONTINUANTS ELIGIBLE FOR MEDICARE**

(1) Each insured ANNUITANT, their DEPENDENTS or surviving DEPENDENTS who becomes insured under federal plans for hospital and medical care for the aged (Medicare) may continue to be insured, but at reduced PREMIUM rates as specified by the BOARD.

(2) The reduction in PREMIUM shall be effective on the first day of the calendar month, which begins on or after the date the PARTICIPANT is eligible for the Medicare hospital and medical insurance benefits (Parts A and B) as the primary payor and coverage is provided under an annuitant group number, or, under an employer group number in the case of an employer paid annuitant..

(3) Except in cases of fraud which shall be subject to section 3.18 (5), coverage for any PARTICIPANT enrolled in Medicare coordinated coverage who does not enroll in Medicare Part B when it is first available as the primary payor or who subsequently cancels Medicare coverage shall be limited in accordance with Uniform Benefits IV, . A., 11., b. However, retrospective adjustments to PREMIUM or claims for coverage not validly in force shall be limited to the shortest retroactive enrollment limit set by Medicare for either medical or prescription drug claims, not to exceed six months. In such a case, the PARTICIPANT must enroll in Medicare Part B at the next available opportunity.

In the event that a PARTICIPANT is enrolled in regular coverage, the DEPARTMENT will direct the HEALTH PLAN to refund any PREMIUM paid in excess of the Medicare reduced PREMIUM for any months for which BENEFITS are reduced in accordance with Uniform Benefits IV, . A., 11., b. In such cases, the HEALTH PLAN will make claims adjustments prospectively. However, PREMIUM refunds for retroactive enrollment on a Medicare reduced contract will correspond with the retroactive enrollment limits and requirements established by Medicare for medical and/or prescription drug coverage. This may limit the amount of PREMIUM refund for the SUBSCRIBER.

(4) Enrollment under the federal plans for hospital and medical care for the aged (Medicare) by SUBSCRIBERS and their DEPENDENTS who are eligible for those programs is waived if the SUBSCRIBER remains covered as an active EMPLOYEE of the participating EMPLOYER. Enrollment in Medicare Part B is required for the EMPLOYEE or DEPENDENTS at the first Medicare enrollment period after active employment ceases. If an ANNUITANT or an ANNUITANT'S spouse is covered under an active employee's group health insurance policy with another employer and that policy is the primary payor for Part A and Part B charges, the ANNUITANT or the ANNUITANT'S spouse covered under that policy may also defer enrollment in Medicare Part B (to the extent allowed by federal law) under this provision and shall pay the Medicare reduced PREMIUM for coverage under this program.

(5) Enrollment under the federal plans for hospital care for the aged (Medicare) by EMPLOYEES, ANNUITANTS and their DEPENDENTS who are eligible for those programs is waived if the insured EMPLOYEE, ANNUITANT or DEPENDENT is required to pay a premium to enroll in the hospital portion of Medicare (Part A). However, if Part A is not elected, the reduced PREMIUM rate is not available.

(6) If a Medicare coordinated family PREMIUM category has been established for a family, and one or more family members enrolled in both parts of Medicare dies, the family PREMIUM category in effect shall not change solely as a result of the death.

(7) If the EMPLOYEE, ANNUITANT, CONTINUANT or DEPENDENT is eligible for Medicare due to permanent kidney failure or end-stage renal disease, this plan shall pay as the primary payor for the first thirty months after he or she becomes eligible for Medicare due to the kidney disease, whether or not the EMPLOYEE, ANNUITANT, CONTINUANT or DEPENDENT is enrolled in Medicare. The PREMIUM rate will be the non-Medicare rate during this period. Medicare becomes the primary payor after this thirty-month period upon enrollment in Medicare Parts A and B. If the EMPLOYEE, ANNUITANT, CONTINUANT or DEPENDENT has more than one period of Medicare enrollment based on kidney disease, there is a separate thirty-month period during which this plan will again be the primary payor. No reduction in PREMIUM is available for active EMPLOYEES under this section.

(8) As required by Medicare rules, Medicare is the primary payor for DOMESTIC PARTNERS age 65 and older who are enrolled in Medicare, regardless of the work status of the SUBSCRIBER. The reduction in PREMIUM is available only when the coverage is provided under a non-employer group number.

### **3.17 CONTRACT TERMINATION**

(1) The CONTRACT terminates on the date specified on the signatory page. The BOARD, by September 1, or the HEALTH PLAN, by the date specified in the Guidelines, section II., J., shall provide notice of its intent not to contract for the following contract year by providing notice to the other party. The HEALTH PLAN must provide written notification to its SUBSCRIBERS that it will not be offered during the next calendar year. This notification must be sent prior to the DUAL-CHOICE enrollment period.

(2) If the HEALTH PLAN terminates this CONTRACT as required by sub. (1), any PARTICIPANT who is receiving BENEFITS as an INPATIENT on the date of termination shall continue to receive all BENEFITS otherwise available to INPATIENTS until the earliest of the following dates:

- (a) The CONTRACT maximum is reached.
- (b) The attending physician determines that confinement is no longer medically necessary.
- (c) The end of 12 months after the date of termination.
- (d) Confinement ceases.

(3) If the HEALTH PLAN ceases to be offered after a PARTICIPANT has fully satisfied a deductible, which is required initially, but not in subsequent time periods, but prior to the

completion of the treatment program, liability for such services remains the responsibility of the HEALTH PLAN without requiring further PREMIUM payments. However, an acceptable alternative would be for the HEALTH PLAN to refund the deductible amount to the SUBSCRIBER.

(4) If the BOARD terminates this CONTRACT as required by sub. (1), then all rights to BENEFITS shall cease as of the date of termination. The HEALTH PLAN will cooperate with the BOARD in attempting to make equitable arrangements for continuing care of PARTICIPANTS who are INPATIENTS on the termination date. Such arrangements may include but are not limited to: transferring the patient to another institution; billing the BOARD a fee for service rendered; or permitting non-plan physicians to assume responsibility for rendering care. The overall intent is to be in the best interest of the PARTICIPANT.

(5) If the HEALTH PLAN terminates this CONTRACT, the HEALTH PLAN shall not again be considered for participation in the program under Wis. Stat. § 40.03 (6) (a) for a period of three contract years.

### **3.18 INDIVIDUAL TERMINATION OF COVERAGE**

(1) A PARTICIPANT'S coverage shall terminate at the end of the month on the earliest of the following dates:

(a) The effective date of change to another HEALTH PLAN through the BOARD approved enrollment process.

(b) The expiration of the period for which PREMIUMS are paid when PREMIUMS are not paid when due. As required by federal law, if timely payment is made in an amount that is not significantly less than amount due, that amount is deemed to satisfy the HEALTH PLAN'S requirement for the amount that must be paid. However, the HEALTH PLAN may notify the PARTICIPANT of the amount of the deficiency and grant a reasonable time period for payment of that amount. Thirty days after the notice is given is considered a reasonable time period. HEALTH PLANS must notify the DEPARTMENT within one month of the effective date of termination due to non-payment of PREMIUM. PREMIUM refunds to the HEALTH PLAN are limited to one month following the termination date.

(c) The expiration of the 36 months for which the SUBSCRIBER is allowed to continue coverage while on a leave of absence or LAYOFF, as provided in section 3.12.

(d) The end of the month in which a notice of cancellation of coverage is received by the EMPLOYER or by the DEPARTMENT in the case of an ANNUITANT or CONTINUANT for whom the EMPLOYER has no reporting responsibilities, or a later date as specified on the cancellation of coverage notice. If the ANNUITANT or CONTINUANT contacts the HEALTH PLAN directly to cancel coverage, the HEALTH PLAN is to reject the cancellation and immediately notify the ANNUITANT or CONTINUANT to submit a written cancellation notice to the DEPARTMENT.

(e) The definition of PARTICIPANT no longer applies (such as a DEPENDENT child's marriage, divorced spouse, end of a domestic partnership, etc.). As required by Wis. Stat. §632.897, if family coverage remains in effect and the EMPLOYEE fails to notify the EMPLOYER of divorce, coverage for the ex-spouse ends the last day of the month in which notification of continuation of coverage rights occurs. The EMPLOYER may collect PREMIUM

retroactively from the SUBSCRIBER if the divorce was not reported in a timely manner and there were no other eligible DEPENDENTS for family coverage to remain in effect.

(f) The expiration of the continuation period for which the PARTICIPANT is allowed to continue under paragraph (4) below, as required by state and federal law.

(g) The effective date of coverage obtained with another employer group health plan of PARTICIPANT who continues under paragraph (4) below. Terminations due to enrollment in medical assistance (Medicaid), the Children's Health Insurance Program (CHIP), or Tri-Care may be retroactive to the effective date of coverage upon request by the subscriber and determination by the DEPARTMENT.

(h) The earliest date federal or state continuation provisions permit termination of coverage for any reason.

(i) The end of the month in which the SUBSCRIBER terminates employment.

(j) The first day of the month following the DEPARTMENT'S written notice to a SUBSCRIBER who is ineligible for coverage but, due to EMPLOYER or DEPARTMENT error, was enrolled for coverage. The SUBSCRIBER (and any eligible DEPENDENTS) will be offered a special continuation period of up to 36 months. The continuation period will be administered in accordance with paragraph (4) below.

(k) The effective date of the termination of EMPLOYER participation for all PARTICIPANTS for whom coverage was secured as a result of the EMPLOYERS participation.

(l) Upon date of death. No refund of PREMIUM may be granted for the month in which the coverage ends. If deceased subscriber has covered dependents, see 3.14 CONTINUED COVERAGE OF SURVIVING DEPENDENTS.

(2) No refund of any PREMIUM under sub. (e) may be made unless the EMPLOYER, or DEPARTMENT if applicable, receives a written request from the SUBSCRIBER by the last day of the month preceding the month for which PREMIUM has been collected or deducted.

(3) Except when a PARTICIPANT'S coverage terminates because of voluntary cancellation or non-payment of PREMIUM, BENEFITS shall continue to the PARTICIPANT if confined as an INPATIENT, but only until the attending physician determines that confinement is no longer medically necessary, the CONTRACT maximum is reached, the end of 12 months after the date of termination, or confinement ceases, whichever occurs first.

(4) A PARTICIPANT who ceases to meet the definition of EMPLOYEE, ANNUITANT, or DEPENDENT may elect to continue group coverage as required by state and federal law. Application must be postmarked within 60 days of the date the PARTICIPANT is notified of the right to continue or 60 days from the date coverage ceases, whichever is later. The HEALTH PLAN shall bill the continuing PARTICIPANT directly for the required PREMIUM.

(5) No person other than a PARTICIPANT is eligible for health insurance BENEFITS. The SUBSCRIBER'S rights to group health insurance coverage is forfeited if a PARTICIPANT assigns or transfers such rights, or aids any other person in obtaining BENEFITS to which they are not entitled, or otherwise fraudulently attempts to obtain BENEFITS. Coverage terminates the beginning of the month following action of the BOARD. Re-enrollment is possible only if the

person is employed by an EMPLOYER where coverage is available and is limited to the STANDARD PLAN.

Change to an alternate HEALTH PLAN is available during a regular DUAL-CHOICE enrollment period, which begins a minimum of 12 months after the disenrollment date.

The DEPARTMENT may at any time request such documentation as it deems necessary to substantiate SUBSCRIBER or DEPENDENT eligibility. Failure to provide such documentation upon request shall result in the suspension of BENEFITS.

(6) In situations where a PARTICIPANT has committed acts of physical or verbal abuse, or is unable to establish/maintain a satisfactory physician-patient relationship with the current or alternate primary care physician, disenrollment efforts may be initiated by the HEALTH PLAN or the BOARD. The SUBSCRIBER'S disenrollment is effective the first of the month following completion of the grievance process and approval of the BOARD. Coverage may be transferred to the STANDARD PLAN only, with options to enroll in alternate HEALTH PLANS during subsequent DUAL-CHOICE enrollment periods. Re-enrollment in the HEALTH PLAN is available during a regular DUAL-CHOICE enrollment period, which begins a minimum of 12 months after the disenrollment date.

(7) In the situation where the EMPLOYER violates the terms of the CONTRACT, coverage for all its PARTICIPANTS, including ANNUITANTS and CONTINUANTS, terminates the first of the month following notification from the DEPARTMENT of 30 days or more.

### **3.19 COVERAGE CERTIFICATION**

The HEALTH PLAN certifies that providers listed on Addendum #2 or on any of the HEALTH PLAN'S publications of providers are either under contract for all of the ensuing calendar year or the HEALTH PLAN will pay charges for BENEFITS on a fee-for-service basis. Those providers have agreed to accept new patients unless specifically indicated otherwise.

### **3.20 ADMINISTRATION OF BENEFIT MAXIMUMS, DEDUCTIBLES, AND OUT-OF-POCKET LIMITS UNDER UNIFORM BENEFITS**

(1) If a PARTICIPANT changes HEALTH PLANS during a CONTRACT year (e.g., due to a change in residence), any annual BENEFIT maximums, deductibles, or out-of-pocket limits under Uniform Benefits will start over at \$0 with the new HEALTH PLAN as of the EFFECTIVE DATE of coverage with the new HEALTH PLAN with the exception of the prescription drug BENEFIT annual out-of-pocket maximum for the IYC Health Plan. The deductibles and out-of-pocket accumulation will start over if the PARTICIPANT changes insurers.

(2) If a PARTICIPANT changes the level of coverage (e.g., single to family), or has a spouse-to-spouse or DOMESTIC PARTNER to DOMESTIC PARTNER transfer resulting in a change of SUBSCRIBER, but does not change HEALTH PLANS, the annual BENEFIT maximums, deductibles, and out-of-pocket limits will continue to accumulate for that year. NOTE: No accumulations transfer if an employee moves from state to local (or vice versa) coverage, or to another local employer, regardless if they remain covered by the same insurer.

(3) The HEALTH PLAN shall provide the PARTICIPANT with medical BENEFIT accumulations upon request. This requirement can be satisfied through the mailing of a plan explanation of benefits.

(4) The HEALTH PLAN shall apply any and all Maximum Out-of-Pocket limits as required by state and federal law.

### **3.21 EMPLOYER CONTRIBUTIONS TOWARD PREMIUM**

(1) The EMPLOYER contribution toward PREMIUM for any EMPLOYEE shall be at least 50% but not more than 88% of the gross PREMIUM of the average cost qualified alternate health plan approved by the BOARD which is in the service area of the EMPLOYER. EMPLOYERS who determine the EMPLOYEE PREMIUM contribution based on the tiered structure established for state EMPLOYEES must do so in accordance with Wis. Adm. Code § ETF 40.10. The DEPARTMENT shall determine the service area of the EMPLOYER. The effective date of the EMPLOYER contribution shall not be later than the first of the month after which the EMPLOYEE completes 6 months service with the EMPLOYER under the Wisconsin Retirement System.

(2) Notwithstanding sub. (1), the amount of EMPLOYER contribution toward PREMIUM for ANNUITANTS, EMPLOYEES on approved leave of absence or LAYOFF, or those whose coverage is continued under section 2.9 (1) shall be at the discretion of the EMPLOYER.

(3) The minimum contribution for an EMPLOYEE who is appointed to work less than 1,044 hours per year shall be 25% of the lowest cost qualified alternate plan that is in the service area of the EMPLOYER and approved by the BOARD.

(4) If the amount of EMPLOYER contribution changes, a new DUAL-CHOICE offering may be made to its EMPLOYEES, as determined by the DEPARTMENT.

(5) ANNUITANTS for whom the EMPLOYER contributes toward the PREMIUM shall be treated as EMPLOYEES for the purpose of PREMIUM and coverage reporting.

## **4. UNIFORM BENEFITS**

As of the 1994 coverage year, all HEALTH PLANS offering coverage to State employees must provide the Uniform Benefits described in this Attachment A. The HEALTH PLAN may not alter the language, benefits or exclusions and limitations of the Uniform Benefits plan. HEALTH PLANS are required to provide State and participating local government employees with a description of any PRIOR AUTHORIZATION or REFERRAL requirements of the HEALTH PLAN. Any such requirements must be submitted to the DEPARTMENT, along with all promotional material, for approval and for inclusion in the "It's Your Choice" guides by the dates designated in the Time Table in Section J of the Guidelines.

The Uniform Benefits set forth in this section will be described to all SUBSCRIBERS via the "It's Your Choice" brochure. The HEALTH PLAN does not need to recreate the description of benefits nor distribute it to its members.

## I. SCHEDULE OF BENEFITS

---

All benefits are paid according to the terms of the Master Contract between the HEALTH PLAN and PBM and Group Insurance Board. Uniform Benefits and this SCHEDULE OF BENEFITS are wholly incorporated in the Master Contract. The SCHEDULE OF BENEFITS describes certain essential dollar or visit limits of YOUR coverage and certain rules, if any, YOU must follow to obtain covered services. In some situations (for example, EMERGENCY services received from a NON-PLAN PROVIDER), benefits will be determined according to the USUAL AND CUSTOMARY CHARGE. A change to another HEALTH PLAN will result in all benefit maximums restarting at \$0 with the exception of the prescription annual OUT-OF-POCKET LIMIT.

The Group Insurance Board continues to utilize a PBM to provide prescription drug benefits formerly provided directly by the HEALTH PLANS and Standard Plans. The PBM will be responsible for the prescription drug benefit as provided for under the terms and conditions of the Uniform Benefits for those who are insured under the State of Wisconsin Group Health Insurance Program.

*NOTE: - For PARTICIPANTS enrolled in a Preferred PROVIDER Plan (WEA Trust), this SCHEDULE OF BENEFITS applies to services received from in-network PLAN PROVIDERS. YOUR HEALTH PLAN will provide YOU with a supplemental SCHEDULE OF BENEFITS that will show the level of benefits for services provided by NON-PLAN PROVIDERS. Out-of-network DEDUCTIBLE amounts do not accumulate to the in-network OUT-OF-POCKET LIMIT.*

**Except as specifically stated for EMERGENCY and URGENT CARE (see Sections III., A., 1. and 2.), YOU do not have coverage for services from NON-PLAN PROVIDERS unless YOU get a Prior Authorization from YOUR HEALTH PLAN. Prior Authorization requirements are described in the HEALTH PLAN Descriptions online at [etf.wi.gov](http://etf.wi.gov).**

Hospital swing bed **CONFINEMENT** is considered the same as **CONFINEMENT** in a **SKILLED NURSING FACILITY**. If the Participant is transferred or discharged to another facility for continued treatment of the same or related condition, it is one **CONFINEMENT**. Charges for Hospital or other institutional **CONFINEMENTS** are incurred on the date of admission. - **COINSURANCE:** A specified percentage of the charges that the Participant or family must pay each time those covered services are provided, subject to any limits specified in the **SCHEDULE OF BENEFITS**.

It shall not be considered CUSTODIAL CARE if the Participant is under active medical, surgical or psychiatric treatment to reduce the disability to the extent necessary for the Participant to function outside of a protected, monitored and/or controlled environment or if it can reasonably be expected, in the opinion of the PLAN PROVIDER, that the medical or surgical treatment will enable that person to live outside an institution. CUSTODIAL CARE also includes rest cures, respite care, and home care provided by family members.
- **DEDUCTIBLE:** The amount YOU owe for health care services YOUR HEALTH PLAN covers before YOUR HEALTH PLAN begins to pay. For example, if YOUR DEDUCTIBLE is \$1,500, YOUR plan will not pay anything until YOU have incurred \$1,500 in out-of-pocket expenses for covered health care services subject to the DEDUCTIBLE.     - a. An unmarried DEPENDENT child who is incapable of self-support because of a physical or mental disability that can be expected to be of long-continued or indefinite duration of at least one year is an eligible DEPENDENT, regardless of age, as long as the child remains so disabled and he or she is DEPENDENT on the SUBSCRIBER (or the other parent) for at least 50% of the child's support and maintenance as demonstrated by the support test for federal income tax purposes, whether or not the child is claimed. If the SUBSCRIBER deceases, the disabled adult must still meet the remaining disabled criteria and be incapable of self-support. The HEALTH PLAN will

monitor eligibility annually, notifying the employer and DEPARTMENT when terminating coverage prospectively upon determining the DEPENDENT is no longer so disabled and/or meets the support requirement. The HEALTH PLAN will assist the DEPARTMENT in making a final determination if the SUBSCRIBER disagrees with the HEALTH PLAN determination.

Stat. § 632.885](#) a DEPENDENT includes a child that is a full-time student, regardless of age, who was called to federal active duty when the child was under the age of 27 years and while the child was attending, on a full-time basis, an institution of higher education.

- **FORMULARY:** Means a list of prescription drugs, developed by a committee established by the PBM. The committee is made up of physicians and pharmacists. The PBM may require prior authorization for certain Preferred and NON-PREFERRED DRUGS before coverage applies. An HDHP does not pay any health care costs until the annual DEDUCTIBLE has been met (with the exception of preventive services mandated by the Patient Protection and Affordable Care Act). The plan is designed to offer a lower monthly premium in turn for more shared health care costs.
- **HOSPICE CARE:** Means services provided to a Participant whose life expectancy is six months or less. The care is available on an intermittent basis with on-call services available on a 24-hour basis. It includes services provided in order to ease pain and make the Participant as comfortable as possible. HOSPICE CARE must be provided through a licensed HOSPICE CARE PROVIDER approved by the HEALTH PLAN.
- **HOSPITAL:** Means an institution that:

Claims associated with Level M Drugs, along with the costs to administer the injection, are adjudicated by the PBM, not the HEALTH PLAN.
- **MAINTENANCE CARE:** Means ongoing care delivered after an acute episode of an ILLNESS or INJURY has passed. It begins when a patient's recovery has reached a plateau or improvement in his/her condition has slowed or ceased entirely and only minimal rehabilitative gains can be demonstrated. The PBM agrees to give YOU lists of Participating Pharmacies.
  - **PBM:** The Pharmacy Benefit Manager (PBM) is a third party administrator that is contracted with the Group Insurance Board to administer the prescription drug benefits under this health insurance program. It is primarily responsible for processing and paying prescription drug claims, developing and maintaining the FORMULARY, contracting with pharmacies, and negotiating discounts and rebates with drug manufacturers.
  - **PLAN BENEFITS:** Comprehensive prepaid health care services and benefits provided by the HEALTH PLAN to PARTICIPANTS in accordance with its contract with the Group Insurance Board. - **PREFERRED SPECIALTY PHARMACY:** Means a PARTICIPATING PHARMACY which meets criteria established by the PBM to specifically administer SPECIALTY MEDICATION services, with which the PBM has executed a written contract to provide services to PARTICIPANTS, which are administered by the PBM and covered under the policy. The PBM may execute written contracts with more than one PARTICIPATING PHARMACY as a Preferred Specialty Pharmacy.
- **PREOPERATIVE CARE:** Means the medical evaluation of a PARTICIPANT prior to a covered surgical procedure. It is the immediate preoperative visit in the HOSPITAL, or elsewhere, necessary for the physical examination of the PARTICIPANT, the review of the PARTICIPANT'S medical history and assessment of the laboratory, x-ray and other diagnostic studies. It does not include other procedures done prior to the covered surgical procedure.
- **PRIMARY CARE PROVIDER:** Means a PLAN PROVIDER who is a physician named as a PARTICIPANT'S primary health care contact. He/She provides entry into the HEALTH PLAN'S health care system. He/She also (a) evaluates the PARTICIPANT'S total health needs; and (b) provides personal medical care in one or more medical fields. When medically needed, he/she then preserves continuity of care. He/She is also in charge of coordinating other PROVIDER health services and refers the PARTICIPANT to other PROVIDERS.

YOU should name YOUR PRIMARY CARE PROVIDER or clinic on YOUR enrollment application or in a later written notice of change. Each family member may have a different primary physician.

- **PRIOR AUTHORIZATION:** Means obtaining approval from YOUR HEALTH PLAN before obtaining the services. Unless otherwise indicated by YOUR HEALTH PLAN, PRIOR AUTHORIZATION is required for care from any NON-PLAN PROVIDERS unless it is an EMERGENCY or URGENT CARE. The PRIOR AUTHORIZATION must be in writing. PRIOR AUTHORIZATIONS are at the discretion of the HEALTH PLAN and are described in the HEALTH PLAN Descriptions section of the It's Your Choice materials. Some prescriptions may also require PRIOR AUTHORIZATION, which must be obtained from the PBM and are at its discretion.

In many cases, the REFERRAL must be in writing and on the HEALTH PLAN PRIOR AUTHORIZATION form and approved by the HEALTH PLAN in advance of a PARTICIPANT'S treatment or service. REFERRAL requirements are determined by each HEALTH PLAN and are described in the HEALTH PLAN Descriptions section of the It's Your Choice materials. The authorization from the HEALTH PLAN will state:

a) the type or extent of treatment authorized; and b) the number of Prior Authorized visits and the period of time during which the authorization is valid. In most cases, it is the PARTICIPANT'S responsibility to ensure a REFERRAL, when required, is approved by the HEALTH PLAN before services are rendered.

- **REHABILITATION SERVICES:** Means health care services that help a person keep, get back or improve skills and functioning for daily living that have been lost or impaired because a person was sick, hurt, or disabled. - **SHARED DECISION MAKING (SDM):** Means a program offered by a HEALTH PLAN or health care PROVIDER that PARTICIPANTS must complete when considering whether to undergo certain medical or surgical interventions. SDM programs are designed to inform PARTICIPANTS about the range of options, outcomes, probabilities, and scientific uncertainties of available treatment options so that PARTICIPANTS can decide the best possible course of treatment. The HEALTH PLAN or health care PROVIDER will provide the PARTICIPANT with written Patient Decisions Aids (PDAs) as part of the SDM program.
- **SKILLED CARE:** Means medical services rendered by registered or licensed practical nurses; physical, occupational, and speech therapists. Patients receiving SKILLED CARE are usually quite ill and often have been recently hospitalized. Examples are patients with complicated diabetes, recent stroke resulting in speech or ambulatory difficulties, fractures of the hip and patients requiring complicated wound care. In the majority of cases, "SKILLED CARE" is necessary for only a limited period of time. After that, most patients have recuperated enough to be cared for by "nonskilled" persons such as spouses, DOMESTIC PARTNERS, children or other family or relatives. Examples of care provided by "nonskilled" persons include: range of motion exercises; strengthening exercises; wound care; ostomy care; tube and gastrostomy feedings; administration of medications; and maintenance of urinary catheters. Daily care such as assistance with getting out of bed, bathing, dressing, eating, maintenance of bowel and bladder function, preparing special diets or assisting patients with taking their medicines; or 24-hour supervision for potentially unsafe behavior, do not require "SKILLED CARE" and are considered Custodial.

- **SPECIALTY MEDICATIONS:** Means medications that are used to treat complex chronic and/or life threatening conditions; are more costly to obtain and administer; may not be available from all Participating Pharmacies; require special storage, handling and administration; and involve a significant degree of patient education, monitoring and management.

- **URGENT CARE:** Means care for an accident or ILLNESS which is needed sooner than a routine doctor's visit. If the accident or INJURY occurs when the PARTICIPANT is out of the PLAN SERVICE AREA, this does not include follow-up care unless such care is necessary to prevent his/her health from getting seriously worse before he/she can reach his/her PRIMARY CARE PROVIDER. It also does not include care that can be safely postponed until the PARTICIPANT returns to the PLAN SERVICE AREA to receive such care from a PLAN PROVIDER. Urgent services from a NON-PLAN PROVIDER may be subject to USUAL AND CUSTOMARY CHARGES. However, the HEALTH PLAN must hold the member harmless from any effort(s) by third parties to collect from the member the amount above the USUAL AND CUSTOMARY CHARGES for medical/hospital services.
- **USUAL AND CUSTOMARY CHARGE:** An amount for a treatment, service or supply provided by a NON-PLAN PROVIDER that is reasonable, as determined by the HEALTH PLAN, when taking into consideration, among other factors determined by the HEALTH PLAN, amounts charged by health care PROVIDERS for similar treatment, services and supplies when provided in the same general area under similar or comparable circumstances and amounts accepted by the health care PROVIDER as full payment for similar treatment, services and supplies. In some cases the amount the HEALTH PLAN determines as reasonable may be less than the amount billed. In these situations the PARTICIPANT is held harmless for the difference between the billed and paid charge(s), other than the COPAYMENTS or COINSURANCE specified on the SCHEDULE OF BENEFITS, unless he/she accepted financial responsibility, in writing, for specific treatment or services (that is, diagnosis and/or procedure code(s) and related charges) prior to receiving services. HEALTH PLAN approved REFERRALS or PRIOR AUTHORIZATIONS to NON-PLAN PROVIDERS are not subject to USUAL AND CUSTOMARY CHARGES. EMERGENCY or urgent services from a NON-PLAN PROVIDER may be subject to USUAL AND CUSTOMARY CHARGES, however, the HEALTH PLAN must hold the member harmless from any effort(s) by third parties to collect from the member the amount above the USUAL AND CUSTOMARY CHARGES for medical/HOSPITAL/dental services.
- **YOU/YOUR:** The SUBSCRIBER and his or her covered DEPENDENTS.

---

The benefits and services which the HEALTH PLAN and PBM agree to provide to PARTICIPANTS, or make arrangements for, are those set forth below. These services and benefits are available only if, and to the extent that, they are provided, prescribed or directed by the PARTICIPANT'S PRIMARY CARE PROVIDER (except in the case of plan chiropractic services, EMERGENCY or URGENT CARE), and are received after the PARTICIPANT'S EFFECTIVE DATE.

HOSPITAL services must be provided by a plan HOSPITAL. In the case of non-EMERGENCY care, the HEALTH PLAN reserves the right to determine in a reasonable manner the PROVIDER to be used. In cases of EMERGENCY or URGENT CARE services, PLAN PROVIDERS and HOSPITALS must be used whenever possible and reasonable (see items A., 1. and 2. below).

The HEALTH PLAN reserves the right to modify the list of PLAN PROVIDERS at any time, but will honor the selection of any PROVIDER listed in the current provider directory for the duration of that calendar year unless that PROVIDER left the HEALTH PLAN due to normal attrition (limited to, retirement, death or a move from the PLAN SERVICE AREA or as a result of a formal disciplinary action for quality of care).

**Except as specifically stated for EMERGENCY and URGENT CARE, YOU must receive the HEALTH PLAN'S written PRIOR AUTHORIZATION for covered services from a NON-PLAN PROVIDER or YOU will be financially responsible for the services.** The HEALTH PLAN may also require PRIOR AUTHORIZATION for other services or they will not be covered.

Subject to the terms and conditions outlined herein and the attached SCHEDULE OF BENEFITS, a PARTICIPANT, in consideration of the employer's payment of the applicable HEALTH PLAN and PBM premium, shall be entitled to the benefits and services described below.

Benefits are subject to: (a) Any COPAYMENT, COINSURANCE and other limitations shown in the SCHEDULE OF BENEFITS; and (b) all other terms and conditions outlined in this plan. All services must be MEDICALLY NECESSARY, as determined by the HEALTH PLAN and/or PBM.

Non-urgent follow-up care must be received from a PLAN PROVIDER unless it is Prior Authorized by the HEALTH PLAN or it will not be covered. PRIOR AUTHORIZATIONS for the follow-up care are at the sole discretion of the HEALTH PLAN. In addition to cost sharing described in the SCHEDULE OF BENEFITS, EMERGENCY care from NON-PLAN PROVIDERS may be subject to USUAL AND CUSTOMARY CHARGES.

Maternity benefits are also available for a DEPENDENT daughter who is covered under this plan as a PARTICIPANT. In accordance with the federal Newborns' and Mother' Health Protection Act, the inpatient stay will be covered for 48 hours following a normal delivery and 96 hours following a cesarean delivery, unless a longer inpatient stay is MEDICALLY NECESSARY. A shorter hospitalization related to maternity and newborn care may be provided if the shorter stay is deemed appropriate by the attending physician in consultation with the mother.

Home care benefits are limited to the maximum number of visits specified in the SCHEDULE OF BENEFITS, although up to 50 additional home care visits per calendar year may be Prior Authorized by the HEALTH PLAN if the visits continue to be MEDICALLY NECESSARY and are not otherwise excluded. **D. Prescription Drugs and Other Benefits Administered by the Pharmacy Benefit Manager (PBM)**

YOU must obtain benefits at a PBM PARTICIPATING PHARMACY except when not reasonably possible because of EMERGENCY or URGENT CARE. In these circumstances, YOU may need to make a claim as described in the paragraph below.

If YOU do not show YOUR PBM identification card at the pharmacy at the time YOU are obtaining benefits, YOU may need to pay the full amount and submit to the PBM for reimbursement an itemized bill, statement, and receipt that includes the pharmacy name, pharmacy address, patient's name, patient's identification number, NDC (national drug classification) code, prescription name, and retail price (in U.S. currency). In these situations, YOU may be responsible for more than the COPAYMENT amount. The PBM will determine the benefit amount based on the network price.

Except as specifically provided, all provisions of Uniform Benefits including, but not limited to, exclusions and limitations, coordination of benefits and services, and miscellaneous provisions, apply to the benefits administered by the PBM. The PBM may offer cost savings initiatives as approved by the DEPARTMENT. Contact the PBM if YOU have questions about these benefits.

Any benefits that are not listed in this section and are covered under this program are administered by the HEALTH PLAN.

## **1. Prescription Drugs**

Coverage includes legend drugs and biologicals that are FDA approved which by law require a written prescription; are prescribed for treatment of a diagnosed ILLNESS or INJURY; and are purchased from a PBM Network Pharmacy after a COPAYMENT or COINSURANCE amount, as described in the SCHEDULE OF BENEFITS. A COPAYMENT will be applied to each prescription dispensed. The PBM may lower the COPAYMENT amount in certain situations. An annual OUT-OF-POCKET LIMIT applies to PARTICIPANTS' COPAYMENTS for Level 1 and Level 2 Preferred prescription drugs as described on the SCHEDULE OF BENEFITS. When any PARTICIPANT meets the annual OUT-OF-POCKET LIMIT, when applicable, as described on the SCHEDULE OF BENEFITS, that PARTICIPANT'S Level 1 and Level 2 Preferred prescription drugs will be paid in full for the rest of the calendar year. Further, if participating family members combined have paid in a year the family annual OUT-OF-POCKET LIMIT as described in the SCHEDULE OF BENEFITS, even if no one PARTICIPANT has met his or her individual annual OUT-OF-POCKET LIMIT, all family members will have satisfied the annual OUT-OF-POCKET LIMIT for that calendar year. The PARTICIPANT'S cost for Level 3 drugs will not be applied to the annual OUT-OF-POCKET LIMIT. If the cost of a prescription drug is less than the applicable COPAYMENT, the PARTICIPANT will pay only the actual cost and that amount will be applied to the annual OUT-OF-POCKET LIMIT for Level 1 and Level 2 Preferred prescription drugs.

The HEALTH PLAN, not the PBM, will be responsible for covering prescription drugs administered during home care, office setting, CONFINEMENT, emergency room visit or URGENT CARE setting, if otherwise covered under Uniform Benefits. However, prescriptions for covered drugs written during home care, office setting, CONFINEMENT, emergency room visit or URGENT CARE setting will be the responsibility of the PBM and payable as provided under the terms and conditions of Uniform Benefits, unless otherwise specified in Uniform Benefits (for example, SELF-ADMINISTERED INJECTABLE).

MEDICARE eligible PARTICIPANTS will be covered by a MEDICARE Part D prescription drug plan (PDP) provided by the PBM. PARTICIPANTS who choose to be enrolled in another MEDICARE Part D PDP other than this PDP will not have benefits duplicated.

Where a MEDICARE PRESCRIPTION DRUG PLAN is the primary payor, the PARTICIPANT is responsible for the COPAYMENT plus any charges in excess of the PBM allowed amount. The allowed amount is based on the pricing methodology used by the preferred prescription drug plan administered by the PBM.

In most instances, claims for MEDICARE Part D immunizations, vaccinations and other prescription drugs, including costs to administer injections for PARTICIPANTS with MEDICARE Part D coverage, will be submitted to the PBM for adjudication even when the HEALTH PLAN or a contracted provider administers the injection. If the HEALTH PLAN or a contracted provider is unable to submit such a claim to the PBM, the PARTICIPANT is responsible for submitting the claims to the PBM.

Prescription drugs will be dispensed as follows:

- a. In maximum quantities not to exceed a 30 consecutive day supply per COPAYMENT.

- b. The PBM may apply quantity limits to medications in certain situations (for example, due to safety concerns or cost).
- c. Single packaged items are limited to two items per COPAYMENT or up to a 30-day supply, whichever is more appropriate, as determined by the PBM.
- d. Oral contraceptives are not subject to the 30-day supply and will be dispensed at one COPAYMENT per package or a 28-day supply, whichever is less.
- e. Smoking cessation coverage includes pharmacological products that by law require a written prescription and are prescribed for the purpose of achieving smoking cessation and are on the FORMULARY. These require a prescription from a physician and must be filled at a PARTICIPATING PHARMACY. Only one 30-day supply of medication may be obtained at a time and is subject to the prescription drug COPAYMENT and annual OUT-OF-POCKET LIMIT. Coverage is limited to a maximum of 180 consecutive days of pharmacotherapy per calendar year unless the PARTICIPANT obtains PRIOR AUTHORIZATION for a limited extension.
- f. PRIOR AUTHORIZATION from the PBM may be required for certain prescription drugs. A list of prescription drugs requiring PRIOR AUTHORIZATION is available from the PBM.
- g. Cost-effective GENERIC EQUIVALENTS will be dispensed unless the PLAN PROVIDER specifies the Brand Name Drug and indicates that no substitutions may be made, in which case the Brand Name Drug will be covered at the COPAYMENT specified in the FORMULARY.
- h. Mail order is available for many prescription drugs. For certain Level 1 and Level 2 Preferred prescription drugs determined by the PBM that are obtained from a designated mail order vendor, two COPAYMENTS will be applied to a 90-day supply of drugs if at least a 90-day supply is prescribed. SELF-ADMINISTERED INJECTABLES and narcotics are among those for which a 90-day supply is not available.
- i. Tablet splitting is a voluntary program in which the PBM may designate certain Level 1 and Level 2 Preferred drugs that the member can split the tablet of a higher strength dosage at home. Under this program, the member gets half the usual quantity for a 30-day supply, for example, 15 tablets for a 30-day supply. PARTICIPANTS who use tablet splitting will pay half the normal COPAYMENT amount.
- j. The PBM reserves the right to designate certain over-the-counter drugs on the FORMULARY.
- k. SPECIALTY MEDICATIONS and SELF-ADMINISTERED INJECTABLES when obtained by prescription and which can safely be administered by the PARTICIPANT, must be obtained from a PBM PARTICIPATING PHARMACY or Preferred Specialty Pharmacy. In some cases, the PBM may need to limit availability to specific pharmacies.

This coverage includes investigational drugs for the treatment of HIV, as required by [Wis. Stat. § 632.895 \(9\)](#).

Disposable diabetic supplies include needles, syringes, alcohol swabs, lancets, lancing devices, blood or urine test strips. The PARTICIPANT'S COINSURANCE will be applied to the annual OUT-OF-POCKET LIMIT for prescription drugs.

If the termination is a result of a SUBSCRIBER changing HEALTH PLANS during a prescribed enrollment period as determined by the Board, benefits after the EFFECTIVE DATE with the succeeding HEALTH PLAN will be the responsibility of the succeeding HEALTH PLAN unless the facility in which the PARTICIPANT is CONFINED is not part of the succeeding HEALTH PLAN'S network. ## **B. Limitations**

1. COPAYMENTS or COINSURANCE are required for:

  - b. State of Wisconsin PARTICIPANTS for whom MEDICARE is the primary payor, and for all PARTICIPANTS of the Wisconsin Public Employers program, and/or limitations apply to, the following services: Durable Medical Equipment, Prescription Drugs, Smoking Cessation, Cochlear Implants, treatment of Temporomandibular Disorders and care received in an emergency room.
2. Benefits are limited for the following services: Replacement of Natural Teeth because of accidental INJURY, Oral Surgery, Hospital Inpatient, licensed SKILLED NURSING FACILITY, Physical, Speech and Occupational Therapy, Home Care Benefits, Transplants, Hearing Aids, and Orthoptics.
3. Use of NON-PLAN PROVIDERS and HOSPITALS requires prior written approval by the PARTICIPANT'S PRIMARY CARE PROVIDER and the HEALTH PLAN to determine medical appropriateness and whether services can be provided by PLAN PROVIDERS.
4. Major Disaster or Epidemic: If a major disaster or epidemic occurs, PLAN PROVIDERS and HOSPITALS render medical services (and arrange extended care services and home health service) insofar as practical according to their best medical judgment, within the limitation of

available facilities and personnel. This extends to the PBM and its Participating Pharmacies. In this case, PARTICIPANTS may receive covered services from NON-PLAN PROVIDERS and/or Non- Participating Pharmacies.

5. Circumstances Beyond the HEALTH PLAN'S and/or PBM's Control: If, due to circumstances not reasonably within the control of the HEALTH PLAN and/or PBM, such as a complete or partial insurrection, labor disputes not within the control of the HEALTH PLAN and/or PBM, disability of a significant part of Hospital or medical group personnel or similar causes, the rendition or provision of services and other benefits covered hereunder is delayed or rendered impractical, the HEALTH PLAN, PLAN PROVIDERS and/or PBM will use their best efforts to provide services and other benefits covered hereunder. In this case, PARTICIPANTS may receive covered services from NON-PLAN PROVIDERS and/or Non-Participating Pharmacies.
6. Speech and Hearing Screening Examinations: Limited to the routine screening tests performed by a PLAN PROVIDER for determining the need for correction.
7. Outpatient Rehabilitation, Physical, Occupational and Speech Therapy: These therapies are benefits only for treatment of those conditions which are expected to yield significant patient improvement within two months after the beginning of treatment.
8. Only one transplant per organ per PARTICIPANT per HEALTH PLAN is covered during the lifetime of the policy, except as required for treatment of kidney disease.

## V. COORDINATION OF BENEFITS AND SERVICES

---

### A. Applicability

1. This Coordination of Benefits ("COB") provision applies to This Plan when a PARTICIPANT has health care coverage under more than one Plan at the same time. "Plan" and "This Plan" are defined below.
2. If this COB provision applies, the order of benefit determination rules shall be looked at first. The rules determine whether the benefits of This Plan are determined before or after those of another plan. The benefits of This Plan:
  - a. shall not be reduced when, under the order of benefit determination rules, This Plan determines its benefits before another Plan; but
  - b. may be reduced when, under the order of benefit determination rules, another Plan determines its benefits first. This reduction is described in Section D below, Effect on the Benefits of This Plan.

### B. Definitions

In this section, the following words are defined as follows:

1. "Allowable Expense" means a necessary, reasonable, and customary item of expense for health care, when the item of expense is covered at least in part by one or more Plans covering the person for whom the claim is made. The difference between the cost of a private hospital room and the cost of a semi-private hospital room is not considered an Allowable Expense unless the patient's stay in a private hospital room is MEDICALLY NECESSARY either in terms of generally accepted medical practice or as specifically defined by the Plan. When a Plan provides benefits in the form of services, the reasonable cash value of each service rendered shall be considered both an Allowable Expense and a benefit paid.

However, notwithstanding the above, when there is a maximum benefit limitation for a specific service or treatment, the secondary plan will also be responsible for paying up to the maximum benefit allowed for its plan. This will not duplicate benefits paid by the primary plan.

2. "Claim Determination Period" means a calendar year. However, it does not include any part of a year during which a person has no coverage under This Plan or any part of a year before the date this COB provision or a similar provision takes effect.
3. "Plan" means any of the following which provides benefits or services for, or because of, medical, pharmacological or dental care or treatment:
  - a. Group insurance or group-type coverage, whether insured or uninsured, that includes continuous 24-hour coverage. This includes prepayment, group practice or individual practice coverage. It also includes coverage other than school accident-type coverage.
  - b. Coverage under a governmental plan or coverage that is required or provided by law. This does not include a state plan under MEDICAID (Title XIX, Grants to States for Medical Assistance Programs, of the United States Social Security Act as amended from time to time). It also does not include any plan whose benefits, by law, are excess to those of any private insurance program or other non-governmental program. Each contract or other

arrangement for coverage under a. or b. is a separate Plan. Also, if an arrangement has two parts and COB rules apply only to one of the two, each of the parts is a separate Plan.

4. "Primary Plan"/"Secondary Plan": The order of benefit determination rules state whether This Plan is a Primary Plan or Secondary Plan as to another Plan covering the person.

When This Plan is a Secondary Plan, its benefits are determined after those of the other Plan and may be reduced because of the other Plan's benefits.

When This Plan is a Primary Plan, its benefits are determined before those of the other Plan and without considering the other Plan's benefits.

When there are more than two Plans covering the person, This Plan may be a Primary Plan as to one or more other Plans and may be a Secondary Plan as to a different Plan or Plans.

5. "This Plan" means the part of YOUR group contract that provides benefits for health care and pharmaceutical expenses.

### **C. Order Of Benefit Determination Rules**

#### **1. General**

When there is a basis for a claim under This Plan and another Plan, This Plan is a Secondary Plan that has its benefits determined after those of the other Plan, unless:

- a. the other Plan has rules coordinating its benefits with those of This Plan; and
- b. both those rules and This Plan's rules described in subparagraph 2 require that This Plan's benefits be determined before those of the other Plan.

#### **2. Rules**

This Plan determines its order of benefits using the first of the following rules which applies:

- a. Non-Dependent/Dependent

The benefits of the Plan which covers the person as an employee or PARTICIPANT are determined before those of the Plan which covers the person as a DEPENDENT of an employee or PARTICIPANT.

- b. DEPENDENT Child/Parents Not Separated or Divorced

Except as stated in subparagraph 2., c. below, when This Plan and another Plan cover the same child as a DEPENDENT of different persons, called "parents":

- 1) the benefits of the Plan of the parent whose birthday falls earlier in the calendar year are determined before those of the Plan of the parent whose birthday falls later in that calendar year; but
- 2) if both parents have the same birthday, the benefits of the Plan which covered the parent longer are determined before those of the Plan which covered the other parent for a shorter period of time.

However, if the other Plan does not have the rule described in 1. above but instead has a rule based upon the gender of the parent, and if, as a result, the Plans do not agree on the order of benefits, the rule in the other Plan shall determine the order of benefits.

c. DEPENDENT Child/Separated or Divorced Parents

If two or more Plans cover a person as a DEPENDENT child of divorced or separated parents, benefits for the child are determined in this order:

- 1) first, the Plan of the parent with custody of the child;
- 2) then, the Plan of the spouse of the parent with the custody of the child; and
- 3) finally, the Plan of the parent not having custody of the child.

Also, if the specific terms of a court decree state that the parents have joint custody of the child and do not specify that one parent has responsibility for the child's health care expenses or if the court decree states that both parents shall be responsible for the health care needs of the child but gives physical custody of the child to one parent, and the entities obligated to pay or provide the benefits of the respective parents' Plans have actual knowledge of those terms, benefits for the dependent child shall be determined according to C., 2., b.

However, if the specific terms of a court decree state that one of the parents is responsible for the health care expenses of the child, and the entity obligated to pay or provide the benefits of the Plan of that parent has actual knowledge of those terms, the benefits of that Plan are determined first. This paragraph does not apply with respect to any Claim Determination Period or plan year during which any benefits are actually paid or provided before the entity has that actual knowledge.

d. Active/Inactive Employee

The benefits of a Plan which covers a person as an employee who is neither laid off nor retired or as that employee's dependent are determined before those of a Plan which covers that person as a laid off or retired employee or as that employee's dependent. If the other Plan does not have this rule and if, as a result, the Plans do not agree on the order of benefits, this rule d. is ignored.

e. Continuation Coverage

- 1) If a person has continuation coverage under federal or state law and is also covered under another plan, the following shall determine the order of benefits:
  - i. First, the benefits of a plan covering the person as an employee, member, or SUBSCRIBER or as a dependent of an employee, member, or SUBSCRIBER.
  - ii. Second, the benefits under the continuation coverage.
- 2) If the other plan does not have the rule described in subparagraph 1), and if, as a result, the plans do not agree on the order of benefits, this paragraph e. is ignored.

f. Longer/Shorter Length of Coverage

If none of the above rules determines the order of benefits, the benefits of the Plan which covered an employee, member or SUBSCRIBER longer are determined before those of the Plan which covered that person for the shorter time.

**D. Effect On The Benefits Of The Plan**

**1. When This Section Applies**

This Section D. applies when, in accordance with Section C., Order of Benefit Determination Rules, This Plan is a Secondary Plan as to one or more other Plans. In that event, the benefits of This Plan may be reduced under this section. Such other Plan or Plans are referred to as "the other Plans" in subparagraph 2. below.

**2. Reduction in This Plan's Benefits**

The benefits of This Plan will be reduced when the sum of the following exceeds the Allowable Expenses in a Claim Determination Period:

- a. the benefits that would be payable for the Allowable Expenses under This Plan in the absence of this COB provision; and
- b. the benefits that would be payable for the Allowable Expenses under the other Plans, in the absence of provisions with a purpose like that of this COB provision, whether or not claim is made. Under this provision, the benefits of This Plan will be reduced so that they and the benefits payable under the other Plans do not total more than those Allowable Expenses.

When the benefits of This Plan are reduced as described above, each benefit is reduced in proportion. It is then charged against any applicable benefit limit of This Plan.

**E. Right To Receive And Release Needed Information**

The HEALTH PLAN has the right to decide the facts it needs to apply these COB rules. It may get needed facts from or give them to any other organization or person without the consent of the insured but only as needed to apply these COB rules. Medical records remain confidential as provided by state and federal law. Each person claiming benefits under This Plan must give the HEALTH PLAN any facts it needs to pay the claim.

**F. Facility Of Payment**

A payment made under another Plan may include an amount which should have been paid under This Plan. If it does, the HEALTH PLAN may pay that amount to the organization which made that payment. That amount will then be treated as though it was a benefit paid under This Plan. The HEALTH PLAN will not have to pay that amount again. The term "payment made" means reasonable cash value of the benefits provided in the form of services.

**G. Right Of Recovery**

If the amount of the payments made by the HEALTH PLAN is more than it should have paid under this COB provision, it may recover the excess from one or more of:

1. the persons it has paid or for whom it has paid;
2. insurance companies; or

3. other organizations.

The "amount of payments made" includes the reasonable cash value of any benefits provided in the form of services.

## **VI. MISCELLANEOUS PROVISIONS**

---

### **A. Right To Obtain and Provide Information**

Each PARTICIPANT agrees that the HEALTH PLAN and/or PBM may obtain from the PARTICIPANT'S health care PROVIDERS the information (including medical records) that is reasonably necessary, relevant and appropriate for the HEALTH PLAN and/or PBM to evaluate in connection with its treatment, payment, or health care operations. Each person claiming benefits must, upon request by the HEALTH PLAN, provide any relevant and reasonably available information which the HEALTH PLAN believes is necessary to determine benefits payable. Failure to provide such information may result in denial of the claim at issue.

Each PARTICIPANT agrees that information (including medical records) will, as reasonably necessary, relevant and appropriate, be disclosed as part of treatment, payment, or health care operations, including not only disclosures for such matters within the HEALTH PLAN and/or PBM but also disclosures to:

1. Health care PROVIDERS as necessary and appropriate for treatment;
2. Appropriate DEPARTMENT employees as part of conducting quality assessment and improvement activities, or reviewing the HEALTH PLAN'S/PBM's claims determinations for compliance with contract requirements, or other necessary health care operations;
3. The tribunal, including an independent review organization, and parties to any appeal concerning a claim denial.

### **B. Physical Examination**

The HEALTH PLAN, at its own expense, shall have the right and opportunity to examine the person of any PARTICIPANT when and so often as may be reasonably necessary to determine his/her eligibility for claimed services or benefits under this plan (including, without limitation, issues relating to subrogation and coordination of benefits). By execution of an application for coverage under the HEALTH PLAN, each PARTICIPANT shall be deemed to have waived any legal rights he/she may have to refuse to consent to such examination when performed or conducted for the purposes set forth above.

### **C. Case Management/Alternate Treatment**

The HEALTH PLAN may employ a professional staff to provide case management services. As part of this case management, the HEALTH PLAN or the PARTICIPANT'S attending physician may recommend that a PARTICIPANT consider receiving treatment for an ILLNESS or INJURY which differs from the current treatment if it appears that:

- a. the recommended treatment offers at least equal medical therapeutic value; and
- b. the current treatment program may be changed without jeopardizing the PARTICIPANT'S health; and
- c. the charges (including pharmacy) incurred for services provided under the recommended treatment will probably be less.

If the HEALTH PLAN agrees to the attending physician's recommendation or if the PARTICIPANT or his/her authorized representative and the attending physician agree to the HEALTH PLAN'S recommendation, the recommended treatment will be provided as soon as it is

available. If the recommended treatment includes services for which benefits are not otherwise payable (for example, biofeedback, acupuncture), payment of benefits will be as determined by the HEALTH PLAN. The PBM may establish similar case management services.

#### **D. Disenrollment**

No person other than a PARTICIPANT is eligible for health insurance benefits. The SUBSCRIBER'S rights to group health insurance coverage is forfeited if a PARTICIPANT assigns or transfers such rights, or aids any other person in obtaining benefits to which they are not entitled, or otherwise fraudulently attempts to obtain benefits. Coverage terminates the beginning of the month following action of the Board. Re-enrollment is possible only if the person is employed by an employer where the coverage is available and is limited to occur during the annual It's Your Choice Open Enrollment period.

Change to an alternate HEALTH PLAN via It's Your Choice enrollment is available during a regular It's Your Choice enrollment period, which begins a minimum of 12 months after the disenrollment date.

The DEPARTMENT may at any time request such documentation as it deems necessary to substantiate SUBSCRIBER or DEPENDENT eligibility. Failure to provide such documentation upon request shall result in the suspension of benefits.

In situations where a PARTICIPANT has committed acts of physical or verbal abuse, or is unable to establish/maintain a satisfactory physician-patient relationship with the current or alternate PRIMARY CARE PROVIDER, disenrollment efforts may be initiated by the HEALTH PLAN or the Board. The SUBSCRIBER'S disenrollment is effective the first of the month following completion of the GRIEVANCE process and approval of the Board. Coverage may be transferred to the Standard Plan only, with options to enroll in alternate HEALTH PLANS during subsequent It's Your Choice enrollment periods. Reenrollment in the HEALTH PLAN is available during a regular It's Your Choice enrollment period that begins a minimum of 12 months after the disenrollment date.

#### **E. Recovery Of Excess Payments**

The HEALTH PLAN and/or PBM might pay more than the HEALTH PLAN and/or PBM owes under the policy. If so, the HEALTH PLAN and/or PBM can recover the excess from You. The HEALTH PLAN and/or PBM can also recover from another insurance company or service plan, or from any other person or entity that has received any excess payment from the HEALTH PLAN and/or PBM.

Each PARTICIPANT agrees to reimburse the HEALTH PLAN and/or PBM for all payments made for benefits to which the PARTICIPANT was not entitled. Reimbursement must be made immediately upon notification to the SUBSCRIBER by the HEALTH PLAN and/or PBM. At the option of the HEALTH PLAN and/or PBM, benefits for future charges may be reduced by the HEALTH PLAN and/or PBM as a set-off toward reimbursement.

#### **F. Limit On Assignability Of Benefits**

This is YOUR personal policy. You cannot assign any benefit to other than a physician, Hospital or other PROVIDER entitled to receive a specific benefit for You.

#### **G. Severability**

If any part of the policy is ever prohibited by law, it will not apply any more. The rest of the policy will continue in full force.

## H. Subrogation

Each PARTICIPANT agrees that the insurer under these Uniform Benefits, whether that is a HEALTH PLAN or the DEPARTMENT, shall be subrogated to a PARTICIPANT'S rights to damages, to the extent of the benefits the insurer provides under the policy, for ILLNESS or INJURY a third party caused or is liable for. It is only necessary that the ILLNESS or INJURY occur through the act of a third party. The insurer's rights of full recovery may be from any source, including but not limited to:

- The third party or any liability or other insurance covering the third party
- The PARTICIPANT'S own uninsured motorist insurance coverage
- Under-insured motorist insurance coverage
- Any medical payments, no-fault or school insurance coverages which are paid or payable.

PARTICIPANT'S rights to damages shall be, and they are hereby, assigned to the insurer to such extent.

The insurer subrogation rights shall not be prejudiced by any PARTICIPANT. Entering into a settlement or compromise arrangement with a third party without the insurer's prior written consent shall be deemed to prejudice the insurer's rights. Each PARTICIPANT shall promptly advise the insurer in writing whenever a claim against another party is made on behalf of a PARTICIPANT and shall further provide to the insurer such additional information as is reasonably requested by the insurer. The PARTICIPANT agrees to fully cooperate in protecting the insurer's rights against a third party. The insurer has no right to recover from a PARTICIPANT or insured who has not been "made whole" (as this term has been used in reported Wisconsin court decisions), after taking into consideration the PARTICIPANT'S or insured's comparative negligence. If a dispute arises between the insurer and the PARTICIPANT over the question of whether or not the PARTICIPANT has been "made whole", the insurer reserves the right to a judicial determination whether the insured has been "made whole."

In the event the PARTICIPANT can recover any amounts, for an INJURY or ILLNESS for which the insurer provides benefits, by initiating and processing a claim as required by a workmen's or worker's compensation act, disability benefit act, or other employee benefit act, the PARTICIPANT shall either assert and process such claim and immediately turn over to the insurer the net recovery after actual and reasonable attorney fees and expenses, if any, incurred in effecting the recovery, or, authorize the insurer in writing to prosecute such claim on behalf of and in the name of the PARTICIPANT, in which case the insurer shall be responsible for all actual attorney's fees and expenses incurred in making or attempting to make recovery. If a PARTICIPANT fails to comply with the subrogation provisions of this contract, particularly, but without limitation, by releasing the PARTICIPANT'S right to secure reimbursement for or coverage of any amounts under any workmen's or worker's compensation act, disability benefit act, or other employee benefit act, as part of settlement or otherwise, the PARTICIPANT shall reimburse the insurer for all amounts theretofore or thereafter paid by the insurer which would have otherwise been recoverable under such acts and the insurer shall not be required to provide any future benefits for which recovery could have been made under such acts but for the PARTICIPANT'S failure to meet the obligations of the subrogation provisions of this contract. The PARTICIPANT shall advise the insurer immediately, in writing, if and when the PARTICIPANT files or otherwise asserts a claim for benefits under any workmen's or worker's compensation act, disability benefit act, or other employee benefit act.

## **I. Proof Of Claim**

As a PARTICIPANT, it is YOUR responsibility to notify YOUR PROVIDER of YOUR participation in the HEALTH PLAN and PBM.

Failure to notify a PLAN PROVIDER of YOUR membership in the HEALTH PLAN may result in claims not being filed on a timely basis. This could result in a delay in the claim being paid.

If You receive services from a NON-PLAN PROVIDER outside the PLAN SERVICE AREA, obtain and submit an itemized bill and submit to the HEALTH PLAN, clearly indicating the HEALTH PLAN'S name and address. If the services were received outside the United States, indicate the appropriate exchange rate at the time the services were received and provide an English language itemized billing to facilitate processing of YOUR claim.

Claims for services must be submitted as soon as reasonably possible after the services are received. If the HEALTH PLAN and/or PBM does not receive the claim within 12 months, or if later, as soon as reasonably possible, after the date the service was received, the HEALTH PLAN and/or PBM may deny coverage of the claim.

## **J. Grievance Process**

All participating HEALTH PLANS and the PBM are required to make a reasonable effort to resolve members' problems and complaints. If You have a complaint regarding the HEALTH PLAN'S and/or PBM's administration of these benefits (for example, denial of claim or REFERRAL), You should contact the HEALTH PLAN and/or PBM and try to resolve the problem informally. If the problem cannot be resolved in this manner, You may file a written GRIEVANCE with the HEALTH PLAN and/or PBM. Contact the HEALTH PLAN and/or PBM for specific information on its GRIEVANCE procedures.

If You exhaust the HEALTH PLAN'S and/or PBM's GRIEVANCE process and remain dissatisfied with the outcome, You may appeal to the DEPARTMENT by completing a DEPARTMENT complaint form. You should also submit copies of all pertinent documentation including the written determinations issued by the HEALTH PLAN and/or PBM. The HEALTH PLAN and/or PBM will advise You of YOUR right to appeal to the DEPARTMENT within 60 days of the date of the final grievance decision letter from the HEALTH PLAN and/or PBM.

However, YOU may not appeal to the DEPARTMENT issues which do not arise under the terms and conditions of Uniform Benefits, for example, determination of MEDICAL NECESSITY, appropriateness, health care setting, level of care, effectiveness of a covered benefit, EXPERIMENTAL treatment, pre-existing condition, or the rescission of a policy or certificate that can be resolved through the Independent Review Organization process under [Wis. Stat. § 632.835](#) and [Wis. Adm. Code INS § 18.11](#). YOU may request an independent review pursuant to [Wis. Stat. § 632.835](#) and [Wis. Adm. Code § INS 18.11](#). In this event, YOU must notify the HEALTH PLAN and/or PBM of YOUR request. In accordance with [Wis. Stat. § 632.835](#) and [Wis. Adm. Code § INS 18.11](#), any decision by an Independent Review Organization is final and binding except for any decision regarding a preexisting condition exclusion denial or the rescission of a policy or certificate. Apart from these two exceptions, YOU have no further right to administrative review once the Independent Review Organization decision is rendered.

## **K. Appeals To The Group Insurance Board**

After exhausting the HEALTH PLAN'S or PBM's GRIEVANCE process and review by the DEPARTMENT, the PARTICIPANT may appeal the DEPARTMENT'S determination to the Group Insurance Board, unless an Independent Review Organization decision that is final and binding

has been rendered in accordance with [Wis. Stat. § 632.835](#) and [Wis. Adm. Code § INS 18.11](#). The Group Insurance Board does not have the authority to hear appeals relating to issues which do not arise under the terms and conditions of Uniform Benefits, for example, determination of MEDICAL NECESSITY, appropriateness, health care setting, level of care, effectiveness of a covered benefit, EXPERIMENTAL treatment, pre-existing condition, or the rescission of a policy or certificate that can be resolved through the Independent Review Organization process under [Wis. Stat. § 632.835](#) and [Wis. Adm. Code INS § 18.11](#). These appeals are reviewed only to determine whether the HEALTH PLAN and/or PBM breached its contract with the Group Insurance Board.
